Filing deadlines

Returns for the 2003 calendar year are due by April 15, 2004. Fiscal year returns are due by the 15th day of the fourth month after the end of the partnership's tax year.

Connection to federal law

Oregon is tied to the December 31, 2002 federal definition of taxable income. Oregon will not automatically adopt federal changes after this date. Oregon remains permanently tied to federal law for depreciation of assets, pension plans, and tax-exempt or tax-deferred savings programs. The partnership's tax year for Oregon must be the same as for federal. Oregon doesn't have a required payment for partnerships choosing an alternative tax year.

Oregon recognizes the federal "check the box" regulations for unincorporated organizations. Also, Oregon treats the electing large partnership the same as federal.

Partnership failure-to-file penalty

A penalty may be assessed if a partnership doesn't file a return or fails to provide information to the Department of

Revenue as required by law. The penalty is \$50 per month per partner for each month the return is late or incomplete, up to a maximum of five months. Each partner is personally liable for a portion of the penalty.

Individual income tax returns

A partnership generally is not subject to tax, but each partner's distributive share of net income (or loss) and separately stated items must be reported on that partner's individual income tax return.

Partners report their share of Oregon modifications on their Oregon Forms 40, 40N, or 40P. Increases to income go on the "Other additions" line of the Oregon individual return. Decreases to income go on the "Other subtractions" line of the Oregon individual return. Label the line "OPM" (Oregon Partnership Modifications).

Nonresident partners can choose to file an individual nonresident return or join together to file a multiple nonresident tax return using Form 40N and Schedule MNR. The Oregon individual income tax booklet lists filing requirements for partners' individual income tax returns. See page 2 for how to download or order tax forms and instructions.

Guaranteed payments

Guaranteed payments are treated as distributive shares of partnership income. For nonresident partners income attributable to Oregon sources is determined by applying the allocation and apportionment provisions to each nonresident's entire distributive share including guaranteed payments.

Oregon modifications to federal partnership income

Complete Schedule I (on the back of Form 65) to figure Oregon modifications to federal partnership income. Attach schedules if necessary to explain and compute the modifications.

Generally, each partner's share of modifications is figured by using the profit sharing percentage shown on that partner's federal Schedule K-1. Each partner's share of the Oregon modifications must be reported on the partner's Schedule K-1 or equivalent. Show separately any Oregon modification that could have a special tax effect on a partner's individual return. The modifications may be added to the federal Schedule K-1s and labeled "Oregon modifications."

Gain on voluntary and involuntary conversions. Oregon allows partnerships the election for their partners to defer the gain on voluntary and involuntary conversions the same as for federal purposes.

Partnerships must make the election for all consenting partners. Attach Form 24 to your Oregon Partnership Return, Form 65.

Depreciation differences (1981–1985 ACRS assets). If you did not make the election in 1996 to align your Oregon basis to your federal basis for assets placed in service between 1981–1985, you will need to report a depreciation difference each year on Form 65, Schedule I, line 3 or 10.

TriMet and Lane Transit District self-employment taxes

Self-employment earnings of taxpayers doing business or providing services within the TriMet and Lane Transit districts are subject to this tax. A partnership may elect to file and pay the transit district self-employment tax on behalf of all the individual partners. Use the partnership's net self-employment earnings (including partners' guaranteed payments) to figure the tax.

Any 2003 TriMet or Lane Transit District self-employment tax return (Form TM or Form LTD) filed by a calendar year partnership is due by April 15, 2004. Fiscal year partnerships must file Form TM or Form LTD by April 15 of the year following the calendar year in which the fiscal year ends.
