**INFORMATION AND INSTRUCTIONS FOR COMPLETING THE APPLICATION
FOR SURVIVORS' AND DEPENDENTS' EDUCATIONAL ASSISTANCE**

This form is available on the Internet. We suggest that you file your application by going to www.gibill.va.gov and submitting your application electronically. Select "Electronic Application Form."

If you submit your application electronically, VA will automatically transfer your application to the Regional Processing Office that handles your claim. See HOW TO FILE YOUR CLAIM for additional information on sending any supporting documentation and where to mail your completed paper application.

SPECIFIC INSTRUCTIONS

NOTE: The number on the instructions match the item numbers on this application. Items not mentioned are self-explanatory.

DO NOT USE THIS FORM TO APPLY FOR VETERANS' EDUCATION ASSISTANCE (chapters 30, 32, 1606, or 1607) or VOCATIONAL REHABILITATION BENEFITS (chapter 31).

These benefits require different application forms. Use VA Form 22-1990 to apply for Veterans' Education Assistance. This form is available at www.gibill.va.gov. Use VA Form 28-1900 to apply for Vocational Rehabilitation benefits. See

<http://va.benefits.vba.va.gov/vonapp/main.asp> for the Veterans On-Line Application for this form. These forms are also available at your nearest VA regional office and may be available where you received this application.

ITEM 3A. To qualify for Survivors' and Dependents' Educational Assistance you must be either:

(1) the spouse or child of a veteran who is permanently and totally disabled as the result of a service-connected disability;

(2) the spouse or child of an individual on active duty who has been listed for a total of more than 90 days as missing in action, captured in line of duty by a hostile force, forcibly detained or interned in line of duty by a hostile force, or forcibly detained or interned in line of duty by a foreign government or power, or;

(3) the surviving spouse or child of a veteran who died of a service-connected disability or who died while a service-connected disability was rated permanent and total in nature.

Eligibility for Survivors' and Dependents' Educational Assistance will be terminated in the event that VA determines that the veteran on whose account benefits are claimed is no longer totally disabled or VA is notified that the individual is no longer listed as captured, missing in action, or forcibly detained.

NOTE: "Child" includes adopted children and stepchildren who are members of the veteran's or individual's household. Married children are eligible for this benefit.

The period of eligibility for a child is generally between the ages of 18 and 26 years. In certain instances, it is possible to begin training before age 18 and to continue after age 26.

ITEM 4. VA publishes Pamphlet 22-73-3, Summary of Educational Benefits Under the Survivors' and Dependents' Educational Assistance Program, Chapter 35 of Title 38, U.S.C., an information pamphlet for this benefit. You should have received this pamphlet with your application. If you check "NO," VA will send you one. You may also request a pamphlet from the person who furnished you this application.

ITEM 5C. VA may have assigned the veteran or individual an eight-digit file number. If you know this number, write it in the space provided.

ITEM 10C. A spouse may use educational benefits during the 10-year period after eligibility is found. A surviving spouse may use these benefits during the 10-year period following the veteran's death or 10 years after VA determines the veteran's death was caused by a service-connected disability. The eligibility period is 20 years for a surviving spouse if the veteran's death was in service. Eligibility will terminate in the event a spouse is divorced from the veteran or in the event a surviving spouse is remarried, unless the remarriage is both after the surviving spouse's 57th birthday and or after January 1, 2004.

NOTE: A surviving spouse who terminates a remarriage may re-establish eligibility, but will not qualify for an extension of the ten-year or twenty-year eligibility period.

ITEM 13C. If you received education benefits under a law VA administers, such as the Montgomery GI Bill Educational Assistance Program, the Montgomery GI Bill Selected Reserve Educational Assistance Program, the Reserve Educational Assistance Program, Vietnam Era GI Bill (chapter 34), WWII, or Korean GI Bills, specify which benefit in this block.

ITEM 13D. Check the "Vocational Rehabilitation Benefits" block if you applied for VA education benefits as a disabled veteran.

ITEM 13E. Check the "Survivors' and Dependents' Educational Assistance" block if you have previously applied for benefits as the dependent of a veteran other than the veteran or individual on whose account you are currently claiming benefits.

ITEM 13F. Check the "Other" block if you previously applied for VA benefits other than any of those specified in Items 13A through 13E.

ITEM 13 G. Check the "None" block if you have never previously applied for VA education benefits.

ITEMS 14A and B. If you previously applied for VA benefits as the dependent child or spouse of a veteran who is permanently and totally disabled due to service-connected disabilities or who died on active duty, write the name of the person (your parent or spouse) under whom you received these benefits in Item 14A and the VA file number (reference number) for this person in Item 14B.

ITEM 15. Benefits under this program are not payable while an eligible person is serving on active duty in the Armed Forces.

ITEM 17A. A child who is under 18 and has not completed high school must have his or her program of education or training approved by a VA counselor before educational assistance benefits can be authorized. An eligible person who has not received a high school diploma or its equivalent can pursue approved secondary-level programs. An eligible person can also pursue refresher, remedial, or deficiency courses needed for admission into an education program.

ITEM 19. If you have ever held a license to practice a profession or journeyman rating to work at a trade, state the name of the license or journeyman rating and the state in which the license was held in the space marked "License or Rating." We only use this information if you apply for benefits for a similar program. Examples of a license include the following: electrician, CPA, teacher, lawyer, and bricklayer. Use Item 22, "Remarks," if you need more space.

SPECIFIC INSTRUCTIONS (Continued)

ITEM 20C. Self-explanatory, except for the following items:

Check the "Licensing or certification test" block if you want reimbursement for a licensing or certification test. A licensing test is a test offered by a state, local, or federal agency which is required by law to practice an occupation. A certification test is a test designed to provide an affirmation of an individual's qualification in a specific occupation.

The best way to claim the benefit is for the individual to send VA a copy of his or her test results with a note or a VA Form 21-4138, Statement in Support of Claim, stating that they are requesting reimbursement. The claimant should include:

- (1) The name of the test they took
- (2) The name and address of the organization issuing the license or certificate (not necessarily the organization that administered the test)
- (3) The date they took the test
- (4) The cost of the test
- (5) The following (signed) statement: "I authorize release of my test information to VA."

Check the "National admission exams or national exams for credit" block if you want VA to reimburse you for the fee you paid for taking one or more national tests. National tests for admission to institutions of higher learning include the following: the Scholastic Aptitude Test, Law School Admission Tests, Graduate Record Exam, or the Graduate Management Admission Test. National tests providing an opportunity for course credit at institutions of higher learning include the following: The Advanced Placement Exam and the College-level Examination Program.

NOTE ON CORRESPONDENCE TRAINING: Only spouses and surviving spouses may receive benefits for correspondence training. If you plan to enroll in a correspondence course or a combination correspondence-residence course, be sure the field of study is suitable to your abilities and interest before you sign a contract with the school. Information on correspondence courses is available at the nearest U.S. Veterans Assistance Center or VA Regional Office. The correspondence school may require you to pay for all or the majority of the course even though you complete only a portion of it. Unlike other VA training programs, payments for correspondence courses are made quarterly, after VA receives your certification showing the number of lessons you completed during the previous quarter. You must affirm a contract for enrollment in a correspondence course after at least 10 days following the date you sign the contract. If you decide not to enroll in a correspondence course after signing a contract but before signing the affirmation, you are entitled to receive a full refund from the school of any payment made for the course.

ITEMS 20F and G. Any eligible person may receive Special Restorative Training or Specialized Vocational Training, if a VA counselor determines that a specialized program is needed to overcome the effects of a physical or mental handicap. To be eligible, the disability must prevent you from pursuing an educational program. Examples of Special Restorative Training include speech and voice correction, language retraining, lip reading, auditory training, Braille reading and writing, or other similar training. Specialized Vocational Training consists of specialized courses leading to a vocational objective. This objective must be suitable for you and required because of a physical or mental handicap.

NOTE: You will not be eligible to receive benefits for any period for which you or the veteran or individual on whose account you are claiming benefits has an outstanding felony warrant. Any benefits paid to you for such a period will be an overpayment subject to collection.

ITEMS 21A and 21B. Your election to receive Survivors' and Dependents' Educational Assistance is final and cannot be changed. This means that payments of compensation, pension, or Dependents' Indemnity Compensation (DIC) based on school attendance after your 18th birthday are prohibited once you cash your first benefit check under this chapter. If you are planning to pursue a program of education for longer than 45 months, you may find it to your advantage to defer benefits and continue compensation, pension, or DIC payment for the present. If it appears that a deferral of benefits might be to your advantage, we strongly recommend that you discuss with a VA counselor the various options open to you. However, if it does not appear that a deferral would be to your advantage, complete Items 21A and 21B, indicating the date from which you wish to receive Survivors' and Dependents' Educational Assistance.
