*Assumed Business/Corporate Name. Prior to recording a livestock brand to a corporate or assumed business (ranch) name, that name must be actively registered to do business in Oregon. DESIGN SELECTION:

Submit a minimum of four designs. This increases the likelihood of obtaining a brand the first time. Designs that tend to be more available are those that contain at least two characters, with one or both in a lazy position. Stacked designs are also easier to obtain. Avoid single-character brands (they are rarely available), and avoid designs with many corners, angles or small circles.

Draw in your choice of designs in the boxes below—list only one selection in each box. If you wish to submit additional designs, attach a separate piece of paper.
