

Strategies for U.S. Businesses in Europe

Breakfast Seminar

October 2, 2008

8:15 AM - 9:45 AM

Rai Café Amsterdam

The United States Department of Commerce (USDOC) Global Environmental Team is organizing a **breakfast seminar for U.S. exhibitors and visitors** at Aquatech Amsterdam to educate U.S. companies on how to improve doing business in Europe.

Take advantage of your time at Aquatech Amsterdam to network with other U.S. companies and learn more about the European business infrastructure and services at this Seminar.

The Seminar will cover topics including European logistics, EU environmental legislation, transportation, shipping and courier services, audit, assurance and tax services, banking and more.
