- (1) In 1999, the Cedar Watershed was combined with the Sammamish Watershed and Watershed Teams began to loan out time to Endangered Species Act (ESA) activities, resulting in lower e
In 2000, all watershed staff and activities were rolled into the ESA cost center. About 1/3 of their time was devoted to watershed activities, the rest to ESA.
In 2001, part of the ESA cost center was split off into Interlocal Agreements (ILA's.) Watershed and ESA activities are accounted for by WRIA and WRIA-ILA cost centers.
- (2) Watershed activities supported by King Conservation District revenues. Staff provided by other Watershed cost centers.
