

nonimmigrant students in determining the SEVIS access termination date. SEVP will not determine a SEVIS access termination date for that school until the appeals process has concluded and the initial denial or withdrawal has been upheld unless a school whose certification is withdrawn or whose recertification is denied is suspected of criminal activity or poses a potential national security threat. The school will no longer be able to access SEVIS, and SEVP will automatically terminate any remaining Active SEVIS records for that school on the SEVIS access termination date.

(3) *Legal obligations and ramifications for a school and its DSOs when a school is having SEVP certification denied or withdrawn.* Schools are obligated to their students to provide the programs of study to which they have committed themselves in the students' application for enrollment and acceptance process. Schools are obligated to the U.S. government to comply with the recordkeeping, retention, reporting and other requirements contained in 8 CFR 214.3. With any new petition for SEVP certification, SEVP will consider the extent to which a school has fulfilled these obligations to students and the U.S. government during any previous period of SEVP certification.

6. Section 214.13 is amended by revising paragraph (a), to read as follows:

§ 214.13 SEVIS fee for certain F, J, and M nonimmigrants.

(a) *Applicability.* The following aliens are required to submit a payment in the amount indicated for their status to the Student and Exchange Visitor Program (SEVP) in advance of obtaining nonimmigrant status as an F or M student or J exchange visitor, in addition to any other applicable fees, except as otherwise provided for in this section:

(1) An alien who applies for F-1 or F-3 status in order to enroll in a program of study at an SEVP-certified institution of higher education, as defined in section 101(a) of the Higher Education Act of 1965, as amended, or in a program of study at any other SEVP-certified academic or language-training institution including private elementary and secondary schools and public secondary schools, the amount of \$200;

(2) An alien who applies for J-1 status in order to commence participation in an exchange visitor program designated by the Department of State (DOS), the amount of \$180, with a reduced fee for certain exchange visitor categories as

provided in paragraphs (b)(1) and (c) of this section; and

(3) An alien who applies for M-1 or M-3 status in order to enroll in a program of study at an SEVP-certified vocational educational institution, including a flight school, in the amount of \$200.
