SUBJECT: Revision to MGR-02-006.1

BACKGROUND:

On May 28, 2002, the Risk Management Agency (RMA) issued Manager's Bulletin No. MGR-02-006.1 announcing additional price elections for certain 2002 crop year crops resulting from passage of the Farm Security and Rural Investment Act of 2002. MGR-02-006.1 contained a typographic error. The established price for oats should have been listed as \$1.20 per bushel, not \$1.30 per bushel.

ACTION:

The additional price and CAT price for oats as contained in MGR-02-006.1 remain the same. The established price for oats is \$1.20 per bushel. Producers have a choice of either accepting the new additional price of \$1.35 per bushel or the established price of \$1.20 per bushel.

DISPOSAL DATE:

This bulletin is for transmitting/updating information and the expiration date is December 31, 2002.
