

Attachment 1

EPA documents, Bate stamped EPA - 001575 through 001597. EPA - 001579, 001583, 001587, and 001592, identified as blank page separators, were not produced. The EPA also failed to produce EPA - 001588 through 001591, which appear from their description in the Vaughn index to possibly include yet another redacted version of the Knutson-Moss e-mail.

Jacob - another one -
On the insert you wanted for p. 16 - Andrew has concerns about this
paragraph - it is emphasizing environmentally difficult issues about
expediting permitting to deal with a crisis.
Also - we are desperately trying to avoid California in this report as much
as possible. Can you make your same point without going into California so
