MODEL COMPONENTS

	CRITERION	1	2	3	4	5	SCORE
M1	Two relapse prevention groups per week	Four or less RP groups in four weeks	Five RP groups in four weeks	Six RP groups in four weeks	Seven RP groups in four weeks	Eight RP groups in four weeks	
M2	One family education group per week	No FE groups in four weeks	One FE group in four weeks	Two FE groups in four weeks	Three FE groups in four weeks	Four FE groups in four weeks	
M3	Two early recovery skills groups per week, for the first four weeks of treatment	Four or less ER groups in four weeks	Five ER groups in four weeks	Six ER groups in four weeks	Seven ER groups in four weeks	Eight ER groups in four weeks	
M4	One social support group per week, starting with week 13 of treatment	No SS groups in four weeks	One SS groups in four weeks	Two SS groups in four weeks	Three SS groups in four weeks	Four SS groups in four weeks	
M5	Urine and alcohol testing every week	**Almost never** 0-24% of clients who showed up over a four-week period were tested	**Rarely** 25-44% of clients who showed up over a four-week period were tested	**Sometimes** 45-69% of clients who showed up over a four-week period were tested	**Frequently** 70-89% of clients who showed up over a four-week period were tested	**Almost always** 90% or more of clients who showed up over a four-week period were tested	
M6	Three individual sessions during the first 16 weeks	**Almost never** 0-24% of the completed clients were offered the individual sessions	**Rarely** 25-44% of the completed clients were offered the individual sessions	**Sometimes** 45-69% of the completed clients were offered the individual sessions	**Frequently** 70-89% of the completed clients were offered the individual sessions	**Almost always** 90% or more of the completed clients were offered the individual sessions	

CRITERION	RATINGS/ANCHORS					SCORE
	1	**2**	**3**	**4**	**5**	

UTILIZATION OF MANUAL

CRITERION	1	2	3	4	5	SCORE
U1 Clients complete items in the Matrix notebook	**Almost never** 0-24% of clients use the notebook at least half of the time	**Rarely** 25-44% of clients use the notebook at least half of the time	**Sometimes** 45-89% of clients use the notebook at least half of the time	**Frequently** 70-89% of clients use the notebook at least half of the time	**Almost always** 90% or more of clients use the notebook at least half of the time	

GROUP CHARACTERISTICS

CRITERION	1	2	3	4	5	SCORE
G1 RP Group size	1 client or, 20 or more	2 clients or, 15-19	3-4 clients	5-6 clients	7-15 clients	
G2 Use of co-leader	**Almost never** 0-24% of the groups had a co-leader in four weeks	**Rarely** 25-44% of the groups had a co-leader in four weeks	**Sometimes** 45-69% of the groups had a co-leader in four weeks	**Frequently** 70-89% of the groups had a co-leader in four weeks	**Almost always** 90% or more of the groups had a co-leader in four weeks	

ATTENDANCE:

CRITERION	1	2	3	4	5	SCORE
A1 Therapists call when clients no-show	**Almost never** Therapists make phone calls to clients who miss sessions 0-24% of the time	**Rarely** Therapists make phone calls to clients who miss sessions 25-44% of the time	**Sometimes** Therapists make phone calls to clients who miss sessions 45-59% of the time	**Frequently** Therapists make phone calls to clients who miss sessions 70-89% of the time	**Almost always** Therapists make phone calls to clients who miss sessions 90% or more of the time	

	1	2	3	4	5	SCORE

STAFFING

	1	2	3	4	5	SCORE
S1 Group sessions occur with no more than a three-day break	**Almost never** 0-24% of the groups occurring with a three-day break or less	**Rarely** 25-44% of the groups occurring with a three-day break or less	**Sometimes** 45-69% of the groups occurring with a three-day break or less	**Frequently** 70-89% of the groups occurring with a three-day break or less	**Almost always** 90% or more of the groups occurring with a three-day break or less	
S2 Providing access to a therapist between groups by phone	Program never offers on-call coverage	Program Rarely offers on-call coverage	Program Sometimes offers on-call coverage	Program usually offers on-call coverage	Program always offers on-call coverage	
S3 Continuity of clinical staffing	Annual turnover rate 75% or more	Annual turnover rate 55 - 74%	Annual turnover rate 30 - 54%	Annual turnover rate 11 - 29%	Annual turnover rate 10% or less	

Where there any extra-services that were offered to patients for whatever reasons (because the patients requested, or to attract patients and improve group attendance, etc.)?

SCALE:

5 – Model fully implemented;

4 – Model mostly implemented;

3 – Model satisfactorily implemented;

2 – Model not satisfactorily implemented;

1 – Model not implemented at all.
