

HURRICANE

RECOVERY COACH

Some of the most comprehensive and valuable workforce and life management information that you may need are at your fingertips on www.Hurricane-Coach.org!

The *Hurricane Recovery Coach* is an innovative online tutorial developed by the United States Department of Labor for workers, businesses, and reintegration counselors/workforce staff impacted by the recent hurricanes. The Hurricane Recovery Coach identifies common employment and recovery issues facing evacuees and others who have been affected by the hurricanes and provides step-by-step instructions to help users find resources to related information. The following is a list of topics for each audience group.

Job Seeker

- Search for Jobs
- Find a One-Stop Career Center
- Find Unemployment and other Benefits
- Specialized Services
- Use Career Resource Library
- Career Tools

Business

- Post a Job Opening
- Search Resumes
- Prepare for an Interview
- Find a local One-Stop Career Center near an evacuation center
- Testing and Assessment.

Reintegration Counselor/Workforce Staff/Volunteers

- Career and Job Resources
- Social Services
- Serving Different Groups
- Other Resources and Links
- Find Tools to assist Workforce Professionals

One-Stop Career Center and other Resources

If you are looking for job or business related resources, the following resources are available:

- Hurricane Recovery Jobs Connection Site to search for jobs or post job openings.
- Information on One-Stop Career Center locations and hours in the hurricane affected areas.
- Information on One-Stop Career Centers anywhere in the U.S.

The Hurricane Recovery Coach will be updated regularly so plan to visit www.Hurricane-Coach.org often.
