GEOLOGY

An Introduction to the Geology of DV

By Michael Collier

This geologic story captures the drama of the processes that constantly change the landscape, creatively weaving 140 years of mining history into 1 1/2 billion years of geologic history. Describes flash floods, earthquakes and more—a quality perspective.

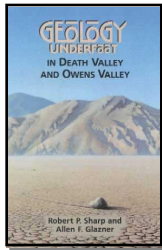

1241 • \$7.95 • Softbound • 60 pages • 7 1/2 x 8 1/2

Geology Underfoot In Death Valley And Owens Valley

By Robert P. Sharp & Allen F. Glazner

Written for the lay public, featuring 35 driving and walking tours each weaving the tale of a geologic feature in this land of extremes. Filled with maps, figures and illustrations.

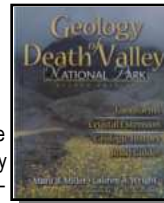

1143 • \$18.00 • Softbound • 321 pages • 6x9

Geology of Death Valley NP

By Marli B. Miller and Lauren A. Wright

Learn about the fascinating history of Death Valley—filled with photos, figures and 6 road tours, this comprehensive tool directs you to park areas where you can discover specific results of geologic activity.

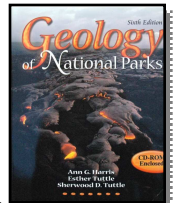

1828 • \$21.95 • Softbound • 123 pages • 8x10

Geology of National Parks

By Ann G. Harris, Esther Tuttle and Sherwood D. Tuttle

Amazing photos, illustrations and maps combine beauty and understanding of geologic features within entire park system. Terms and concepts defined and explained as introduced.

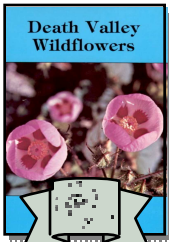

1988 • \$74.95 • Softbound • 882 pages • 8 1/2 x 10 1/2

WILDFLOWERS

Death Valley Wildflowers

By Roxana S. Ferris
Drawing by Jeanne R. Janish

A comprehensive companion, with illustrations of over 1,000 varieties and species endemic to Death Valley—including spring flowers and year-round shrubs and trees.

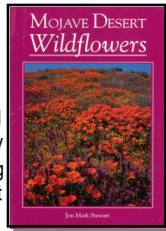

1303 • \$7.95 • Softbound • 150 pages • 6x9

Mojave Desert Wildflowers

By Jon Mark Ste wart

An excellent field guide that's very portable, featuring 195 of the most common desert wildflowers—a valuable reference and educational tool for backcountry explorers and roadside visitors alike.

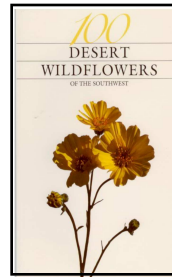

1120 • \$14.95 • Softbound • 210 pages • 5 x 7 1/2

100 Desert Wildflowers of the Southwest

By Janice Emily Bowers

This descriptive wildflower guide makes it easy to discover and learn about our desert jewels—each bloom and plant displayed in beautiful full color photographs.

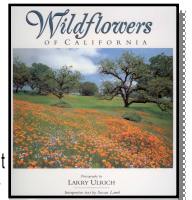

1301 • \$9.95 • Softbound • 62 pages • 6x9

Wildflowers of California

Photos by Larry Ulrich
Interpretive text by Susan Lamb

This is a perfect complement as your trip continues—Larry and Susan have captured the delicate beauty of life in its myriad forms and colors. You may even hear the wildflower photos speak to you in Nature's most eloquent voice.

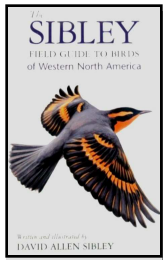

1315 • \$19.95 • Softbound • 136 pages • 10x9 1/2

WILDLIFE

Sibley Field Guide to Birds of Western North America

Written and illustrated by David Allen Sibley

This portable guide is the new standard of excellence in bird identification, with more than 810 birds in amazing detail—an indispensable resource for all birders.

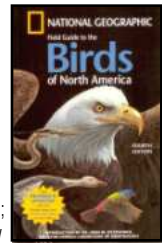

1008 • \$19.95 • Softbound • 471 pages • 4 1/4 x 7 1/4

Field Guide to Birds of North America

By National Geographic, 4th Edition

A colorfully illustrated catalogue of over 800 species, including extensive index; organized into family groups, including scientific name, plumage, and field marks for easy and accurate identification.

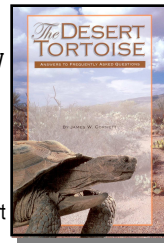

1501 • \$21.95 • Softbound • 464 pages • 5x8

The Desert Tortoise Answers to Frequently Asked Questions

By James W. Cornett

This informative FAQ features one of the most fascinating and celebrated desert animals. It will help you understand why this protected species is on the decline and how you can ensure its survival.

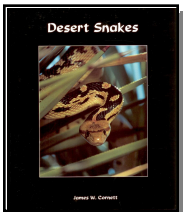

1089 • \$7.95 • Softbound • 32 pages • 6x9

Desert Snakes

By James W. Cornett

This cold-blooded desert creature is curiously categorized as "harmless" and "dangerous." It is abundantly and diversely represented attributable to the variety of landscapes as well as remarkable adaptability to our hot desert region.

1658 • \$12.95 • Softbound • 72 pages • 7 1/2 x 9

Guidebooks

Traveler's Guide to Death Valley NP

By Cliff Lawson

This popular guide is an introduction to the main park attractions, providing an overview for first-time explorers. It has many beautiful pictures taken by the author, as well as area maps. Includes park amenities, park map, travel and safety tips, directory of services as well as an index. Also makes a great gift!

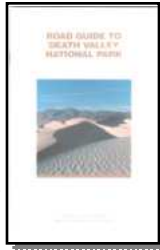

1165 • \$8.95 • Softbound • 41 pages • 10x7

Road Guide to Death Valley NP

By Barbara & Robert Decker

A guide designed for a two-day driving tour of the major park sights. Includes hiking trails and scenic dirt roads. Describes geology, climate, plants, wildlife and pioneer history.

Research Anthologies

Death Valley in '49

William Lewis Manly
Edited by Leroy & Jean Johnson

A harrowing account of Manly's "short-cut" to the California gold fields; introduced by noted historian Patricia Nelson Limerick, edited and extensively annotated by the Johnsons, a compelling narrative and a joy to read.

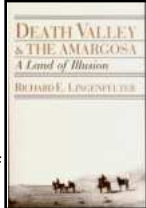

1103 • \$18.95 • Softbound • 379 pages • 6x9

Death Valley & the Amargosa

A Land of Illusion
By Richard E. Lingenfelter

Spanning a century up to 1933, a story of metals, mountains, Indians, prospectors and tourists—but mostly the story of the illusions of a shortcut to the gold diggings that lured so many. Includes maps, illustrations and index.

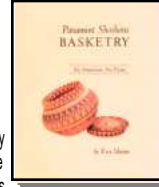

1101 • \$29.95 • Softbound • 664 pages • 6x9

Panamint Shoshone Basketry

An American Art Form
By Eva Slater

Focuses on 9 early basketmakers whose work displays this significant art form. Filled with historic photographs, background and area map. Includes a glimpse of the harsh environment, colorful patrons and rich cultural heritage of our nation.

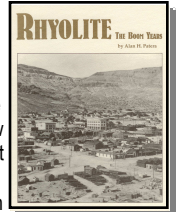

1655 • \$25.00 • Softbound • 139 pages • 8x10 1/2

Rhyolite

The Boom Years
By Alan H. Patera

Chronicles Rhyolite and Bullfrog—how they grew, and what they were like during the boom years leading up to 1907. Filled with historic photos, diagrams and maps, featuring the buildings whose ruins still grace the area.

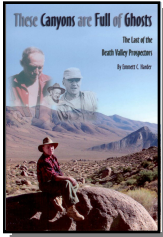

1254 • \$10.00 • Softbound • 60 pages • 8 1/2 x 11

Personalities

These Canyons are Full of Ghosts

The Last of the Death Valley Prospectors
By Emmett C. Harder

A "personal recollection" of an era—pre-1900 to present—including maps and photos. "As a treasure hunter, in retrospect, the greatest surprise for me has been ... the people and their stories."

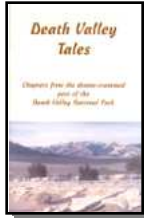

1827 • \$15.95 • Softbound • 224 pages • 6x9

Death Valley Tales

Chapters from the drama-crammed past of DVNP
Death Valley 49ers

Ten stories that span the history of the Death Valley region from 1949 to the 1970s. Reveals the hardships, valor and humor that enrich the mystique of this colorful desert area. Includes update from 1955, providing new info authenticating stories.

1125 • \$8.00 • Softbound • 71 pages • 5 1/2 x 8 1/2

DV Scotty by Mabel

By Bessie M. Johnson
Artist—Alan Austin

Wife of Albert Johnson, "Mabel's" personal manuscript records a modern frontier experience with Death Valley Scotty. This "Desert Mouse" has left historians a treasured resource revealing the importance of the West in modern American life. Has 9 beautiful illustrations.

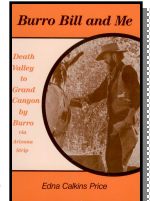

1108 • \$7.95 • Softbound • 50 pages • 5 1/2 x 8 1/2

Burro Bill and Me

By Edna Calkins Price

A jewel of Western American—an absorbing story written in simple, lucid prose, full of colorful characterizations reflecting the author's wholesome gaiety. Vividly presents the contrast of a sedate background and the harsh way of desert life during this couple's 10 year stint during the 1930's.

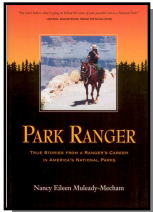

1106 • \$9.95 • Softbound • 279 pages • 5 1/2 x 8 1/2

Park Issues

Park Ranger

By Nancy Muleady-Mecham

A fascinating real-life account of adventures as a modern-day professional National Park Ranger, this author enforces law, and is a registered nurse. Nineteen stories are pulled from a variety of parks and circumstances to show just how very involved the "Service" can be.

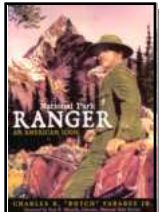

1166 • \$14.95 • Softbound • 244 pages • 5 1/2 x 8

National Park Ranger An American Icon

By "Butch" Farabee, Jr.

Reviewing the evolution of this national symbol, this former ranger packs anecdotes and over 100 archival photos—plus fascinating insight into the diversity of ranger roles while honoring the unique people dedicated to protecting and preserving.

1646 • \$18.95 • Softbound • 180 pages • 7x10

Death, Daring and Disaster

By "Butch" Farabee, Jr.

Featuring 375 exciting tales of heroism and tragedy—drawn from the nearly 150,000 search and rescue missions carried out by the NPS since Yellowstone was established as the first national park in 1872.

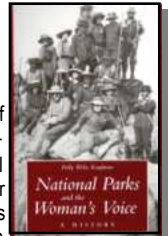

1170 • \$22.95 • Softbound • 502 pages • 6 1/2 x 9 1/2

National Parks and the Woman's Voice

By Polly Weitz Kauftman

The untold story of women's contributions to national parks—often in their own words. Shows the role of women who helped shape the park system we know today. Includes women's history sites in national parks.

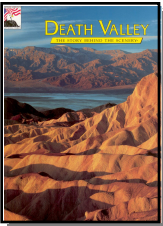

1182 • \$19.95 • Softbound • 312 pages • 6x9

General

Death Valley The Story Behind the Scenery

By Bill Clark

Written by a retired park ranger and updated many times since 1972, it tells the story of this often maligned desert, revealing in intimate detail its true essence—through beautiful photos and facts of its land and inhabitants.

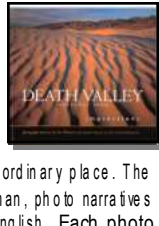

1708 • \$9.95 • Softbound • 48 pages • 9x11

Death Valley National Park Impressions

Photographs & Text
by Eric Wunrow

A beautiful photo-journal of one man's discovery of this extraordinary place. The introduction is in German, photo narratives in both German and English. Each photo captures part of the 3.3 million acre expanse—including recordings of its unique "natural" events.

1218 • \$9.95 • Softbound • 80 pages • 9x8

Death Valley Splendid Desolation

By Stewart Aitchison

The author's heartfelt essay reveals this desolate land of sand dunes, salt flats and sun-struck mountains and valleys in breathtaking, timeless imagery—richly illustrated by America's leading landscape photographers.

Our Mission

Death Valley Natural History Association is a non-profit educational organization dedicated to the preservation and interpretation of the natural and human history of Death Valley National Park. The Association makes interpretive material available to park visitors and the general public. Proceeds from Association sales are used to produce new educational publications and to aid National Park Service programs.
