

United States Marshals Service Child Safety Tips

- If someone grabs you, yell "LET GO NOW"
- Don't answer the door if you are home alone and don't tell people on the phone you are home alone
- Never tell your name, address or phone number to anyone on the computer
- Know your name, address, phone and how to dial 911
- No one should touch you without your permission
- If you lose your parents, ask a policeman, worker or another mom or dad for help
