Dear Mr. Secretary:

Pursuant to Rules X and XI of the Rules of the House of Representatives, the Committee on Energy and Commerce and the Subcommittee on Oversight and Investigations are conducting an investigation into allegations of fraud, waste, and abuse involving Inspector General Johnnie E. Frazier and other members of his staff. In the course of our investigation, we have also received allegations that one or more members of the Office of Inspector General may be involved in the destruction or alteration of records and files of the Office of Inspector General.

Accordingly, please immediately preserve all records of the Office of Inspector General related to travel, time and attendance, contracting, procurement, personnel matters, and compensation. No records related to this request shall be destroyed, modified, altered, deleted, shredded, removed, relocated, recycled, or otherwise negligently or intentionally handled so as to make them inaccessible to the Committee. Please note that if the practices of the Department involve the routine destruction, deletion, recycling, relocation, or mutation of such materials, such practices should be halted immediately and all records relating to this request preserved. The words "records" and "relating to" are defined in the attachment to this letter.

You should widely communicate this preservation notification to all employees and contractors in your Department. A specific document request will be forthcoming. In the interim, if you should have any questions, please contact us, or have your staff contact Steven Rangel with the Majority Committee staff at (202) 226-2424 or Alan Slobodin with the Minority Committee staff at (202) 225-3641.

Sincerely,
