

Dear Chairman Waxman,

Thank you for holding hearings considering Veterans' charities. The timing is excellent since some of the groups unfairly and perhaps unlawfully raise a great deal of money during the holiday season. We cannot do enough for America's deserving Veterans, and while many of the groups do a good job, a great many are parasites who take the money and keep all or most of it. I cannot imagine anyone, or any group, stooping so low to enrich themselves by exploiting Veterans' misery. The committee hearing will serve many useful purposes by exposing the down right fraud used by some and the good other groups do. The winner will be deserving Veterans and their families.

BOB DOLE
