| Industrial Park District | C-M |
| Commercial Office District | C-O |
| Parks and Playgrounds District | P |
| Forestry-Recreation District | F-R |
| Watershed District | W |
| Airports | IF |

3.02 All lands not classified according to the aforementioned district classification on the official sectional area district maps are hereby designated as protected area and shall be considered as Unclassified Single-Family Residential (U-R). Uses permitted in R-6 (Residential Single-Family District), S-1 (Suburban Single-Family District) and A-1 (Agricultural Single-Family District) and subject to the regulations thereof are permissible in such areas.

3.03 The boundaries of said use districts shall be determined and defined from time to time by the adoption of sectional area district maps covering portions of King County, showing the geographical area and location of said sectional areas, each of which said sectional area district map may be adopted by the Board following the recommendation of the Planning Commission.

16426

- 3.04 Each sectional area district map showing the classifications and boundaries of use districts within it, after its final adoption in the manner required by law, shall be and become a part of this Resolution and said map and all notation, reference and other information shown thereon shall thereafter be as much a part of this Resolution as if all the matters and information set forth by said map were fully described herein.
- 3.05 When uncertainty exists as to the boundaries of any use districts shown on said sectional area district maps, the following rules shall apply:
- (a) Where such boundaries are indicated as approximately following street and alley lines or lot lines, such lines shall be construed to be such boundaries.
 - (b) In unsubdivided property and where a district boundary divides a lot, the location of such boundaries, unless the same are indicated by dimensions, shall be determined by use of the scale appearing on such sectional area district map.
 - (c) Where property abuts a lake, river or body of water, the zoning extends to the inner harbor line and in the areas where no harbor line has been defined, to a line which the Army Engineers would define as a line of navigability.
 - (d) In case any uncertainty exists, the Planning Commission shall recommend and the Board shall determine the location of boundaries.
 - (e) Where a public street or alley is officially vacated or abandoned, the regulations applicable to abutting property shall apply to such vacated or abandoned street or alley.
- 3.06 The boundaries of such use districts as are shown upon any sectional area district map adopted by this Resolution or amendments thereto, are hereby adopted and approved and the regulations of this Resolution governing the uses of land, buildings and structures, the height of buildings and structures, the size of yards about buildings and structures, and other matters as herein set forth are hereby established and declared to be in effect upon all land included within the boundaries of each and every use district shown upon each said sectional area district map.
- 3.07 EXCEPT AS HEREINAFTER PROVIDED:
- (a) No building or structure shall be erected and no existing building or structure shall be moved, altered, added to or enlarged, nor shall any land, building, structure or premises be used, designed or intended to be used for any purpose or in any manner other than a use listed in this Resolution or amendments thereto as permitted in the use district in which such land, building, structure or premises is located.

16426

- (b) No building or structure shall be erected nor shall any existing building or structure be moved, reconstructed or structurally altered to exceed in height the limit established by this Resolution or amendments thereto for the use district in which such building or structure is located.
- (c) No building or structure shall be erected, nor shall any building or structure be moved, altered, enlarged or rebuilt, nor shall any open spaces surrounding any building or structure be encroached upon or reduced in any manner, except in conformity with the building site requirements and the area and yard regulations established by this Resolution or amendments thereto for the use district in which such building or structure is located.
- (d) No yard or other open spaces provided about any building or structure for the purpose of complying with the regulations of this Resolution or amendments thereto shall be considered as providing a yard or open space for any other building or structure.
- (e) A detached garage may be erected within the rear yard setback.
