Interview with Academy Review Boards

Once your application file is complete, you will be notified of your interview appointment, which will be scheduled in early –to mid- December. To select the best nominees from the Third Congressional District each year, I use Academy Review Boards to interview and nominate young

men and women to the Service Academies. These boards are comprised of local community members including: active duty, reserve and retired military officers; high school administrators and guidance counselors; and parents of Academy students and graduates.

The board members are volunteers who recommend the top candidates for nomination based on objective and competitive criteria. I rely on these boards to screen applicants and to recommend who would best represent the Third Congressional District of Louisiana at our nation's prestigious Service Academies.
