You may submit comments by sending electronic mail to: *charla.sterne@fws.gov*.

Please submit electronic comments in an ASCII file format, and avoid the use of special characters and encryption. Identify all comments in electronic form by including "Aleutian shield fern 5-Year Review Comments" in the title line.

If you wish to provide information for this 5-year review, you may submit your comments and materials to the U.S. Fish and Wildlife Service's Alaska Regional Office (see **ADDRESSES** section). Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Respondents may request that we withhold a respondent's identity, as allowable by law. If you wish us to withhold your name or address, you must state this request prominently at the beginning of your comment. We will not, however, consider anonymous comments. To the extent consistent with applicable law, we will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety. Comments and materials received will be available for public inspection, by appointment, during normal business hours (see **ADDRESSES** section).

DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****Marine Mammal Annual Report Availability, Combined Calendar Years 1999 and 2000**

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, the U.S. Fish and Wildlife Service and the Biological Resources Discipline of the U.S. Geological Survey, have issued our combined Calendar Years 1999 and 2000 annual report on marine mammals

under the jurisdiction of the U.S. Department of the Interior, as required by section 103(f) of the Marine Mammal Protection Act of 1972. Our report covers the periods of January 1 to December 31, 1999, and January 1 to December 31, 2000. We submitted the report to Congress on September 7, 2004. By this notice, we are informing you, the public, that the report is available and that copies may be obtained on request to the U.S. Fish and Wildlife Service.

ADDRESSES: You should submit written requests for copies to: Publications Unit, U.S. Fish and Wildlife Service, National Conservation Training Center, Route 1, Box 166, Shepherd Grade Road, Shepherdstown, WV 25443. You may also contact that office by telephone at 1-800-344-WILD (9453).

FOR FURTHER INFORMATION CONTACT: Diane Bowen, Division of Habitat and Resource Conservation, U.S. Fish and Wildlife Service in Arlington, Virginia, at telephone 703-358-2161.

SUPPLEMENTARY INFORMATION: The U.S. Department of the Interior is responsible for eight species of marine mammals, as assigned by the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*). These species are polar bear, sea and marine otters, walrus, three species of manatee, and dugong. Administrative actions discussed in our report include appropriations, status reports, research activities, scientific research and public display permits, international activities, law enforcement actions, and outer continental shelf operations and environmental studies.

Dated: July 25, 2005.

Mamie Parker,

Assistant Director, Fisheries and Habitat Conservation.
