THIS POLICY does **NOT** authorize loads that exceed legal size and/or weight to operate in or to enter Oregon prior to obtaining a Variance Permit. For a copy of the Entry Policy for Over-Dimensional Permits, contact the Over-Dimensional Permit Unit at 503-373-0000 or visit the Internet @ www.oregon.gov/ODOT/MCT/docs/enforcement_policy.pdf.

Note: Carriers are required to carry the Oregon Tax Credential in their vehicles and will find it practical to have the Oregon credential in the truck in case they purchase diesel fuel in Oregon. Carriers can buy tax-exempt fuel if they show the fuel provider a valid permanent or temporary Oregon credential. Then they don't pay both a fuel tax and a weight-mile tax for travel in Oregon.
