

Free Third Saturday Event NASA Glenn Visitor Center

In Partnership With
The LENCSC Schuele Planetarium & Cuyahoga Astronomical Association

Star Gazing September 20, 2008 10 a.m. to 11 p.m.

See spectacular views of the night sky and learn about our place in the solar system during our 5th annual astronomy extravaganza.

Space is limited, so arrive early to get your seats!

- 11 a.m. - Twinkle Tots: Toddler program with laser light dancing and magic!
- 12 p.m. - Reach for the Stars: Making astronomy accessible to young people.
- 1 p.m. - Solar Weather: Learn about sunspots, solar flares and their effects on Earth.
- 2 p.m. - Solar System Musical: Enjoy a musical rendition of solar system exploration.
- 3 p.m. - Return to the Moon: Find out how and why we're going back to the moon!
- 4 p.m. - Comet Making: Science creates a comet right before your eyes!
- 5 p.m. - The ABC's of Star Gazing: Get the latest tips to use your telescope effectively.
- 6 p.m. - The Great Planet Debate: Discover what it takes to be classified a planet.
- 7 p.m. - Jupiter, King of the Planets: Learn about the latest discoveries of this gas giant.
- 8 p.m. - The New Universe: Discover how our knowledge of the universe has expanded!
- 12 - 7 p.m. - Starlab Dome: Enjoy the night sky sights indoors. Limited tickets available.

Solar and night telescope viewing, *weather permitting!*

**Free kids' crafts and activities, Eva the inflatable astronaut,
"Picture Yourself in Space" digital photographs and much, much more.**

- Access to the NASA Glenn Visitor Center is limited to U.S. Citizens.
- All adult visitors are required to present government-issued photo identification.

Free admission always!
