

**Adjusted Gross Revenue-Lite (AGR-L)  
Underwriting Rules  
Insurance Plan Code 61**

Effective for 2003 and Succeeding Crop Years

1. This program is offered as a streamlined whole-farm adjusted gross revenue program. The basic producer qualifications are: (1) their farming operation must be primarily located in a Pennsylvania county (except Philadelphia), (2) at least 5 continuous years of tax records on IRS 1040F form or its equivalent must be available, and (3) an AGR-Lite liability of \$100,000 or less.
2. The AGR Lite program is limited to producers with an approved Adjusted Gross Revenue guarantee (policy liability) of \$100,000 or less. The table below is provided to reflect the maximum adjusted gross revenue limits at the various coverage choices:

**Adjusted gross revenue limits at various AGR-Lite choices:**

Coverage Level/payment Rate:	65/75	65/90	75/75	75/90	80/75	80/90
Approximate Maximum AGR:	\$205,128	\$170,940	\$177,778	\$148,148	\$166,667	\$138,889

3. Documents used in servicing an AGR-L policy are listed in the AGR Standards Handbook and the AGR-L handbook.
4. Premiums may be calculated using the premium calculation software available on the RMA website.
5. Agents do not have the authority to bind coverage under this policy. Coverage becomes effective as specified in the policy only upon written notice from the company. This written notice is contingent upon notification from FCIC that sufficient underwriting capacity is available.
