Introduction

Maxicare Louisiana, Inc.
1515 Poydras Street, Suite 1130
New Orleans, Louisiana 70112

This brochure describes the benefits you can receive from Maxicare Louisiana, Inc. under its contract (CS2050) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits (FEHB) law. This brochure is the official statement of benefits on which you can rely. A person enrolled in this Plan is entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits.

OPM negotiates benefits and premiums with each plan annually. Benefit changes are effective January 1, 2000, and are shown on page 4. Premiums are listed at the end of this brochure.

Plain language

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. Health plan representatives and Office of Personnel Management staff have worked cooperatively to make portions of this brochure clearer. In it you will find common, everyday words, except for necessary technical terms; "you" and other personal pronouns; active voice; and short sentences.

We refer to Maxicare Louisiana, Inc. as "this Plan" throughout this brochure even though in other legal documents, you will see a plan referred to as a carrier.

These changes do not affect the benefits or services we provide. We have rewritten this brochure only to make it more understandable.

We have not re-written the Benefits section of this brochure. You will find new benefits language next year.

How to use this brochure

This brochure has eight sections. Each section has important information you should read. If you want to compare this Plan's benefits with benefits from other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

1. **Health Maintenance Organizations (HMO).** This Plan is an HMO. Turn to this section for a brief description of HMOs and how they work.
2. **How we change for 2000.** If you are a current member and want to see how we have changed, read this section.
3. **How to get benefits.** Make sure you read this section; it tells you how to get services and how we operate.
4. **What to do if we deny your claim or request for service.** This section tells you what to do if you disagree with our decision not to pay for your claim or to deny your request for a service.
5. **Benefits.** Look here to see the benefits we will provide as well as specific exclusions and limitations. You will also find information about non-FEHB benefits.
6. **General exclusions – Things we don't cover.** Look here to see benefits that we will not provide.
7. **Limitations – Rules that affect your benefits.** This section describes limits that can affect your benefits.
8. **FEHB facts.** Read this for information about the Federal Employees Health Benefits (FEHB) Program.

Section 1. Health Maintenance Organizations

Health maintenance organizations (HMOs) are health plans that require you to see Plan providers: specific physicians, hospitals and other providers that contract with us. These providers coordinate your health care services. The care you receive includes preventative care such as routine office visits, physical exams, well-baby care and immunizations, as well as treatment for illness and injury.

When you receive services from our providers, you will not have to submit claim forms or pay bills. However, you must pay copayments and coinsurance listed in this brochure. When you receive emergency services or point-of-service benefits (POS) you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us. Our providers follow generally accepted medical practice when prescribing any course of treatment.

Section 2. How we change for 2000

Program-wide changes

To keep your premium as low as possible OPM has set a minimum copay of \$10 for all primary care office visits.

This year, you have a right to more information about this Plan, care management, our networks, facilities, and providers.

If you have a chronic or disabling condition, and your provider leaves the Plan at our request, you may continue to see your specialist for up to 90 days. If your provider leaves the Plan and you are in the second or third trimester of pregnancy, you may be able to continue seeing your OB/GYN until the end of your postpartum care. You have similar rights if this Plan leaves the FEHB program.

You may review and obtain copies of your medical records on request. If you want copies of your medical records, ask your health care provider for them. You may ask that a physician amend a record that is not accurate, not relevant or incomplete. If the physician does not amend your record, you may add a brief statement to it. If they do not provide your records, call us and we will assist you.

If you are over age 50, all FEHB plans will cover a screening sigmoidoscopy every five years. This screening is for colorectal cancer.

Changes to this Plan

Cervical caps are now covered at a \$5 copay (fitting only). See page 10.

Primary Care office visits now require a \$10 copay. See page 9.

Short-term rehabilitative therapy now requires a \$10 copay. See page 11.

Cardiac rehabilitation now requires a \$10 copay. See page 11.

Vision office visits now require a \$10 copay. See page 15.

Your share of the premium will increase by 8.6% for Self Only or 8.4% for Self and Family.

Section 3. How to get benefits

What is this Plan's service area?

To enroll with us, you must live or work in our service area. This is where our providers practice. Our service area is:

The Louisiana Parishes of: Ascension, Jefferson, Livingston, Orleans, Plaquemines, St. Bernard, St. Charles, St. John the Baptist, St. Tammany, Tangipahoa, East Baton Rouge and West Baton Rouge.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care or point-of-service benefits. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

How much do I pay for services?

You must share the cost of some services. This is called either a copayment (a set dollar amount) or coinsurance (a set percentage of charges). Please remember you must pay this amount when you receive services, except for emergency services.

After you pay \$1,500 in copayments or coinsurance for self only, or \$3,000 for self and family enrollments, you do not have to make any further payments for certain services for the rest of the year. This is called a catastrophic limit. However, copayments or coinsurance for your prescription drugs and non-FEHB benefits (see page 17) do not count toward these limits and you must continue to make these payments.

If you choose to use the POS benefits, the out-of-pocket expenses include a calendar year deductible of \$200 for Self Only and \$600 for Self and Family (with a \$200 deductible per family member). Maxicare then pays 80% of reasonable and customary charges up to a \$1 million per member, per life-time per POS claims.

Be sure to keep accurate records of your copayments and coinsurance, since you are responsible for informing us when you reach the limits.

Do I have to submit claims?

You normally won't have to submit claims to us unless you receive emergency services from a provider who doesn't contract with us or you use point-of-service benefits. If you file a claim, please send us all of the documents for your claim as soon as possible. You must submit claims by December 31 of the year after the year you received the service. Either OPM or we can extend this deadline if you show that circumstances beyond your control prevented you from filing on time.

Who provides my health care?

CHOICE OF PROVIDERS

Maxicare is pleased to offer you a choice of physician providers from whom you will receive your care. In our physician handbook is a list of the providers from which you can choose. Maxicare offers two types of delivery system:

HOSPITAL-BASED PHYSICIAN NETWORKS

There is an alternative delivery system to provide care to Maxicare members. Physician networks or individual practice associations (IPA) are doctors practicing in their own private offices. All the doctors have associated themselves with one specific hospital which is listed under the name of the IPA. This hospital will be the location where the majority of your hospitalizations will take place.

In this type of system, you first choose the IPA you wish and then you select a primary doctor from the list that is most appropriate for you and each of your family members. Each member of the family will have the choice of his/her own personal doctor within the physician network (IPA).

The primary care doctors will refer you to specialists who participate in the physician network. The specialists' offices will be located in the community and these specialists are also on staff at the associated hospital.

Section 3. How to get benefits (continued)

Who provides my health care? (continued)

MEDICAL GROUP PRACTICES

When you choose a medical group as your provider, you will receive the majority of your care at the medical group location. You will have the opportunity to choose your medical group doctor from their primary care doctors at the group. The majority of the care you will receive will be in one location. In most cases this will include specialty care, lab and X-ray work.

In the Plan's physician handbook is a description of how a medical group works, how you should indicate your preference on your provider selection card, and what medical group locations are available. Also, in the handbook is a description of how an IPA works, how to indicate your selection on the provider selection card and what IPAs are available.

If you have any questions regarding choosing a doctor, please call our Member Services Department at 1-800/933-6294 or 1-504/523-7080.

The first and most important decision each member must make is the selection of a primary care doctor. The decision is important since it is through this doctor that all other health services, particularly those of specialists, are obtained. It is the responsibility of your primary care doctor to obtain any necessary authorizations from the Plan before referring you to a specialist or making arrangements for hospitalization. Services of other providers are covered only when there has been a referral by the member's primary care doctor, with the following exceptions: a qualified clinical psychologist, clinical social worker, optometrist and a woman may see her physician network gynecologist for her annual routine examination without a referral.

The Plan's provider directory lists primary care doctors (generally family practitioners, pediatricians, and internists) with their locations and phone numbers, and notes whether or not the doctor is accepting new patients. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling the Member Services Department at 1-800/933-6294 or 1-504/523-7080; you can also find out if your doctor participates with this Plan by calling this number. If you are interested in receiving care from a specific provider who is listed in the directory, call the provider to verify that he or she still participates with the Plan and is accepting new patients. Important note: When you enroll in this Plan, services (except for emergency benefits) are provided through the Plan's delivery system; the continued availability and/or participation of any one doctor, hospital, or other provider, cannot be guaranteed.

If you enroll, you will be asked to let the Plan know which primary care doctor(s) you've selected for you and each member of your family by sending a selection form to the Plan. If you need help choosing a doctor, call the Plan. Members may change their doctor selection by notifying the Plan 30 days in advance.

If you are receiving services from a doctor who leaves the Plan, the Plan will pay for covered services until the Plan can arrange with you for you to be seen by another participating doctor.

What do I do if my primary care physician leaves the Plan?

Call us. We will help you select a new one.

What do I do if I need to go to the hospital?

Talk to your Plan physician. If you need to be hospitalized, your primary care physician or specialist will make the necessary hospital arrangements and supervise your care.

Section 3. How to get benefits (continued)

What do I do if I'm in the hospital when I join this Plan?

First, call our customer service department at 1-800/933-6294 or 1-504/523-7080. If you are new to the FEHB Program, we will arrange for you to receive care. If you are currently in the FEHB Program and are switching to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center, or
- The day your benefits from your former plan run out, or
- The 92nd day after you became a member of this Plan; whichever happens first.

These provisions only apply to the person who is hospitalized.

How do I get specialty care?

Your primary care physician will arrange your referral to a specialist.

If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan.

What do I do if I am seeing a specialist when I enroll?

Your primary care physician will decide what treatment you need. If they decide to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.

What do I do if my specialist leaves the Plan?

Call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.

But, what if I have a serious illness and my provider leaves the Plan or this Plan leaves the Program?

Please contact us if you believe your condition is chronic or disabling. You may be able to continue seeing your provider for up to 90 days after we notify you that we are terminating our contract with the provider (unless the termination is for cause). If you are in the second or third trimester of pregnancy, you may continue to see your OB/GYN until the end of your postpartum care.

You may also be able to continue seeing your provider if your plan drops out of the FEHB Program and you enroll in a new FEHB plan. Contact the new plan and explain that you have a serious or chronic condition, or are in your second or third trimester. Your new plan will pay for or provide your care for up to 90 days after you receive notice that your prior plan is leaving the FEHB Program. If you are in your second or third trimester, your new plan will pay for the OB/GYN care you receive from your current provider until the end of your postpartum care.

How do you authorize medical services?

Your physician must get our approval before sending you to a hospital, referring you to a specialist, or recommending follow-up care. Before giving approval, we consider if the service is medically necessary, and if it follows generally accepted medical practice.

How do you decide if a service is experimental or investigational?

Maxicare generally accepts as non-experimental/investigational those medical, surgical and other health care procedures which have been designated as non-experimental non-investigational by the appropriately recognized governmental, medical or professional organizations within the United States and which have been generally accepted in the medical community as being safe and effective for use in the treatment of the condition in question. In the case of prescription drugs, a drug will be considered experimental if it has not been approved by the Food and Drug Administration (FDA) or if the FDA has not approved the drug for the specific route of administration, dosage and except as otherwise required by law in cases of treatment for a life-threatening condition.

Section 4. What to do if we deny your claim or request for service

If we deny services or won't pay your claim, you may ask us to reconsider our decision. Your request must:

1. Be in writing,
2. Refer to specific brochure wording explaining why you believe our decision is wrong; and
3. Be made within six months from the date of our initial denial or refusal. We may extend this time limit if you show that you were unable to make a timely request due to reasons beyond your control.

We have 30 days from the date we receive your reconsideration request to:

1. Maintain our denial in writing;
2. Pay the claim;
3. Arrange for a health care provider to give you the service; or
4. Ask for more information

If we ask your medical provider for more information, we will send you a copy of our request. We must make a decision within 30 days after we receive the additional information. If we do not receive the requested information within 60 days, we will make our decision based on the information we already have.

When may I ask OPM to review a denial?

You may ask OPM to review the denial after you ask us to reconsider our initial denial or refusal. OPM will determine if we correctly applied the terms of our contract when we denied your claim or request for service.

What if I have a serious or life threatening condition and you haven't responded to my request for service?

Call us 1-800/933-6294 and we will expedite our review.

What if you have denied my request for care and my condition is serious or life threatening?

If we expedite your review due to a serious medical condition and deny your claim, we will inform OPM so that they can give your claim expedited treatment too. Alternatively, you can call OPM's health benefits Contract Division III at 1-202/606-0755 between 8 a.m. and 5 p.m. Serious or life-threatening conditions are ones that may cause permanent loss of bodily functions or death if they are not treated as soon as possible.

Are there other time limits?

You must write to OPM and ask them to review our decision within 90 days after we uphold our initial denial or refusal of service. You may also ask OPM to review your claim if:

1. We do not answer your request within 30 days. In this case, OPM must receive your request within 120 days of the date you asked us to reconsider your claim.
2. You provided us with additional information we asked for, and we did not answer within 30 days. In this case, OPM must receive your request within 120 days of the date we asked you for additional information.

Section 4. What to do if we deny your claim or request for service (continued)

What do I send to OPM?

Your request must be complete, or OPM will return it to you. You must send the following information:

1. A statement about why you believe our decision is wrong, based on specific benefit provisions in this brochure;
2. Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
3. Copies of all letters you sent us about the claim;
4. Copies of all letters we sent you about the claim; and
5. Your daytime phone number and the best time to call.

If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Who can make the request?

Those who have a legal right to file a disputed claim with OPM are:

1. Anyone enrolled in the Plan;
2. The estate of a person once enrolled in the Plan; and
3. Medical providers, legal counsel, and other interested parties who are acting as the enrolled person's representative. They must send a copy of the person's specific written consent with the review request.

Where should I mail my disputed claim to OPM?

Send your request to: Office of Personnel Management, Office of Insurance Programs, Contract Division III, P.O. Box 436, Washington, D.C. 20044.

What if OPM upholds the Plan's denial?

OPM's decision is final. There are no other administrative appeals. If OPM agrees with our decision, your only recourse is to sue.

If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services or supplies.

What laws apply if I file a lawsuit?

Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM made its decision on your claim. You may recover only the amount of benefits in dispute.

You (or a person acting on your behalf) may not sue to recover benefits on a claim for treatment, services, supplies, or drugs covered by us until you have completed the OPM review procedure described above.

Your records and the Privacy Act

Chapter 89 of title 5, United States Code allows OPM to use the information it collects from you and us to determine if our denial of your claim is correct. The information OPM collects during the review process becomes a permanent part of your disputed claims file, and is subject to the provisions of the Freedom of Information Act and the Privacy Act. OPM may disclose this information to support the disputed claim decision. If you file a lawsuit, this information will become part of the court record.

Section 5. Benefits – Medical and Surgical

What is covered

A comprehensive range of preventive, diagnostic and treatment services is provided by Plan doctors and other Plan providers. This includes all necessary office visits; **you pay** a \$10 copay per office visit. **You pay** a \$2 copay per visit for laboratory tests and X-rays. Within the service area, house calls will be provided if, in the judgment of the Plan doctor, such care is necessary and appropriate; **you pay** a \$10 copay for a doctor's visit and nothing for visits by nurses and health aides. Urgent care visits after regular appointment hours, **you pay** a \$25 copay per visit.

Section 5. Benefits – Medical and Surgical (continued)

What is covered (continued)

The following services are included and are subject to the office visit copay unless stated otherwise:

- Preventive care, including well-baby care and periodic check-ups
- Mammograms are covered as follows: for women age 35 through age 39, one mammogram during these five years; for women age 40 through 49, one mammogram every one or two years; for women age 50 through 64, one mammogram every year; and for women age 65 and above, one mammogram every two years. In addition to routine screening, mammograms are covered when prescribed by the doctor as medically necessary to diagnose or treat your illness.
- Routine immunizations and boosters (excluding those required for foreign travel only)
- Therapeutic injections; **you pay** 50% of charges
- Consultations by specialists
- Diagnostic procedures, such as laboratory tests and X-rays
- Complete obstetrical (maternity) care for all covered females, including prenatal, delivery and postnatal care by a Plan doctor. The mother, at her option, may remain in the hospital up to 48 hours after a regular delivery and 96 hours after a cesarean delivery. Inpatient stays will be extended if medically necessary. If enrollment in the Plan is terminated during pregnancy, benefits will not be provided after coverage under the Plan has ended. Ordinary nursery care of the newborn child during the covered portion of the mother's hospital confinement for maternity will be covered under either a Self Only or Self and Family enrollment; other care of an infant who requires definitive treatment will be covered only if the infant is covered under a Self and Family enrollment.
- Voluntary family planning services; **you pay** a \$5 copay for diaphragms (fitting only); a \$5 copay for cervical caps (fitting only); a \$100 copay for a vasectomy, and a \$200 copay for a tubal ligation.
- Hearing tests
- Diagnosis and treatment of diseases of the eye
- Allergy testing and treatment, including testing and treatment materials (such as allergy serum)
- The insertion of internal prosthetic devices, such as pacemakers and artificial joints
- Cornea, heart, kidney, liver, lung (single or double), heart-lung, and pancreas transplants; allogeneic (donor) bone marrow transplants; autologous bone marrow transplants (autologous stem cell and peripheral stem cell support) for the following conditions: acute lymphocytic or non-lymphocytic leukemia, advanced Hodgkin's lymphoma, advanced non-Hodgkin's lymphoma, advanced neuroblastoma, breast cancer; multiple myeloma; epithelial ovarian cancer; and testicular, mediastinal, retroperitoneal and ovarian germ cell tumors. Treatment for breast cancer, multiple myelomas and epithelial ovarian cancer may be provided in a non-randomized clinical trial when approved by the Plan's medical director using eligibility criteria for National Cancer Institute (NCI) sponsor clinical trials. If no such trials are underway in the Plan's area, regular Plan transplant benefits will be provided using Plan eligibility criteria. Related medical and hospital expenses of the donor are covered when the recipient is covered by this Plan.
- Women who undergo mastectomies may, at their option, have this procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.
- Dialysis
- Chemotherapy, radiation therapy, and inhalation therapy
- Growth hormones therapy, including the cost of growth hormones, **you pay** 50% of charges
- Surgical treatment of morbid obesity
- Prosthetic devices, such as artificial limbs which are implanted and lenses following cataract removal, breast prostheses and surgical bras as well as their replacement, **you pay** 50% of charges
- Home health services of nurses and health aides, including intravenous fluids and medications, when prescribed by your Plan doctor, who will periodically review the program for continuing appropriateness and need
- All necessary medical or surgical care in a hospital or extended care facility from Plan doctors and other Plan providers, at no additional cost to you

Section 5. Benefits – Medical and Surgical (continued)

Limited benefits

Oral and maxillofacial surgery is provided for nondental surgical and hospitalization procedures for congenital defects, such as cleft lip and cleft palate, and for medical or surgical procedures occurring within or adjacent to the oral cavity or sinuses including, but not limited to, treatment of fractures and excision of tumors and cysts. All other procedures involving the teeth or intra-oral areas surrounding the teeth are not covered, including any dental care involved in treatment of temporomandibular joint (TMJ) pain dysfunction syndrome.

Reconstructive surgery will be provided to correct a condition resulting from a functional defect or from an injury or surgery that has produced a major effect on the member's appearance and if the condition can reasonably be expected to be corrected by such surgery. A patient and her attending physician may decide to have breast reconstruction surgery following a mastectomy and whether surgery on the other breast is needed to produce a symmetrical appearance.

Short-term rehabilitative therapy (physical, speech and occupational) is provided on an inpatient or outpatient basis for up to two months per illness or injury if significant improvement can be expected within two months; **you pay** a \$10 copay per visit. Speech therapy is limited to treatment of certain speech impairments of organic origin. Occupational therapy is limited to services that assist the member to achieve and maintain self-care and improved functioning in other activities of daily living. **You pay** 50% of charges per outpatient visit.

Diagnosis and treatment of infertility is covered; **you pay** 50% of charges. The following types of artificial insemination are covered: intravaginal insemination (IVI), intrauterine insemination (IUI) and intracervical insemination (ICI); **you pay** 50% of charges. Cost of donor sperm is not covered. Fertility drugs are covered under the Prescription Drug Benefit. Other assisted reproductive technology (ART) procedures, such as in vitro fertilization and embryo transfer, are not covered.

Cardiac rehabilitation following a heart transplant, bypass surgery or a myocardial infarction, is provided for up to 60 days. If physical therapy is to be received, **you pay** a \$10 copay per outpatient visit. If occupational therapy is to be received, **you pay** 50% of charges per outpatient visit.

Health education classes are reimbursed up to \$50 per year toward the cost of attending approved classes in nutrition and other health education topics.

Durable medical equipment, such as wheelchairs and hospital beds are provided up to a maximum benefit of \$750 per member per contract year. **You pay** 20% of charges.

What is not covered

- Physical examinations that are not necessary for medical reasons, such as those required for obtaining or continuing employment or insurance, attending school or camp, or travel
- Reversal of voluntary, surgically-induced sterility
- Surgery primarily for cosmetic purposes
- Transplants not listed as covered
- Blood
- Hearing aids
- Long-term neuromuscular rehabilitative therapy
- Chiropractic services
- Oxygen for home use and equipment
- Dental care and appliances
- Treatment of malocclusion, prognathism, and temporomandibular joint disease (TMJ)
- Homemaker services

Section 5. Benefits – Hospital and Extended Care

What is covered

Hospital care

The Plan provides a comprehensive range of benefits with no dollar or day limit when you are hospitalized under the care of a Plan doctor. **You pay nothing. All necessary services are covered,** including:

- Semiprivate room accommodations; when a Plan doctor determines it is medically necessary, the doctor may prescribe private accommodations or private duty nursing care
- Specialized care units, such as intensive care or cardiac care units

Extended care

The Plan provides a comprehensive range of benefits for up to 100 days when full-time skilled nursing care is necessary and confinement in a skilled nursing facility is in lieu of hospitalization. **You pay nothing. All necessary services are covered,** including:

- Bed, board and general nursing care
- Drugs, biologicals, supplies, and equipment ordinarily provided or arranged by the skilled nursing facility when prescribed by a Plan doctor.

Hospice care

Supportive and palliative care for a terminally ill member is covered in the home or hospice facility. Services include inpatient and outpatient care, and family counseling; these services are provided under the direction of a Plan doctor who certifies that the patient is in the terminal stages of illness, with a life expectancy of approximately six months or less.

Ambulance service

Benefits are provided for ambulance transportation ordered or authorized by a Plan doctor. **You pay** a \$25 copay.

Limited benefits

Acute inpatient detoxification

Hospitalization for medical treatment of substance abuse is limited to emergency care, diagnosis, treatment of medical conditions, and medical management of withdrawal symptoms (acute detoxification) if the Plan doctor determines that outpatient management is not medically appropriate. See page 14 for nonmedical substance abuse benefits.

What is not covered

- Personal comfort items, such as telephone and television
- Custodial care, rest cures, domiciliary or convalescent care
- Hospitalization for dental care and treatment

Benefits – Emergency

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that the Plan may determine are medical emergencies – what they all have in common is the need for quick action.

Section 5. Benefits – Emergency (continued)

Emergencies within the service area	<p>If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours. It is your responsibility to ensure that the Plan has been timely notified.</p> <p>If you need to be hospitalized in a non-Plan facility, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.</p> <p>Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.</p> <p>To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers except as covered under POS benefits.</p>
Plan pays ...	Reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.
You pay ...	50% of charges up to a \$50 copay per hospital emergency room visit or up to a \$25 copay per urgent care center visit for emergency services which are covered benefits of this Plan. If the emergency results in admission to a hospital, the emergency care copay is waived.
Emergencies outside the service area	<p>Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.</p> <p>If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.</p> <p>To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers except as covered under POS benefits.</p>
Plan pays ...	Reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.
You pay ...	50% of charges up to a \$50 copay per hospital emergency room visit or up to a \$25 copay per urgent care center visit for emergency services which are covered benefits of this Plan. If the emergency results in admission to a hospital, the emergency care copay is waived.
What is covered	<ul style="list-style-type: none">• Emergency care at a doctor's office or an urgent care center• Emergency care as an outpatient or inpatient at a hospital, including doctors' services• Ambulance service approved by the Plan
What is not covered	<ul style="list-style-type: none">• Elective care or nonemergency care except as covered under POS benefits• Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area except as covered under POS benefits• Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area except as covered under POS benefits

Section 5. Benefits – Emergency (continued)

Filing claims for non-Plan providers With your authorization, the Plan will pay benefits directly to the providers of your emergency care upon receipt of their claims. Physician claims should be submitted on the HCFA 1500 claim form. If you are required to pay for the services, submit itemized bills and your receipts to the Plan along with an explanation of the services and the identification information from your ID card. Payment will be sent to you (or the provider if you did not pay the bill), unless the claim is denied. If it is denied, you will receive notice of the decision, including the reasons for the denial and the provisions of the contract on which denial was based. If you disagree with the Plan's decision, you may request reconsideration in accordance with the disputed claims procedure described on pages 8-9.

Benefits – Mental Conditions and Substance Abuse

Mental conditions

What is covered To the extent shown below, this Plan provides the following services necessary for the diagnosis and treatment of acute psychiatric conditions, including the treatment of mental illness or disorders. To receive referrals for mental health call 1-800/933-6294.

- Diagnostic evaluation
- Psychological testing; **you pay** 50% of charges
- Psychiatric treatment (including individual and group therapy)
- Hospitalization (including inpatient professional services)

Outpatient care Up to 40 outpatient visits to Plan doctors, consultants or other psychiatric personnel each calendar year; **you pay** a \$5 copay for the first visit, a \$30 copay per visit for visits 2 through 40 – all charges thereafter.

Inpatient care Up to 30 days of hospitalization each calendar year; **you pay** nothing for the first 30 days – all charges thereafter.

What is not covered

- Care for psychiatric conditions that in the professional judgment of Plan doctors are not subject to significant improvement through relatively short-term treatment
- Psychiatric evaluation or therapy on court order or as a condition of parole or probation, unless determined by a Plan doctor to be necessary and appropriate
- Psychological testing that is not medically necessary to determine the appropriate treatment of a short-term psychiatric condition

Substance abuse

What is covered This Plan provides medical and hospital services such as acute detoxification services for the medical, non-psychiatric aspects of substance abuse, including alcoholism and drug addiction, the same as for any other illness or condition. Services for the psychiatric aspects are provided in conjunction with the mental conditions benefits shown above. Outpatient visits to Plan providers for treatment are covered, as well as inpatient services necessary for diagnosis and treatment. The mental conditions benefit visit/day limitations and copayments apply to any covered substance abuse care.

What is not covered

- Treatment that is not authorized by a Plan doctor

Section 5. Benefits – Prescription Drug

What is covered

Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will be dispensed for up to a 30-day supply; or one commercially prepared unit (i.e., one inhaler, one vial ophthalmic medication or insulin). **You pay** a \$7 copay per prescription unit or refill for generic drugs or a \$12 copay per prescription unit or refill for name brand drugs when generic substitution is not permissible. When generic substitution is permissible (i.e., a generic drug is available and the prescribing doctor does not require the use of a name brand drug), but you request the name brand drug, you pay the price difference between the generic and name brand drug as well as the \$12 copay per prescription unit or refill for name brand drugs.

Drugs are prescribed by Plan doctors and dispensed in accordance with the Plan's drug formulary procedure. Nonformulary drugs will be covered when prescribed by a Plan doctor.

Covered medications and accessories include:

- Drugs for which a prescription is required by Federal law
- Oral and injectable contraceptive drugs and contraceptive devices
- Insulin with a copay charge applied to each 30-day supply
- Diabetic supplies including insulin syringes, needles, glucose test tablets and test tape, Benedict's solution or equivalent, glucose monitors and acetone test tablets
- Disposable needles and syringes needed to inject covered prescribed medication
- Intravenous fluids and medication for home use (provided under home health services at no charge)

Limited benefits

- Clomidphene and serophene for infertility
- Drugs to treat sexual dysfunction are limited. Contact the Plan for dose limits.

What is not covered

- Drugs available without a prescription or for which there is a nonprescription equivalent available
- Drugs obtained at a non-Plan pharmacy except for out-of-area emergencies
- Vitamins and nutritional substances that can be purchased without a prescription
- Medical supplies such as dressings and antiseptics
- Drugs for cosmetic purposes
- Drugs to enhance athletic performance
- Implanted time-release medications, such as Norplant
- Drugs prescribed for weight loss

Benefits – Other

Vision care

What is covered

In addition to the medical and surgical benefits provided for diagnosis and treatment of diseases of the eye, annual eye refractions for members of all ages (which include the written lens prescription) may be obtained from Plan providers. **You pay** a \$10 copay per visit.

What is not covered

- Eyeglasses, contact lenses or the exams for fitting of contact lenses
- Eye exercises

Maxicare's Point of Service benefit (Maxi-Choice)

Facts about this Plan's POS option

Members may use non-Plan providers of their choice.

What is covered

Members may choose to receive services from any doctor or hospital without a referral. This option is available each time a member seeks medical attention. Some of the same services are covered as when a participating provider is used (see *What is not covered* below). However, covered benefits, including hospital care, are paid on a fee-for-service basis when services are received from non-Plan providers or from Plan providers without a referral. Benefit payments will be subject to a \$200 deductible for Self Only or \$600 for Self and Family enrollment. The Plan pays 80% of the Reasonable and Customary (R & C) charges. You are responsible for 20% of the applicable charges and all charges in excess of the R & C charges.

Maximum benefit

All benefits under the POS plan are limited to a total maximum payment by the Plan of \$1,000,000 per member, per lifetime.

Precertification requirement for benefits

The purpose of precertification is to insure that benefits are provided only for medically necessary care. This precertification process must be completed in order to receive benefits for covered healthcare expenses after any applicable deductibles and coinsurance. A telephone call must be made to Maxicare by you or your doctor 14 days prior to any hospital admission or outpatient procedure. In an emergency, Maxicare must be notified within 48 hours, or at the earliest reasonable time. The toll-free number is 1-800/933-6294 (within Louisiana only) or 1-504/523-8229. All hospital admissions and outpatient procedures must be precertified as outlined above. If precertification is not obtained, benefits are reduced by an additional 20%.

The following information must be provided to Maxicare Louisiana:

- Your Maxicare ID number (from membership card)
- Your name, birth date and phone number (only if Maxicare ID number is unavailable)
- Name and telephone number of physician
- Hospital name and location
- Reason for hospitalization
- Proposed treatment or surgery
- Number of planned days of confinement

Deductible

The calendar year deductible only applies to POS claims and is the amount of covered expenses an individual must incur before the Plan pays benefits that are subject to the deductible. The deductible (subject to reasonable and customary charges) is \$200 per Self Only enrollment or \$600 per Self and Family enrollment (with a maximum of \$200 per family member) and is not reimbursable by the Plan. This deductible applies to all benefits, except prescription drugs purchased at a Plan pharmacy. Copayments under Maxicare's Prepaid Plan cannot be used to meet the calendar year deductible.

Coinsurance

Coinsurance is the stated percentage of covered charges you must pay after you have met any applicable deductibles. You are required to pay 20% of the reasonable and customary charges on benefits for covered services obtained from non-Plan providers. The Plan will pay 80% of the reasonable and customary charges up to the total maximum benefit. Charges for covered services that exceed the R & C charges and/or the lifetime maximum benefits are the responsibility of the member. All inpatient hospital admissions and surgeries must be precertified or benefits will be reduced by an additional 20%.

What is not covered

- Physical examinations
- Routine pediatric care
- Immunizations
- Dental care
- Outpatient mental health
- Substance abuse
- Prescription drugs
- Personal comfort items
- Cosmetic surgery
- Eyeglasses
- Organ transplants

Non-FEHB Benefits Available to Plan Members

The benefits described on this page are neither offered nor guaranteed under the contract with the FEHB Program, but are made available to all enrollees and family members of this Plan. The cost of the benefits described on this page is not included in the FEHB premium; any charges for these services do not count toward any FEHB deductibles, or out-of-pocket maximums. These benefits are not subject to the FEHB dispute claims procedure.

What is covered	
Vision care	<p>You are eligible to receive substantial discounts on eyeglasses, contact lenses and non-prescription items such as sunglasses and contact lens solutions. Please read the flyer that describes your extra Vision Care benefit. This discount enriches our routine Vision Care coverage, which includes an eye exam from your Plan provider.</p>
Dental care	<p>You are eligible to receive substantial discounts on dental care, including diagnostic and preventative, restorative, crowns, endodontics, periodontics, prosthodontics and orthodontics. Please read the accompanying flyer that describes Dental Care benefits available through this program.</p>

Benefits on this page are not part of the FEHB Contract

Section 6. General exclusions – Things we don't cover

The exclusions in this section apply to all benefits. Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness or condition.

We do not cover the following:

- Services, drugs or supplies that are not medically necessary;
- Services not required according to accepted standards of medical, dental, or psychiatric practice;
- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits) or eligible self-referred services (see Point of Service benefits);
- Experimental or investigational procedures, treatments, drugs or devices;
- Procedures, services, drugs and supplies related to abortions except when the life of the mother would be endangered if the fetus were carried to term;
- Procedures, services, drugs and supplies related to sex transformations;
- Services or supplies you receive from a provider or facility barred from the FEHB Program; and
- Expenses you incurred while you were not enrolled in this Plan.

Section 7. Limitations – Rules that affect your benefits

Medicare

Tell us if you or a family member is enrolled in Medicare Part A or B. Medicare will determine who is responsible for paying for medical services and we will coordinate the payments. On occasion, you may need to file a Medicare claim form.

If you are eligible for Medicare, you may enroll in a Medicare+Choice plan and also remain enrolled with us.

If you are an annuitant or former spouse, you can suspend your FEHB coverage and enroll in a Medicare+Choice plan when one is available in your area. For information on suspending your FEHB enrollment and changing to a Medicare+Choice plan, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season.

If you involuntarily lose coverage, or move out of the Medicare+Choice service area, you may re-enroll in the FEHB Program at any time.

If you do not have Medicare Part A or B, you can still be covered under the FEHB Program and your benefits will not be reduced. We cannot require you to enroll in Medicare.

For information on Medicare+Choice plans, contact your local Social Security Administration (SSA) office or request it from SSA at 1-800/638-6833.

Other group insurance coverage

When anyone has coverage with us and with another group health plan, it is called double coverage. You must tell us if you or a family member has double coverage. You must also send us documents about other insurance if we ask for them.

When you have double coverage, one plan is the primary payer; it pays benefits first. The other plan is secondary; it pays benefits next. We decide which insurance is primary according to the National Association of Insurance Commissioners' Guidelines.

If we pay second, we will determine what the reasonable charge for the benefit should be. After the first plan pays, we will pay either what is left of the reasonable charge or our regular benefit, whichever is less. We will not pay more than the reasonable charge. If we are the secondary payer, we may be entitled to receive payment from your primary plan.

We will always provide you with the benefits described in this brochure. Remember: even if you do not file a claim with your other plan, you must still tell us that you have double coverage.

Section 7. Limitations – Rules that affect your benefits (continued)

Circumstances beyond our control	Under certain extraordinary circumstances, we may have to delay your services or be unable to provide them. In that case, we will make all reasonable efforts to provide you with necessary care.
When others are responsible for injuries	When you receive money to compensate you for medical or hospital care for injuries or illness that another person caused, you must reimburse us for whatever services we paid for. We will cover the cost of treatment that exceeds the amount you received in the settlement. If you do not seek damages, you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.
TRICARE	TRICARE is the health care program for members, eligible dependents, and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we are the primary payer. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.
Workers' compensation	<p>We do not cover services that:</p> <ul style="list-style-type: none">• You need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determine they must provide;• OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws. <p>Once the OWCP or similar agency has paid its maximum benefits for your treatment, we will provide your benefits.</p>
Medicaid	We pay first if both Medicaid and this Plan cover you.
Other Government agencies	We do not cover services and supplies that a local, State, or Federal Government agency directly or indirectly pays for.
If you have a malpractice claim	If you have a malpractice claim because of services you did or did not receive from a plan provider, it must go to binding arbitration. Contact us about how to begin our binding arbitration process.

Section 8. FEHB Facts

You have a right to information about your HMO	<p>OPM requires that all FEHB plans comply with the Patients' Bill of Rights, which gives you the right to information about your health plan, its networks, providers and facilities. You can also find out about care management, which includes medical practice guidelines, disease management programs and how we determine if procedures are experimental or investigational. OPM's website (www.opm.gov) lists the specific types of information that we must make available to you.</p> <p>If you want specific information about us, call 1-800/933-6294 or 1-504/532-7080, or write to Maxicare Louisiana, Inc. at 1515 Poydras Street, Suite 1130, New Orleans, Louisiana 70112. You may also contact us by fax at 1-504/571-5978.</p>
---	--

Section 8. FEHB Facts (continued)

Where do I get information about enrolling in the FEHB Program?

Your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- The next Open Season for enrollment.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

When are my benefits and premiums effective?

The benefits in this brochure are effective on January 1. If you are new to this plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin January 1.

What happens when I retire?

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage, which is described later in this section.

What types of coverage are available for me and my family?

Self-Only coverage is for you alone. *Self and Family* coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster or step children your employing or retirement office authorizes coverage for. Under certain circumstances, you may also get coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth or add a child to your family. You may change your enrollment 31 days before to 60 days after you give birth or add the child to your family. The benefits and premiums for your Self and Family enrollment begin on the first day of the pay period in which the child is born or becomes an eligible family member.

Your employing or retirement office will not notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in another FEHB plan.

Are my medical and claims records confidential?

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract,
- This plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims,
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions,
- OPM and the General Accounting Office when conducting audits,
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

Section 8. FEHB Facts (continued)

Information for new members

- Identification cards** We will send you an Identification (ID) card. Use your copy of the Health Benefits Election Form, SF-2809, or the OPM annuitant confirmation letter until you receive your ID card. You can also use an Employee Express confirmation letter.
- What if I paid a deductible under my old plan?** Your old plan's deductible continues until our coverage begins.
- Pre-existing conditions** We will not refuse to cover the treatment of a condition that you or a family member had before you enrolled in this Plan solely because you had the condition before you enrolled.

When you lose benefits

- What happens if my enrollment in this Plan ends?** You will receive an additional 31 days of coverage, for no additional premium, when:
- Your enrollment ends, unless you cancel your enrollment, or
 - You are a family member no longer eligible for coverage.
- You may be eligible for former spouse coverage or Temporary Continuation of Coverage.
- What is former spouse coverage?** If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get more information about your coverage choices.
- What is TCC?** Temporary Continuation of Coverage (TCC). If you leave Federal service or if you lose coverage because you no longer qualify as a family member, you may be eligible for TCC. For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire. You may not elect TCC if you are fired from your Federal job due to gross misconduct.
- Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees* from your employing or retirement office.
- Key points about TCC:
- You can pick a new plan;
 - If you leave Federal service, you can receive TCC for up to 18 months after you separate;
 - If you no longer qualify as a family member, you can receive TCC for up to 36 months;
 - Your TCC enrollment starts after regular coverage ends.
 - If you or your employing office delay processing your request, you still have to pay premiums from the 32nd day after your regular coverage ends, even if several months have passed.
 - You pay the total premium, and generally a 2-percent administrative charge. The government does not share your costs.
 - You receive another 31-day extension of coverage when your TCC enrollment ends, unless you cancel your TCC or stop paying the premium.
 - You are not eligible for TCC if you can receive regular FEHB Program benefits.

Section 8. FEHB Facts (continued)

How do I enroll in TCC?

If you leave Federal service your employing office will notify you of your right to enroll under TCC. You must enroll within 60 days of leaving, or receiving this notice, whichever is later.

Children: You must notify your employing or retirement office within 60 days after your child is no longer an eligible family member. That office will send you information about enrolling in TCC. You must enroll your child within 60 days after they become eligible for TCC, or receive this notice, whichever is later.

Former spouses: You or your former spouse must notify your employing or retirement office within 60 days of one of these qualifying events:

- Divorce
- Loss of spouse equity coverage within 36 months after the divorce.

Your employing or retirement office will then send your former spouse information about enrolling in TCC. Your former spouse must enroll within 60 days after the event, which qualifies them for coverage, or receiving the information, whichever is later.

Note: Your child or former spouse loses TCC eligibility unless you or your former spouse notify your employing or retirement office within the 60-day deadline.

How can I convert to individual coverage?

You may convert to an individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert.
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you if individual coverage is available. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will not notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

How can I get a Certificate of Group Health Plan Coverage?

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. You must arrange for the other coverage within 63 days of leaving this Plan. Your new plan must reduce or eliminate waiting periods, limitations or exclusions for health related conditions based on the information in the certificate.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may request a certificate from them, as well.

Department of Defense/FEHB Demonstration Project

What is the Department of Defense (DoD) and FEHB Program Demonstration Project?

The National Defense Authorization Act for 1999, Public Law 105-261, established the DoD/FEHBP Demonstration Project. It allows some active and retired uniformed service members and their dependents to enroll in the FEHB Program. The demonstration will last for three years beginning with the 1999 Open Season for the year 2000. Open Season enrollments will be effective January 1, 2000. DoD and OPM have set-up some special procedures to successfully implement the Demonstration Project, noted below. Otherwise, the provisions described in this brochure apply.

Who is eligible?

DoD determines who is eligible to enroll in FEHB. Generally, you may enroll if:

- You are an active or retired uniformed service member and are eligible for Medicare,
- You are a dependent of an active or retired uniformed service member and are eligible for Medicare,
- You are a qualified former spouse of an active or retired uniformed service member and you have not remarried, or
- You are a survivor dependent of a deceased active or retired uniformed service member, and
- You live in one of the eight geographic demonstration areas.

If you are eligible to enroll in a plan under the regular Federal Employees Health Benefits Program, you are not eligible to enroll under the DoD/FEHBP Demonstration Project.

Where are the demonstration areas?

- Dover AFB, DE
- Commonwealth of Puerto Rico
- Fort Knox, KY
- Greensboro/Winston Salem/High Point, NC
- Dallas, TX
- Humboldt County, CA area
- Naval Hospital, Camp Pendleton, CA
- New Orleans, LA

When can I join?

Your first opportunity to enroll will be during the 1999 Open Season, November 8, 1999, through December 13, 1999. Your coverage will begin January 1, 2000. DoD has set-up an Information Processing Center (IPC) in Iowa to provide you with information about how to enroll. IPC staff will verify your eligibility and provide you with FEHB Program information, plan brochures, enrollment instructions and forms. The toll-free phone number for the IPC is 1-877-DOD-FEHB (1-877-363-3342).

You may select coverage for yourself (self-only) or for you and your family (self and family) during the 1999, 2000, and 2001 Open Seasons. Your coverage will begin January 1 of the year following the Open Season that you enrolled.

If you become eligible for the DoD/FEHBP Demonstration Project outside of Open Season, contact the IPC to find out how to enroll and when your coverage will begin.

DoD has a web site devoted to the Demonstration Project. You can view information such as their Marketing/Beneficiary Education Plan, Frequently Asked Questions, demonstration area locations and zip code lists at www.tricare.osd.mil/fehbp. You can also view information about the demonstration project, including "The 2000 Guide to Federal Employees Health Benefits Plans Participating in the DoD/FEHBP Demonstration Project," on the OPM web site at www.opm.gov.

Department of Defense/FEHB Demonstration Project (continued)

Am I eligible for Temporary Continuation of Coverage (TCC)?

See Section 8, FEHB Facts, for information about TCC. Under this Demonstration Project the only individual eligible for TCC is one who ceases to be eligible as a “member of family” under your self and family enrollment. This occurs when a child turns 22, for example, or if you divorce and your spouse does not qualify to enroll as an unremarried former spouse under title 10, United States Code. For these individuals, TCC begins the day after their enrollment in the DoD/FEHBP Demonstration Project ends. TCC enrollment terminates after 36 months or the end of the Demonstration Project, whichever occurs first. You, your child or another person must notify the IPC when a family member loses eligibility for coverage under the DoD/FEHBP Demonstration Project.

TCC is not available if you move out of a DoD/FEHBP Demonstration Project area, you cancel your coverage, or your coverage is terminated for any reason. TCC is not available when the demonstration project ends.

Do I have the 31-day extension and right to convert?

These provisions do not apply to the DoD/FEHBP Demonstration Project.

Notes

Inspector General Advisory: Stop Health Care Fraud!

Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 1-800/933-6294 or 1-504/523-7080 and explain the situation.
- If we do not resolve the issue, call or write:

**THE HEALTH CARE FRAUD HOTLINE
202/418-3300**

U.S. Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, D.C. 20415

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if they:

- Try to obtain services for a person who is not an eligible family member; or
- Are no longer enrolled in the Plan and try to obtain benefits.

Your agency may also take administrative action against you.

Summary of Benefits for Maxicare Louisiana - 2000

Do not rely on this chart alone. All benefits are provided in full unless otherwise indicated subject to the limitations and exclusions set forth in this brochure. This chart merely summarizes certain important expenses covered by the Plan. If you wish to enroll or change your enrollment in this Plan, be sure to indicate the correct enrollment code on your enrollment form (codes appear on the cover of this brochure). **ALL SERVICES COVERED UNDER THIS PLAN, WITH THE EXCEPTION OF EMERGENCY CARE, ARE COVERED ONLY WHEN PROVIDED OR ARRANGED BY PLAN DOCTORS.**

	Benefits	Plan pays/provides	Page
Inpatient care	Hospital	Comprehensive range of medical and surgical services without dollar or day limit. Includes in-hospital doctor care, room and board, general nursing care, private room and private nursing care if medically necessary, diagnostic tests, drugs and medical supplies, use of operating room, intensive care and complete maternity care. You pay nothing 12	12
	Extended care	All necessary services, up to 100 days per calendar year. You pay nothing 12	12
	Mental conditions	Diagnosis and treatment of acute psychiatric conditions for up to 30 days of inpatient care per year. You pay nothing 14	14
	Substance abuse	Covered under mental conditions benefit 14	14
Outpatient care		Comprehensive range of services such as diagnosis and treatment of illness or injury, including specialist's care; preventive care, including well-baby care, periodic check-ups and routine immunizations; laboratory tests and X-rays; complete maternity care. You pay a \$10 copay per office visit; a \$2 copay for laboratory tests and X-rays in addition to the office visit copay; a \$10 copay per house call by a doctor. This copay maximum does not include prescription drugs or non-FEHB benefits..... 5	5

2000 Rate Information for Maxicare Louisiana

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to most career U.S. Postal Service employees. In 2000, two categories of contribution rates, referred to as Category A rates and Category B rates, will apply for certain career employees. If you are a career postal employee but not a member of a special postal employment class, refer to the category definitions in “The Guide to Federal Employees Health Benefits Plans for United States Postal Service Employees,” RI 70-2, to determine which rate applies to you.

Postal rates do not apply to non-career postal employees, postal retirees, certain special postal employment classes or associate members of any postal employee organization. Such persons not subject to postal rates must refer to the applicable “Guide to Federal Employees Health Benefits Plans.”
