

**AMENDMENT TO H.R. 5959, AS REPORTED
OFFERED BY MS. HARMAN OF CALIFORNIA**

At the end of subtitle A of title III, add the following new section:

1 **SEC. 310. SENSE OF CONGRESS REGARDING THE NEED FOR**
2 **A ROBUST WORKFORCE.**

3 It is the sense of Congress that—

4 (1) a robust and highly skilled aerospace indus-
5 try workforce is critical to the success of intelligence
6 community programs and operations;

7 (2) voluntary attrition, the retirement of many
8 senior workers, and difficulties in recruiting could
9 leave the intelligence community without access to
10 the intellectual capital and technical capabilities nec-
11 essary to identify and respond to potential threats;
12 and

13 (3) the Director of National Intelligence should
14 work cooperatively with other agencies of the Fed-
15 eral Government responsible for programs related to
16 space and the aerospace industry to develop and im-
17 plement policies, including those with an emphasis
18 on improving science, technology, engineering, and
19 mathematics education at all levels, to sustain and

1 expand the diverse workforce available to the intel-
2 ligence community.
