

3/31/62 invites.

But we were in Japan end - April.

A Dazzling Nobel Dinner

Scientists,
Writers at
White House

Washington

President Kennedy told his guests at a dinner for Nobel Prize winners last night that he considered this "the most extraordinary collection of talent, of human knowledge that has ever been gathered together at the White House."

Then he added with a gay touch of humor, "with the possible exception of when Thomas Jefferson dined alone."

*The President and Mrs. Kennedy
