RULE SUMMARY

The Oregon Department of Human Services, Public Health Division is proposing to amend rules related to the implementation of the Indoor Clean Air Act based on changes to the Act made by the 74th legislative assembly (Senate Bill 571; Oregon 2007 Laws Chapter 602, effective January 1, 2009). Amendments are necessary to correct errors in the original filing that was made on August 15, 2008.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
