Emergency Preparedness Workshop

On August 13, 2008 from 8:30 am to 4:30 pm the Oregon Department of Human Services will be conducting another Vulnerable Populations Emergency Preparedness Regional One-Day Stakeholders workshop for Washington, Multnomah and Clackamas counties in Portland. There is no cost for the workshop and lunch will be provided.

The workshop will provide a representative from your facility the opportunity to learn about local emergency management resources, to connect to your county's planning initiative for disaster preparedness and to get some direction on starting an emergency plan for your facility.

If you have someone who would like to attend please email Fiona Tilgner at fiona.tilgner@state.or.us and identify the name of your facility and provide Fiona with their name and e-mail address.

The participant will receive an invitation by e-mail and an agenda that describes the specific logistics of the workshop.

If you should have any questions, please contact Bill Riley at 971-673-1307 or email at bill.riley@state.or.us.
