

Which partnerships must file an Oregon partnership return?

- Every partnership having income derived from or connected with sources in Oregon.
- Every partnership having one or more Oregon resident partners.

What must be attached to the Oregon partnership return?

Attach the information in the following order:

- A list of partners, if more than 10 partners at any time during the year.
- An apportionment schedule, if you answered yes to questions 5A and 5B on Form 65.
- An Oregon Depreciation Schedule (form 150-101-025), if Oregon depreciation differs from federal depreciation.
- If this is the final partnership return, a schedule showing to whom all assets and liabilities were distributed, and each asset's adjusted basis and fair market value.
- A copy of federal Form 1065, U.S. Partnership Return of Income, or Form 1065-B, U.S. Return of Income for Electing Large Partnerships. Include all pages and supporting schedules.
- Federal Schedule K-1s, if the partnership has less than 11 partners during the year.

Filing deadlines and date of connection to federal law

Returns for the 2001 calendar year are due by April 15, 2002. Fiscal year returns are due by the 15th day of the fourth month after the end of the partnership's tax year.

Oregon is permanently tied to federal law. Most items are treated the same way on your Oregon and federal returns. Any future federal law changes affecting taxable income will automatically be adopted by Oregon. The partnership's tax year for Oregon must be the same as for federal. Oregon doesn't have a required payment for partnerships choosing an alternative tax year.

Oregon recognizes the federal "check the box" regulations for unincorporated organizations. Also, Oregon treats the electing large partnership the same as federal.

Partnership failure-to-file penalty

A penalty may be assessed if a partnership doesn't file a return or fails to provide information to the Department of Revenue as required by law. The penalty is \$50 per month per partner for each month the return is late or incomplete, up to a maximum of five months. Each partner is personally liable for a portion of the penalty.

Individual income tax returns

The Oregon individual income tax booklet lists filing requirements for partners' individual income tax returns. See page 2 to order full-year resident and part-year/nonresident booklets. A partnership generally is not subject to tax, but each partner's distributive share of net income (or loss) and separately stated items must be reported on that partner's individual return.

Partners report their share of Oregon modifications on Forms 40, 40N, or 40P. Generally, increases to income go on the "Other additions" line of the Oregon individual return. Generally, decreases to income go on the "Other subtractions" line of the Oregon individual return. Label the line "OPM" (Oregon Partnership Modifications). Separately stated items go on the appropriate line of the Oregon individual return.

Nonresident partners can choose to file an individual nonresident return or join together to file a multiple nonresident tax return. Call 503-945-8462 to order instructions for filing multiple nonresident returns.

Guaranteed payments

Guaranteed payments paid to a nonresident partner are treated as distributive shares of partnership income. Income attributable to Oregon sources is determined by applying the allocation and apportionment provisions to each nonresident's entire distributive share including guaranteed payments.

Oregon modifications to federal partnership income

Complete Schedule I to figure Oregon modifications to federal partnership income. Attach schedules if necessary to explain and compute the modifications.

Generally, each partner's share of modifications is figured by using the profit sharing percentage shown on that partner's federal Schedule K-1. Each partner's share of the Oregon modifications must be reported on the partner's Schedule K-1 or equivalent. Show separately any Oregon modification that could have a special tax effect on a partner's individual return. The modifications may be added to the federal Schedule K-1s and labeled "Oregon modifications."

Gain on voluntary and involuntary conversions. Oregon now allows partnerships to elect for their resident and nonresident partners to defer the gain on voluntary and involuntary conversions the same as for federal purposes.

Partnerships must make the election for all consenting partners. Attach a statement to Oregon Form 65 stating that the listed partners are electing to defer the gain, and agree to report the gain if they later lose their federal deferral.

Depreciation differences (1981–1985 ACRS assets). If you did not make the election in 1996 to align your Oregon basis to your federal basis for assets placed in service between 1981–1985, you will need to report a depreciation difference each year on Form 65, Schedule I, line 3 or 10.

Credits

Partners may qualify for the following tax credits on their individual income tax returns even though the costs were paid by the partnership.

- Child development
- Pollution control facilities
- Business energy
- Fish habitat improvement
- Reforestation
- Bone marrow donation program
- Donating crops to a gleaning cooperative
- Investment in reclaimed plastic projects
- First Break Program
- Political contributions
- Pollution prevention
- Dependent care assistance
- Fish screening
- Farmworker housing

Tri-County Metropolitan Transportation District (Tri-Met) and Lane Transit District tax

If your employees begin or cease performing services in either the Tri-Met Transportation District (parts of Clackamas, Multnomah, and Washington counties) or the Lane Transit District (Lane County), you must file a Combined Employer’s Registration Report. Wages for services within the districts are subject to these district taxes. To order forms, see information below.

Tri-Met and Lane Transit District self-employment taxes

Self-employment earnings of taxpayers doing business or providing services within the Tri-Met and Lane Transit districts are subject to this tax. A partnership may elect to file and pay the transit district self-employment tax on behalf of all the individual partners. Use the partnership’s net self-employment earnings (including partners’ guaranteed payments) to figure the tax.

Any 2001 Tri-Met or Lane Transit District self-employment tax return (Form TM or Form LTD) filed by a calendar year partnership is due by April 15, 2002. Fiscal year partnerships must file Form TM or Form LTD by April 15 of the year following the calendar year in which the fiscal year ends.

District boundary information

- Tri-Met boundaries 503-962-6466
- Lane Transit District boundaries 541-682-6100

Federal Privacy Act information

The request for Social Security numbers is made by authority of Section 405, Title 42, of the United States Code. You are required to give us this information. It is used to establish the identity of the partners. Except as specifically allowed by law, all information contained in your tax return is confidential and cannot be disclosed by the department. Any violation is a class C felony.
