

Arizona National Forests

Annual Christmas Tree-cutting Tag program

MAJOR PROGRAM CHANGES 2008

1. There is no longer a mail-in application process; instead tags will be sold by vendors.
2. Vendor sales of tags will begin Friday, October 10, 2008 at locations below.
3. Tags now cost \$15.
4. Description of this year's tree-cutting areas and available tags on the following Arizona national forests (NF) with limited quantities of tags per area and store location:
 - Apache-Sitgreaves NF (2,100 tags): all tree species available in cutting areas.
 - Kaibab NF (1,000 tags): one cutting area available for piñon or juniper.
 - Prescott NF (450 tags): all tree species available in two recommended cutting areas.
 - Tonto NF (300 tags): one cutting area around Payson, either piñon or juniper.
