DOH CITES HONOLULU RESOURCE RECOVERY VENTURE FOR AIR PERMIT VIOLATIONS AT ITS HANUA STREET FACILITY

The Hawaii State Department of Health Clean Air Branch, has issued a Notice of Violation (Docket No. 05-CA-EO-12) to Honolulu Resource Recovery Venture (HRRV), for violating its permit by exceeding its dioxin/furan and lead emission limits.

HRRV operates two municipal waste combustors at 91-174 Hanua Street, Campbell Industrial Park, Oahu. Stack performance tests conducted in June and August, 2005 revealed the failure of HRRV to comply with the conditions of the air permit. Accordingly, a penalty of \$6,200 has been assessed to HRRV.

HRRV has twenty days to contest the order; and if it does so, the case will be scheduled for a hearing.
