Office, AVN-100

A correction is required to FAA Order 8260.44A, Civil Utilization of Area Navigation (RNAV) Departure Procedures. The segment construction guidance in paragraph 12.3.5b and the associated Figure 21 have been revised. Until a formal change to the order is published, use the attached guidance. This TIL expires with the publication of Change 1 to Order 8260.44A.

If you have any questions, please contact Chuck Everest at extension 4-5811.
