RULE SUMMARY

Where there are severe shortages of licensed personnel and requirements for Direct Supervision of Speech-Language Pathology Assistants by licensed Speech-Language Pathologists cannot reasonably be met, this rule provides a mechanism for educational facilities (School Districts or Educational Service Districts) to apply for a one year exemption from required Direct Supervision as defined in OAR 335-095-0010. Specifically, during the exemption period granted by the Board, an educational facility may:

- (a) Use the review and evaluation of audio- or video-taped records or live audio- or video-conferencing of clinical interactions, or a combination thereof, to provide a portion of the required Direct Supervision hours, up to a maximum of 75% of the required Direct Supervision hours.
- (b) Allow a licensed Speech-Language Pathologist to supervise up to four full-time equivalent certified Speech-Language Pathology Assistants.

Any exemption granted under this rule will expire on July 31st of the year in which it is granted. An exemption shall only be granted for a maximum of two years out of each consecutive five year period.
