Data Source: American Factfinder Table QT-P8

¹ One tribe alone, or in combination with one other tribe, or in combination with any other race group in addition to American Indian and Alaska Native.

² When individuals identified themselves as American Indian or Alaska Native on the C2000 Census form, it was necessary for them to write in a tribal affiliation in order to be further identified as Indian, Eskimo or Aleut. Not all American Indians and Alaska Natives identified their tribal affiliation.

³ Indian includes Athabaskan, Tlingit/Haida and all other American Indian tribes.
