## **TITLE IV—HURRICANE EDUCATION RECOVERY ACT**

### **Subtitle A—Elementary and Secondary Education Hurricane Relief**

#### **SEC. 101. FINDINGS; DEFINITIONS.**

(a) FINDINGS.—Congress finds the following:

(1) Hurricane Katrina and Hurricane Rita have had a devastating and unprecedented impact on students who attended schools in the disaster areas.

(2) Due to the devastating effects of Hurricane Katrina and Hurricane Rita, a significant number of students have enrolled in schools outside of the area in which they resided, including a significant number of students who enrolled in non-public schools because their parents chose to enroll them in such schools.

(3) 372,000 students were displaced by Hurricane Katrina. Approximately 700 schools have been damaged or destroyed. Nine States each have more than 1,000 of such displaced students enrolled in their schools. In Texas alone, over 45,000 displaced students have enrolled in schools.

(4) In response to these extraordinary conditions, this subtitle creates a one-time only emergency grant for the 2005–2006 school year tailored to the needs and particular circumstances of students displaced by Hurricane Katrina and Hurricane Rita.

(5) The level and type of assistance provided under this subtitle, both for students attending public schools and students attending non-public schools, is made available solely because of the unprecedented nature of the crisis, the massive dislocation of students, and the short duration of the services or assistance.

\$10,000,000 of the funds appropriated under this heading shall be deposited in the San Gabriel Basin Restoration Fund established by section 110 of title I of appendix D of Public Law 106–554”.

SEC. 5007. The funds appropriated in Public Law 109–103 under the heading “Bureau of Reclamation, Water and Related Resources” for the Placer County, California Sub-Regional Wastewater Treatment Project are hereby transferred to and merged with the amount appropriated in such public law under the heading “Corps of Engineers—Civil, Construction”, and shall be used for the construction of such project under the same terms and conditions that would have been applicable if such funds had originally been appropriated to the Corps of Engineers.

SEC. 5008. Section 118 of Public Law 109–103 is amended by striking “106–541” and inserting “106–53” in lieu thereof.

SEC. 5009. Public Law 109–103 is amended under the heading “Corps of Engineers—Civil, Investigations”, by striking “*Provided further*, That using \$8,000,000” and all that follows to the end of the paragraph, and inserting in lieu thereof, “*Provided further*, That using \$8,000,000 of the funds provided herein, the Secretary of the Army, acting through the Chief of Engineers, is directed to conduct a comprehensive hurricane protection analysis and design at full federal expense to develop and present a full range of flood control, coastal restoration, and hurricane protection measures exclusive of normal policy considerations for South Louisiana and the Secretary shall submit a preliminary technical report for comprehensive Category 5 protection within 6 months of enactment of this Act and a final technical report for Category 5 protection within 24 months of enactment of this Act: *Provided further*, That the Secretary shall consider providing protection for a storm surge equivalent to a Category 5 hurricane within the project area and may submit reports on component areas of the larger protection program for authorization as soon as practicable: *Provided further*, That the analysis shall be conducted in close coordination with the State of Louisiana and its appropriate agencies.”.

SEC. 5010. Funds made available under the heading “Construction, Rehabilitation, Operation and Maintenance, Western Area Power Administration” in Public Law 109–103 shall be available for the operation, maintenance, and purchase, through transfer, exchange, or sale, of one helicopter for replacement only.

SEC. 5011. (a) In addition to the amounts provided elsewhere in this Act, \$50,000,000 is hereby appropriated to the Department of Labor, to remain available until expended, for payment to the New York State Uninsured Employers Fund for reimbursement of claims related to the September 11, 2001, terrorist attacks on the United States and for reimbursement of claims related to the first response emergency services personnel who were injured, were disabled, or died due to such terrorist attacks.

(b) In addition to the amounts provided elsewhere in this Act, \$75,000,000 is hereby appropriated to the Centers for Disease Control and Prevention, to remain available until expended, for purposes related to the September 11, 2001, terrorist attacks on the United States. In expending such funds, the Director of the Centers for Disease Control and Prevention shall: (1) give first priority to existing programs that administer baseline and follow-up screening, clinical examinations, or long-term medical health monitoring, analysis, or treatment for emergency services personnel or rescue and recovery personnel, as coordinated by the Mount
