3. **Approval of Application.** Upon approval of an application, the NFA Branch will return the approved copy to the transferor for delivery with the firearm to the transferee. Since the approval of the application effectuates registration of the firearm to the transferee, the physical transfer of the firearm must be

completed immediately; however, the transferor must not transfer the firearm until the application has been approved and received. If the physical transfer of the firearm cannot be completed immediately, the transferor must contact the NFA Branch with the specifics.

4. **Withdrawal of Application.** The transferor may withdraw an application prior to approval subsequent to a written request.

6. **Disapproval of Application.** If the application is disapproved, the NFA Branch will note the reason for disapproval on the application and return one copy of the ATF Form 5 to the transferor.
7. **Reasons for Disapproval.** 26 U.S.C. § 5812 provides that applications shall be denied if the transfer, receipt, or possession of the firearm would place the transferee in violation of law.
 - a. **State or Local Law.** If State or local law prohibits the receipt or possession of the firearm being transferred, the application will be disapproved.
 - b. **Persons Prohibited from Receiving a Firearm.** The application will be disapproved if the transferee is a person prohibited from receiving a firearm by 18 U.S.C. § 922(g), which provides that it shall be unlawful for any person—

 - (C) (I) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (II) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury, or

Any inquiry relating to the status of an application to transfer an NFA firearm or about procedures in general should be directed to the NFA Branch at (202) 927-8330. Please be aware that any dissemination by ATF of information relating to the application to register an NFA firearm must conform with the restrictions in 26 U.S.C. § 6103. The opportunity provided in item 8 to authorize ATF to disclose information is intended to enable ATF to respond to inquiries by the transferee regarding the application. The failure to complete item 8 will be considered a declination of authorization to release the information.
 9. **Penalties.** Any person who violates or fails to comply with any of the requirements of the NFA shall, upon conviction, be fined not more than \$10,000 or be imprisoned for not more than 10 years, or both. Any firearm involved in a violation of the NFA shall be subject to seizure and forfeiture. It is unlawful for any person to make or cause the making of a false entry on any application or record required by the NFA knowing such entry to be false.
 10. **Compliance with the Gun Control Act.** All provisions of the GCA must also be complied with, including the recordkeeping requirements for licensees and the retention of ATF F 4473 (5300.9) by licensees for dispositions to non-licensees.
