

Highlights
VA Grant and Per Diem Program
Providers Operational Call
June 11, 2007

Grant NOFA

Applications under the capital grant Notice of Fund Availability are due June 28, 2006.

2007 Awards

Awards for Special Needs, Technical Assistance, and Per Diem Only grants may be announced by the end of this month.

Web Site

The providers web page is accessible for all to view the latest announcements and most recent information pertaining to the program.

Per Diem Rate

The maximum amount VA can pay under per diem has been increased to \$31.30. Procedures and forms to request this increased rate is on the providers web page.

VA Medical Center Reimbursements

Many VA medical centers have modified procedures for providers to submit monthly billings. Providers should work with medical centers if billings have been delayed. This will be discussed on the liaison's conference call.

Notifications

Providers should ensure that the GPD office has the latest contact information (phone, fax, email) for their organizations. Important notices are transmitted by these means.

Next scheduled call will be July 9th 2007, 2:00 Eastern Time.
