

Free Third Saturday Event NASA Glenn Visitor Center Astronaut Encounter

Saturday, July 19, 2008
9 a.m. to 4 p.m.

Since the early days of the Space Age, fewer than 500 men and women of different backgrounds have had the special opportunity to experience spaceflight and the exhilaration of living and working in space. Discover first-hand what it takes to join this exclusive club, what it's like to ride aboard a spacecraft and the thrill of being in space from NASA astronaut Lee Morin.

Mr. Morin will discuss his experience as a mission specialist during space shuttle Discovery mission STS-110 at 10:00 a.m. and 2:00 p.m.

See Web site for details.

- Advanced registration guarantees admission to presentations. Call (216) 433-9653 to register.
- Access to the NASA Glenn Visitor Center is limited to U.S. citizens.
- All adult visitors are required to present government-issued photo identification.

Free admission always!
