Introduction

CommunityCare HMO, 218 West 6th Street, Tulsa, Oklahoma 74119

This brochure describes the benefits you can receive from CommunityCare HMO under its contract (CS2812) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits (FEHB) law. This brochure is the official statement of benefits on which you can rely. A person enrolled in this Plan is entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits.

OPM negotiates benefits and premiums with each plan annually. Benefit changes are effective January 1, 2000, and are shown on page 5. Premiums are listed at the end of this brochure.

Plain language

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. Health plan representatives and Office of Personnel Management staff have worked cooperatively to make portions of this brochure clearer. In it you will find common, everyday words, except for necessary technical terms; "you" and other personal pronouns; active voice; and short sentences.

We refer to CommunityCare HMO as "this Plan" throughout this brochure even though in other legal documents, you will see a plan referred to as a carrier.

These changes do not affect the benefits or services we provide. We have rewritten this brochure only to make it more understandable.

We have not re-written the Benefits section of this brochure. You will find new benefits language next year.

How to use this brochure

This brochure has eight sections. Each section has important information you should read. If you want to compare this Plan's benefits with benefits from other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

1. **Health Maintenance Organizations (HMO).** This Plan is an HMO. Turn to this section for a brief description of HMOs and how they work.
2. **How we change for 2000.** If you are a current member and want to see how we have changed, read this section.
3. **How to get benefits.** Make sure you read this section; it tells you how to get services and how we operate.
4. **What to do if we deny your claim or request for service.** This section tells you what to do if you disagree with our decision not to pay for your claim or to deny your request for a service.
5. **Benefits.** Look here to see the benefits we will provide as well as specific exclusions and limitations. You will also find information about non-FEHB benefits.
6. **General exclusions – Things we don't cover.** Look here to see benefits that we will not provide.
7. **Limitations – Rules that affect your benefits.** This section describes limits that can affect your benefits.
8. **FEHB FACTS.** Read this for information about the Federal Employees Health Benefits (FEHB) Program.

Section 1. Health Maintenance Organizations

Health maintenance organizations (HMOs) are health plans that require you to see Plan providers: specific physicians, hospitals and other providers that contract with us. These providers coordinate your health care services. The care you receive includes preventative care such as routine office visits, physical exams, well-baby care and immunizations, as well as treatment for illness and injury.

When you receive services from our providers, you will not have to submit claim forms or pay bills. However, you must pay copayments and coinsurance listed in this brochure. When you receive emergency or urgent care services from non-network providers, it may be necessary for you or the provider to file a claim with CommunityCare HMO in order for these providers to receive payment. If payment is required at the time of service, please submit an itemized bill to CommunityCare HMO for reimbursement.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us. Our providers follow generally accepted medical practice when prescribing any course of treatment.

Section 2. How we change for 2000

Program-wide changes

To keep your premium as low as possible OPM has set a minimum copay of \$10 for all primary care office visits.

This year, you have a right to more information about this Plan, care management, our networks, facilities, and providers.

If you have a chronic or disabling condition, and your provider leaves the Plan at our request, you may continue to see your specialist for up to 90 days. If your provider leaves the Plan and you are in the second or third trimester of pregnancy, you may be able to continue seeing your OB/GYN until the end of your postpartum care. You have similar rights if this Plan leaves the FEHB program. (See Section 3, How to get benefits, for more information.)

You may review and obtain copies of your medical records on request. If you want copies of your medical records, ask your health care provider for them. You may ask that a physician amend a record that is not accurate, not relevant, or incomplete. If the physician does not amend your record, you may add a brief statement to it. If they do not provide you your records, call us and we will assist you.

If you are over age 50, all FEHB plans will cover a screening sigmoidoscopy every five years. This screening is for colorectal cancer.

Changes to this Plan

Your share of the non-postal premium will increase by 13.2% for Self Only or 13.2% for Self and Family.

Our doctor office, short-term rehabilitative therapy, cardiac rehabilitation, accidental injury, and vision care visits increased from \$5 per visit to \$10 per visit.

Our Inpatient Mental Health benefit has changed from an \$80 copay per day to no copay. Our Outpatient Mental Health benefit has changed from \$25 per visit to \$10 per visit.

Section 3. How to get benefits

What is this Plan's service area?

To enroll with us, you must live or work in our service area. This is where our providers practice. Our service area is:

Entire Oklahoma counties of Cleveland, Creek, Kingfisher, Logan, Nowata, Oklahoma, Okmulgee, Pottawatomie, Rogers, Tulsa, and Wagoner.

Portions of Canadian, Grady, Lincoln, McClain, Osage, Pawnee, and Washington counties are also in the service area, as indicated by zip codes shown below:

County	Zip
Canadian:	73014, 73022, 73036, 73064, 73078, 73085, 73090, 73099
Grady:	73002, 73004, 73011, 73018, 73059, 73067, 73079, 73082, 73089, 73092
Lincoln:	74026, 74079, 74824, 74832, 74834, 74855, 74864, 74869, 74875, 74881
McClain:	73010, 73031, 73065, 73080, 73093, 73095, 74831
Osage:	74070, 74127, 74003, 74001, 74002, 74009, 74035, 74054, 74056, 74060, 74084, 74633, 74637, 74652
Pawnee:	74020, 74034, 74045, 74058, 74081, 74650
Washington:	74004, 74005, 74006, 74022, 74029, 74051, 74061, 74082

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care services or urgent care services with prior authorization from your primary care physician. We will not pay for any other health care services unless you receive prior authorization from your primary care physician and/or the patient care committee.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

How much do I pay for services?

You must share the cost of some services. This is called either a copayment (a set dollar amount) or coinsurance (a set percentage of charges). Please remember you must pay this amount when you receive services, but no additional copayment for laboratory tests and x-rays.

After you pay \$400 in copayments or coinsurance for one family member, or \$1,200 for two or more family members, you do not have to make any further payments for certain services for the rest of the year. This is called a catastrophic limit. However, copayments or coinsurance for your prescription drugs, and durable medical equipment do not count toward these limits and you must continue to make these payments.

Be sure to keep accurate records of your copayments and coinsurance, since you are responsible for informing us when you reach the limits.

Do I have to submit claims? You normally won't have to submit claims to us unless you receive emergency services from a provider who doesn't contract with us. If you file a claim, please send us all of the documents for your claim as soon as possible. You must submit claims by December 31 of the year after the year you received the service. Either OPM or we can extend this deadline if you show that circumstances beyond your control prevented you from filing on time.

Who provides my health care? CommunityCare HMO is locally owned and operated by four of the premier hospitals in Oklahoma. We are an Independent Practice Association/Physician Hospital Organization model Health Maintenance Organization. We have 476 Primary Care Physicians (General Practice, Internal Medicine, Pediatrics), 24 Hospitals, 379 Pharmacy locations, and 1,608 Specialists to serve all of our members' health care needs.

You will need to let us know which physician you selected for each member of the family. If you need help choosing a doctor, contact Member Services at 1-800-777-4890.

If you are unable to establish a satisfactory patient/physician relationship with your primary care physician, you may choose another, within the same hospital network, by contacting CommunityCare HMO Member Services, in writing or by phone. Changes are subject to physician availability and are coordinated by CommunityCare HMO. Requests made by the fifteenth of the month will be effective the first of the following month. Requests made after the fifteenth will be effective on the first day of the month following the expiration of the 30 day notice. All existing referrals or precertifications made by your former primary care physician are canceled as of the effective date of the change to your new primary care physician. Your new primary care physician is responsible for your care as of the effective date. CommunityCare HMO will advise you in writing of the effective date of any approved change in PCP. You may also change primary care physician or hospital networks during Open Season.

What do I do if my primary care physician leaves the Plan? Call us. We will help you select a new one.

What do I do if I need to go into the hospital? Talk to your Plan physician. If you need to be hospitalized, your primary care physician or specialist will make the necessary hospital arrangements and supervise your care.

What do I do if I'm in the hospital when I join this Plan? First, call our customer service department at 1-800-777-4890. If you are new to the FEHB Program, we will arrange for you to receive care. If you are currently in the FEHB Program and are switching to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center, or
- The day your benefits from your former plan run out, or
- The 92nd day after you became a member of this Plan; whichever happens first.

These provisions only apply to the person who is hospitalized.

How do I get specialty care?

Your primary care physician will arrange your referral to a specialist. Except in a medical emergency, or when a primary care doctor has designated another doctor to see his or her patients, you must receive a referral from your primary care doctor before seeing any other doctor or obtaining special services. Referral to a participating specialist is given at the primary care doctor's discretion; and will be to specialists within the same medical network as your primary care doctor. When you receive a referral from your primary care doctor, you must return to the primary care doctor after the consultation unless your doctor authorizes additional visits. All follow-up care must be provided or authorized by the primary care doctor. Do not go to the specialist for a second visit unless your primary care doctor has arranged for, and the Patient Care Committee has issued an authorization for, the referral in advance. If non-Plan specialists or consultants are required, the primary care doctor will arrange appropriate referrals.

You may self-refer to an OB/GYN within the same medical network as your primary care physician for your annual well woman exam. Other self-referral options include an annual vision screening by calling 1-800-831-8930, and mental health services by contacting the Plan at 1-800-774-2677.

If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan which may include prior authorization from the Patient Care Committee.

What do I do if I am seeing a specialist when I enroll?

Your primary care physician will decide what treatment you need. If they decide to refer you to a specialist, ask if you can see your current specialist. Your specialist will need to be in the same medical network as your primary care physician. If your current specialist is unavailable to you under our plan, you must receive treatment from a specialist who is. Generally, we will not pay for you to see unauthorized specialists.

What do I do if my specialist leaves the Plan?

Call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.

But, what if I have a serious illness and my provider leaves the Plan or this Plan leaves the Program?

Please contact us if you believe your condition is chronic or disabling. You may be able to continue seeing your provider for up to 90 days after we notify you that we are terminating our contract with the provider (unless the termination is for cause). If you are in the second or third trimester of pregnancy, you may continue to see your OB/GYN until the end of your postpartum care.

You may also be able to continue seeing your provider if your plan drops out of the FEHB Program and you enroll in a new FEHB plan. Contact the new plan and explain that you have a serious or chronic condition, or are in your second or third trimester. Your new plan will pay for or provide your care for up to 90 days after you receive notice that your prior plan is leaving the FEHB Program. If you are in your second or third trimester, your new plan will pay for the OB/GYN care you receive from your current provider until the end of your postpartum care.

How do you authorize medical services?

Your physician must get our approval before sending you to a hospital, referring you to a specialist, or recommending follow-up care. Before giving approval, we consider if the service is medically necessary, and if it follows generally accepted medical practice. The Plan will provide benefits for covered services only when the services are medically necessary to prevent, diagnose, or treat your illness or condition. When your primary care doctor determines you need special tests or the services of a specialist, your primary care doctor will submit a referral request to the Patient Care Committee for their recommendations regarding your medical care. The Patient Care Committee consists of both primary care doctors and specialists. Within two working days following the weekly meeting, your primary care doctor, and specialist, when appropriate, will be notified of the committee's recommendations. If the committee denies a referral request, you will also be notified in writing within two working days following the Patient Care Committee meeting stating why the request was denied. If additional tests or treatment is recommended, instructions will be sent to the appropriate medical department. You will need to contact your primary care doctor or specialist to arrange your treatment and to verify they have received your authorization. Referrals are made to specialists in the same medical network as your primary care doctor. All reports or results of any testing you have done will be sent to your primary care doctor. If your primary care doctor determines that your referral needs to be handled urgently, your primary care doctor will contact the Patient Care Committee without delay to arrange services.

How do you decide if a service is experimental or investigational?

A drug, device, or service will not be considered investigational if it meets any of the following criteria:

1. It has received approval from the Food and Drug Administration
2. It is considered to be a part of the treatment or diagnosis process by any responsible agency of the federal or state government
3. It is considered standard or optional by a recognized specialty society
4. It is not viewed as investigational by the Medical Director and the Quality Assurance or Patient Care Committees of at least two of CommunityCare's owner networks.

In each of these instances, the service will be covered if it is not otherwise outside the scope of the remainder of the schedule of benefits and exclusions. If you need more information, contact us for more details.

Section 4. What to do if we deny your claim or request for service

If we deny services or won't pay your claim, you may ask us to reconsider our decision. Your request must:

1. Be in writing,
2. Refer to specific brochure wording explaining why you believe our decision is wrong; and
3. Be made within six months from the date of our initial denial or refusal. We may extend this time limit if you show that you were unable to make a timely request due to reasons beyond your control.

We have 30 days from the date we receive your reconsideration request to:

1. Maintain our denial in writing;
2. Pay the claim;
3. Arrange for a health care provider to give you the service; or
4. Ask for more information

If we ask your medical provider for more information, we will send you a copy of our request. We must make a decision within 30 days after we receive the additional information. If we do not receive the requested information within 60 days, we will make our decision based on the information we already have.

When may I ask OPM to review a denial? You may ask OPM to review the denial after you ask us to reconsider our initial denial or refusal. OPM will determine if we correctly applied the terms of our contract when we denied your claim or request for service.

What if I have a serious or life threatening condition and you haven't responded to my request for service? Call us at 1-800-777-4890 and we will expedite your review.

What if you have denied my request for care and my condition is serious or life threatening? If we expedite your review due to a serious medical condition and deny your claim, we will inform OPM so that they can give your claim expedited treatment too. Alternatively, you can call OPM's health benefits Contract Division III at (202) 606-0755 between 8 a.m. and 5 p.m. Serious or life threatening conditions are ones that may cause permanent loss of bodily functions or death if they are not treated as soon as possible.

Are there other time limits?

You must write to OPM and ask them to review our decision within 90 days after we uphold our initial denial or refusal of service. You may also ask OPM to review your claim if:

1. We do not answer your request within 30 days. In this case, OPM must receive your request within 120 days of the date you asked us to reconsider your claim.
2. You provided us with additional information we asked for, and we did not answer within 30 days. In this case, OPM must receive your request within 120 days of the date we asked you for additional information.

What do I send to OPM?

Your request must be complete, or OPM will return it to you. You must send the following information:

1. A statement about why you believe our decision is wrong, based on specific benefit provisions in this brochure;
2. Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
3. Copies of all letters you sent us about the claim;
4. Copies of all letters we sent you about the claim; and
5. Your daytime phone number and the best time to call.

If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Who can make the request?

Those who have a legal right to file a disputed claim with OPM are:

1. Anyone enrolled in the Plan;
2. The estate of a person once enrolled in the Plan; and
3. Medical providers, legal counsel, and other interested parties who are acting as the enrolled person's representative. They must send a copy of the person's specific written consent with the review request.

Where should I mail my disputed claim to OPM?

Send your request for review to: Office of Personnel Management, Office of Insurance Programs, Contract Division III, P.O. Box 436, Washington D.C. 20044.

What if OPM upholds the Plan's denial? OPM's decision is final. There are no other administrative appeals. If OPM agrees with our decision, your only recourse is to sue.

If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services or supplies.

What laws apply if I file a lawsuit? Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM made its decision on your claim. You may recover only the amount of benefits in dispute.

You (or a person acting on your behalf) may not sue to recover benefits on a claim for treatment, services, supplies, or drugs covered by us until you have completed the OPM review procedure described above.

Your records and the Privacy Act Chapter 89 of title 5, United States Code allows OPM to use the information it collects from you and us to determine if our denial of your claim is correct. The information OPM collects during the review process becomes a permanent part of your disputed claims file, and is subject to the provisions of the Freedom of Information Act and the Privacy Act. OPM may disclose this information to support the disputed claim decision. If you file a lawsuit, this information will become part of the court record.

Section 5. BENEFITS

Medical and Surgical Benefits

What is covered

A comprehensive range of preventive, diagnostic and treatment services is provided by Plan doctors and other Plan providers. This includes all necessary office visits; you pay a \$10 office visit copay, but no additional copay for laboratory tests and X-rays. Within the service area, house calls will be provided if, in the judgment of the Plan doctor, such care is necessary and appropriate; you pay a \$10 copay for a doctor's house call and nothing for home visits by contracted home health care professionals.

The following services are included and are subject to the office visit copay unless stated otherwise:

- Preventive care, including vision and hearing screenings, well-baby care and periodic check-ups
- Sigmoidoscopy screening for colorectal cancer every five years for those age 50 and above.
- Mammograms are covered as follows: for women age 35 through age 39, one mammogram during these five years; for women age 40 through 49, one mammogram every one or two years; for women age 50 through 64, one mammogram every year; and for women age 65 and above, one mammogram every two years. In addition to routine screening, mammograms are covered when prescribed by the doctor as medically necessary to diagnose or treat your illness.
- Routine immunizations and boosters
- Consultations by specialists
- Diagnostic procedures, such as laboratory tests and X-rays (no additional copay applies)
- Complete obstetrical (maternity) care for all covered females, including prenatal, delivery and postnatal care by a Plan doctor. Copay applies to initial visit only. The mother, at her option, may remain in the hospital up to 48 hours after a regular delivery and 96 hours after a caesarean delivery. Inpatient stays will be extended if medically necessary. If enrollment in the Plan is terminated during pregnancy, benefits will not be provided after coverage under the Plan has ended. Ordinary nursery care of the newborn child during the covered portion of the mother's hospital confinement for maternity will be covered under either a Self Only or Self and Family enrollment; other care of an infant who requires definitive treatment will be covered only if the infant is covered under a Self and Family enrollment.

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Medical and Surgical Benefits *(continued)*

What is covered
(continued)

- Voluntary sterilization and family planning services
- Diagnosis and treatment of diseases of the eye
- Allergy testing and treatment, including testing and treatment materials (such as allergy serum)
- The insertion of internal prosthetic devices, such as pacemakers and artificial joints
- Cornea, heart, heart/lung, lung (single and double), kidney, pancreas, and liver transplants; allogeneic (donor) bone marrow transplants; autologous bone marrow transplants (autologous stem cell and peripheral stem cell support) for the following conditions: acute lymphocytic or non-lymphocytic leukemia, advanced Hodgkin's lymphoma, advanced non-Hodgkin's lymphoma, advanced neuroblastoma, breast cancer; multiple myeloma; epithelial ovarian cancer; and testicular, mediastinal, retroperitoneal and ovarian germ cell tumors. Transplants are covered when approved by the Patient Care Committee. Related medical and hospital expenses of the donor are covered when the recipient is covered by this Plan.
- Patients who undergo mastectomies may, at their option, have this procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.
- Dialysis
- Chemotherapy, radiation therapy, and inhalation therapy
- Surgical treatment of morbid obesity
- Prosthetic devices, such as artificial limbs and lenses following cataract removal, and breast prostheses, surgical bras and replacements following a mastectomy. You pay 20% of the total costs
- Chiropractic services
- Home health services, by contracted home health care professionals, including intravenous fluids and medications, when prescribed by your Plan doctor, who will periodically review the program for continuing appropriateness and need (you pay nothing)
- All necessary medical or surgical care in a hospital or extended care facility from Plan doctors and other Plan providers, at no additional cost to you

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Medical and Surgical Benefits *(continued)*

Limited benefits

Oral and maxillofacial surgery is provided for nondental surgical and hospitalization procedures for congenital defects, such as cleft lip and cleft palate, and for medical or surgical procedures occurring within or adjacent to the oral cavity or sinuses including, but not limited to, treatment of fractures and excision of tumors and cysts. All other procedures involving the teeth or intra-oral areas surrounding the teeth are not covered, including any dental care involved in the treatment of temporomandibular joint (TMJ) pain dysfunction syndrome.

Reconstructive surgery will be provided to correct a condition resulting from a functional defect or from an injury or surgery that has produced a major effect on the member's appearance and if the condition can reasonably be expected to be corrected by such surgery. A patient and her attending physician may decide whether to have breast reconstruction surgery following a mastectomy and whether surgery on the other breast is needed to produce a symmetrical appearance.

Short-term rehabilitative therapy (physical, speech and occupational) is provided on an inpatient or outpatient basis for up to two consecutive months per condition if significant improvement can be expected within two months; **you pay** \$10 per outpatient session. Speech therapy is limited to treatment of certain speech impairments of organic origin. Occupational therapy is limited to services that assist the member to achieve and maintain self-care and improved functioning in other activities of daily living.

Diagnosis and treatment of infertility is covered; **you pay** 50% of the total costs (including fertility drugs). The following types of artificial insemination are covered: intravaginal insemination (IVI); intracervical insemination (ICI) and intrauterine insemination (IUI); **you pay** 50% of the total costs; cost of donor sperm is not covered. Other assisted reproductive technology (ART) procedures, such as in vitro fertilization and embryo transfer, are not covered.

Cardiac rehabilitation following a heart transplant, bypass surgery or a myocardial infarction is provided for up to 60 consecutive days; you pay \$10 per outpatient treatment and nothing for inpatient treatment.

Durable Medical Equipment such as hospital beds and wheelchairs; and **Orthopedic Devices** such as braces. You pay 20% of costs. Combined annual maximum benefit of \$3,000.

Foot Orthotics are covered up to a Plan benefit maximum of \$500 for inflammatory conditions of the foot.

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Medical and Surgical Benefits *(continued)*

- What is not covered**
- Physical examinations that are not necessary for medical reasons, such as those required for obtaining or continuing employment or insurance, attending school or camp, or travel
 - Reversal of voluntary, surgically-induced sterility
 - Surgery primarily for cosmetic purposes
 - Homemaker services
 - Hearing aids
 - Transplants not listed as covered
 - Long-term rehabilitative therapy
 - Any eye surgery solely for the purpose of correcting refractive defects of the eye, such as nearsightedness (myopia), farsightedness (hyperopia) and blurring (astigmatism)
-

Hospital/Extended Care Benefits

What is covered

Hospital care

The Plan provides a comprehensive range of benefits with no dollar or day limit when you are hospitalized under the care of a Plan doctor. **You pay nothing. All necessary services are covered,** including:

- Semiprivate room accommodations; when a Plan doctor determines it is medically necessary, the doctor may prescribe private accommodations or private duty nursing care
- Specialized care units, such as intensive care or cardiac care units

Extended care

The Plan provides a comprehensive range of benefits up to 60 consecutive days when full-time nursing care is necessary and confinement in a skilled nursing facility is medically appropriate as determined by a Plan doctor and approved by the Plan. **You pay nothing.** All necessary services are covered, including:

- Bed, board and general nursing care
- Drugs, biologicals, supplies, and equipment ordinarily provided or arranged by the skilled nursing facility when prescribed by a Plan doctor.

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Hospital/Extended Care Benefits *(continued)*

What is covered

(continued)

Hospice care

Supportive and palliative care for a terminally ill member is covered in the home or a hospice facility. Services include inpatient and outpatient care, and family counseling; these services are provided under the direction of a Plan doctor who certifies that the patient is in the terminal stages of illness, with a life expectancy of approximately six months or less.

Ambulance service

Benefits are provided for ambulance transportation ordered or authorized by a Plan doctor.

Limited benefits

Inpatient dental procedures

Hospitalization for certain dental procedures is covered when a Plan doctor determines there is a need for hospitalization for reasons totally unrelated to the dental procedure; the Plan will cover the hospitalization, but not the cost of the professional dental services. Conditions for which hospitalization would be covered include hemophilia and heart disease; the need for anesthesia, by itself, is not such a condition.

Acute inpatient detoxification

Hospitalization for medical treatment of substance abuse is limited to emergency care, diagnosis, treatment of medical conditions, and medical management of withdrawal symptoms (acute detoxification) if the Plan doctor determines that outpatient management is not medically appropriate. See page 21 for nonmedical substance abuse benefits.

What is not covered

- Personal comfort items, such as telephone and television
- Custodial care, rest cures, domiciliary or convalescent care

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Emergency Benefits

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that the Plan may determine are medical emergencies — what they all have in common is the need for quick action.

Emergencies within the service area

If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911-telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member must notify the Plan within 48 hours unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, your primary care doctor must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify your primary care doctor within that time. If you are hospitalized in non-Plan facilities and your primary care doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by your primary care doctor.

Plan pays...

Reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.

You pay...

\$50 per hospital emergency room visit or \$15 per urgent care center visit for emergency services that are covered benefits of this Plan. If the emergency results in admission to a hospital, the copay is waived.

Emergencies outside the service area

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, your primary care doctor must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify your primary care doctor within that time. If your primary care doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be managed and coordinated by your primary care doctor.

Emergency Benefits *(continued)*

Emergencies outside the service area *(continued)*

Plan pays...	Reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.
You pay...	\$50 per hospital emergency room visit or \$15 per urgent care center visit for emergency services that are covered benefits of this Plan. If the emergency results in admission to a hospital, the copay is waived.
What is covered	<ul style="list-style-type: none">• Emergency care at a doctor's office or an urgent care center• Emergency care as an outpatient or inpatient at a hospital, including doctors' services• Ambulance service approved by the Plan
What is not covered	<ul style="list-style-type: none">• Elective care or nonemergency care• Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area• Nonemergency medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area
Filing claims for non-Plan providers	With your authorization, the Plan will pay benefits directly to the providers of your emergency care upon receipt of their claims. Physician claims should be submitted on the HCFA 1500 claim form. If you are required to pay for the services, submit itemized bills and your receipts to the Plan along with an explanation of the services and the identification information from your ID card. Payment will be sent to you (or the provider if you did not pay the bill), unless the claim is denied. If it is denied, you will receive notice of the decision, including the reasons for the denial and the provisions of the contract on which denial was based. If you disagree with the Plan's decision, you may request reconsideration in accordance with the disputed claims procedure described on page 11.

Mental Conditions / Substance Abuse Benefits

Mental conditions	For services, call the Plan at 1-800-774-2677.
What is covered	<p>To the extent shown below, the Plan provides the following services necessary for the diagnosis and treatment of acute psychiatric conditions, including the treatment of mental illness or disorders:</p> <ul style="list-style-type: none">• Diagnostic evaluation• Psychological testing• Psychiatric treatment (including individual and group therapy)• Hospitalization (including inpatient professional services)
Outpatient care	Unlimited visits to Plan doctors or other psychiatric personnel each calendar year; You pay a \$10 copay for each covered visit
Inpatient care	Unlimited number of days in a participating facility authorized by CommunityCare HMO behavioral health case manager; you pay nothing.
What is not covered	<ul style="list-style-type: none">• Care for psychiatric conditions that in the professional judgment of Plan doctors are not subject to significant improvement through relatively short-term treatment• Psychiatric evaluation or therapy on court order or as a condition of parole or probation, unless determined by a Plan doctor to be necessary and appropriate• Psychological testing that is not medically necessary to determine the appropriate treatment of a short-term psychiatric condition• Treatment that is not authorized by a CommunityCare behavioral health case manager
Substance abuse	
What is covered	This Plan provides medical and hospital services such as acute detoxification services for the medical, non-psychiatric aspects of substance abuse, including alcoholism and drug addiction, the same as for any other illness or condition.
Outpatient care	Unlimited visits to Plan providers for treatment each calendar year; you pay a \$25 copay for each covered visit
Inpatient care	Unlimited number of days per calendar year in a substance abuse rehabilitation (intermediate care) program in an alcohol or drug rehabilitation center approved by the Plan; you pay \$80 copay per day.
What is not covered	<ul style="list-style-type: none">• Treatment that is not authorized by a CommunityCare behavioral health case manager

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Prescription Drug Benefits

What is covered

Prescription drugs prescribed by a Plan or referral doctor and obtained at a participating pharmacy will be dispensed for up to a 30-day supply. **You pay** a \$5 copay for a prescription in accordance with the plan's drug formulary or a \$10 copay per prescription for a non-formulary drug. In no event will the copay exceed the cost of the prescription drug.

When generic substitution is permissible (i.e., a generic drug is available and the prescribing doctor does not require the use of a name brand drug), but you request the name brand drug, you pay the price difference between the generic and name brand drug as well as the required copayment per prescription unit or refill.

Drugs are prescribed by Plan doctors and dispensed in accordance with the Plan's drug formulary. Nonformulary drugs will be covered when prescribed by a Plan doctor.

Formulary Development: CommunityCare HMO's Pharmacy & Therapeutics Committee, comprised of network physicians, pharmacists, and administrative personnel, is responsible for the development and maintenance of the drug formulary. Drugs are evaluated on clinical efficacy, side effects, therapeutic value, and cost of therapy. Formulary changes are made quarterly.

Because CommunityCare utilizes an open drug formulary, non-formulary drugs are available to our patients for the non-formulary copayment without intervention by the physician. Certain drugs (including but not limited to Viagra, Imitrex, etc.) are available but have dispensing limits or step therapy guidelines and require documentation of medical necessity/length of therapy from the prescribing physician.

Covered medications and accessories include:

- Drugs for which a prescription is required by law;
- Oral contraceptive drugs;
- Diaphragms (with a prescription);
- Insulin with a copay charge applied (prescription must show a correct one month supply);
- Disposable needles and syringes needed to inject covered prescribed medication;
- Diabetic supplies, including insulin syringes, needles, and glucose monitoring strips.

Fertility drugs (you pay 50%); contraceptive devices other than diaphragms; intravenous fluids and medications for home use, implantable drugs (such as Norplant*), and some injectable drugs (such as Depo Provera) are covered under the Medical and Surgical Benefits.

Limited benefits

Certain drugs, such as those for migraine therapies, acne treatment and sexual dysfunction drugs have dosage limitations or step therapy guidelines. Contact the Plan for details.

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Prescription Drug Benefits *(continued)*

- What is not covered**
- Drugs available without a prescription or for which there is a nonprescription equivalent available
 - Drugs obtained at a non-Plan pharmacy except for out-of-area emergencies
 - Vitamins and nutritional substances that can be purchased without a prescription
 - Medical supplies such as dressings and antiseptics
 - Drugs or medications for cosmetic purposes
 - Drugs to enhance athletic performance
 - Contraceptive devices without FDA approval
 - Drugs or medication used for smoking cessation, chemical dependency, or alcohol treatment
 - Drugs given or administered in a physician's office, hospital, nursing home, or other institutional facility
-

Other Benefits

Dental care

What is covered

Accidental injury benefit Restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. **You pay** \$10 copay if office visit is required.

- What is not covered**
- Other dental services not shown as covered

Vision care

In addition to the medical and surgical benefits provided for the diagnosis and treatment of diseases of the eye, the following vision care benefits are available from Plan providers. **You pay** a \$10 copay per visit:

What is covered

- Annual eye refraction, including the written lens prescription for eyeglasses
- Glaucoma test
- Initial placement of post cataract extraction contact lens in surgically affected eye
- You may receive a 15% - 20% discount off regular prices for eyeglasses and contact lenses purchased at participating optometrists' office

What is not covered

- Corrective lenses or frames
- Eye exercises

CARE MUST BE RECEIVED FROM OR ARRANGED BY PLAN DOCTORS

Non-FEHB Benefits Available to Plan Members

The benefits on this page are neither offered nor guaranteed under the contract with the FEHB Program, but are made available to all enrollees and family members of this Plan. The cost of the benefits described on this page is not included in the FEHB premium and any charges for these services do not count toward any FEHB deductibles, or out-of-pocket maximums. These benefits are not subject to the FEHB disputed claims procedure.

Dental Plan

Protective / Dental Care Prepaid Dental Plan is provided for FEHB CommunityCare members

- No Monthly Premium (includes family coverage)
- Free Periodic Oral Exams
- No Deductibles
- No Lifetime or Annual Maximum Benefit Limits
- No Limitation on Pre-Existing Conditions
- No Claim Forms or Pre-Authorizations
- Orthodontics Coverage

Enrollment information, provider list, and schedule of services and copayments is included in the Open Season packet or can be obtained by contacting Protective/Dental Care directly at 1-800-443-0225.

\$25,000 A D & D

As an FEHB employee or annuitant you automatically receive (at no charge to you) \$25,000 in Accidental Death & Dismemberment coverage when you enroll in CommunityCare HMO.

CommunityCare Wellness Benefits

As a member of CommunityCare, you receive many wellness benefits including:

Personal Health Advisor	AudioHealth Library 24-hour Nurse Line	No Charge No Charge

Health Education Services	Provided by CommunityCare's owner hospitals. Cost for these programs, if any, can be obtained from participating hospitals.	
	Healthy Heart Course Smoking Cessation Diabetic Education Parenting Education Weight Management	Stress Management Nutritional Counseling Childbirth Preparation CPR Instruction Fitness Discounts

Senior Health Plan

If you are Medicare eligible you may be interested in learning about CommunityCare's Senior Health Plan. To obtain more information about the Medicare + Choice Plan sponsored by CommunityCare please refer to materials included in FEHB Open Season packet or contact our Member Services Department at 1-800-777-4890.

BENEFITS ON THIS PAGE ARE NOT PART OF THE FEHB CONTRACT

Section 6. General exclusions -- Things we don't cover

The exclusions in this section apply to all benefits. Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness or condition.

We do not cover the following:

- Services, drugs or supplies that are not medically necessary;
 - Services not required according to accepted standards of medical, dental, or psychiatric practice;
 - Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits) ;
 - Experimental or investigational procedures, treatments, drugs or devices;
 - Procedures, services, drugs and supplies related to abortions except when the life of the mother would be endangered if the fetus were carried to term;
 - Procedures, services, drugs and supplies related to sex transformations;
 - Services or supplies you receive from a provider or facility barred from the FEHB Program; and
 - Expenses you incurred while you were not enrolled in this Plan.
-

Section 7. Limitations – Rules that affect your benefits

Medicare

Tell us if you or a family member is enrolled in Medicare Part A or B. Medicare will determine who is responsible for paying for medical services and we will coordinate the payments. On occasion, you may need to file a Medicare claim form.

If you are eligible for Medicare, you may enroll in a Medicare+Choice plan and also remain enrolled with us.

If you are an annuitant or former spouse, you can suspend your FEHB coverage and enroll in a Medicare+Choice plan when one is available in your area. For information on suspending your FEHB enrollment and changing to a Medicare+Choice plan, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season.

If you involuntarily lose coverage, or move out of the Medicare+Choice service area, you may re-enroll in the FEHB Program at any time.

If you do not have Medicare Part A or B, you can still be covered under the FEHB Program and your benefits will not be reduced. We cannot require you to enroll in Medicare.

For information on Medicare+Choice plans, contact your local Social Security Administration (SSA) office or request it from SSA at 1-800/638-6833. For information on the Medicare+Choice plan offered by this Plan, see page 23.

Other group insurance coverage When anyone has coverage with us and with another group health plan, it is called double coverage. You must tell us if you or a family member has double coverage. You must also send us documents about other insurance if we ask for them.

When you have double coverage, one plan is the primary payer; it pays benefits first. The other plan is secondary; it pays benefits next. We decide which insurance is primary according to the National Association of Insurance Commissioners' Guidelines.

If we pay second, we will determine what the reasonable charge for the benefit should be. After the first plan pays, we will pay either what is left of the reasonable charge or our regular benefit, whichever is less. We will not pay more than the reasonable charge. If we are the secondary payer, we may be entitled to receive payment from your primary plan.

We will always provide you with the benefits described in this brochure. Remember: even if you do not file a claim with your other plan, you must still tell us that you have double coverage.

Circumstances beyond our control Under certain extraordinary circumstances, we may have to delay your services or be unable to provide them. In that case, we will make all reasonable efforts to provide you with necessary care.

When others are responsible for injuries When you receive money to compensate you for medical or hospital care for injuries or illness that another person caused, you must reimburse us for whatever services we paid for. We will cover the cost of treatment that exceeds the amount you received in the settlement. If you do not seek damages, you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

TRICARE TRICARE is the health care program for members, eligible dependents, and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we are the primary payer. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

Workers' compensation We do not cover services that:

- You need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determine they must provide;
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once the OWCP or similar agency has paid its maximum benefits for your treatment, we will provide your benefits.

Medicaid We pay first if both Medicaid and this Plan cover you.

Other Government Agencies We do not cover services and supplies that a local, State, or Federal Government agency directly or indirectly pays for.

Section 8. FEHB FACTS

You have a right to information about your HMO.

OPM requires that all FEHB plans comply with the Patients' Bill of Rights, which gives you the right to information about your health plan, its networks, providers and facilities. You can also find out about care management, which includes medical practice guidelines, disease management programs and how we determine if procedures are experimental or investigational. OPM's website (www.opm.gov) lists the specific types of information that we must make available to you.

If you want specific information about us, call 1-800-777-4890, or write to 218 West 6th Street, Tulsa, Oklahoma 74119. You may also contact us by fax at 405-843-2040, or visit our website at www.ccmhp.com

Where do I get information about enrolling in the FEHB Program?

Your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- The next Open Season for enrollment.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

When are my benefits and premiums effective?

The benefits in this brochure are effective on January 1. If you are new to this plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin January 1.

What happens when I retire?

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage, which is described later in this section.

What types of coverage are available for my family and me?

Self-Only coverage is for you alone. *Self and Family* coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster or step children your employing or retirement office authorizes coverage for. Under certain circumstances, you may also get coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth or add a child to your family. You may change your enrollment 31 days before to 60 days after you give birth or add the child to your family. The benefits and premiums for your Self and Family enrollment begin on the first day of the pay period in which the child is born or becomes an eligible family member.

Your employing or retirement office will not notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in another FEHB plan.

Are my medical and claims records confidential?

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract,
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims,
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions,
- OPM and the General Accounting Office when conducting audits,
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

Information for new members

Identification cards

We will send you an Identification (ID) card. Use your copy of the Health Benefits Election Form, SF-2809, or the OPM annuitant confirmation letter until you receive your ID card. You can also use an Employee Express confirmation letter.

What if I paid a deductible under my old plan?

Your old plan's deductible continues until our coverage begins.

Pre-existing conditions

We will not refuse to cover the treatment of a condition that you or a family member had before you enrolled in this Plan solely because you had the condition before you enrolled.

When you lose benefits

What happens if my enrollment in this Plan ends?

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for former spouse coverage or Temporary Continuation of Coverage.

What is former spouse coverage?

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get more information about your coverage choices.

What is TCC?

Temporary Continuation of Coverage (TCC). If you leave Federal service or if you lose coverage because you no longer qualify as a family member, you may be eligible for TCC. For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire. You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees* from your employing or retirement office.

Key points about TCC:

- You can pick a new plan;
- If you leave Federal service, you can receive TCC for up to 18 months after you separate;
- If you no longer qualify as a family member, you can receive TCC for up to 36 months;
- Your TCC enrollment starts after regular coverage ends.
- If you or your employing office delay processing your request, you still have to pay premiums from the 32nd day after your regular coverage ends, even if several months have passed.
- You pay the total premium, and generally a 2-percent administrative charge. The government does not share your costs.
- You receive another 31-day extension of coverage when your TCC enrollment ends, unless you cancel your TCC or stop paying the premium.
- You are not eligible for TCC if you can receive regular FEHB Program benefits.

How do I enroll in TCC?

If you leave Federal service your employing office will notify you of your right to enroll under TCC. You must enroll within 60 days of leaving, or receiving this notice, whichever is later.

Children: You must notify your employing or retirement office within 60 days after your child is no longer an eligible family member. That office will send you information about enrolling in TCC. You must enroll your child within 60 days after they become eligible for TCC, or receive this notice, whichever is later.

Former spouses: You or your former spouse must notify your employing or retirement office within 60 days of one of these qualifying events:

- Divorce
- Loss of spouse equity coverage within 36 months after the divorce.

Your employing or retirement office will then send your former spouse information about enrolling in TCC. Your former spouse must enroll within 60 days after the event, which qualifies them for coverage, or receiving the information, whichever is later.

Note: Your child or former spouse loses TCC eligibility unless you or your former spouse notify your employing or retirement office within the 60-day deadline.

How can I convert to individual coverage?

You may convert to an individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert.
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you if individual coverage is available. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will not notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

How can I get a Certificate of Group Health Plan Coverage?

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. You must arrange for the other coverage within 63 days of leaving this Plan. Your new plan must reduce or eliminate waiting periods, limitations or exclusions for health related conditions based on the information in the certificate.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may request a certificate from them, as well.

Inspector General Advisory: Stop Health Care Fraud!

Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 1-800-777-4890 and explain the situation.
- If we do not resolve the issue, call or write:

THE HEALTH CARE FRAUD HOTLINE

202/418-3300
U.S. Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, D.C. 20415

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if they:

- Try to obtain services for a person who is not an eligible family member; or
- Are no longer enrolled in the Plan and try to obtain benefits.

Your agency may also take administrative action against you.

Summary of Benefits for CommunityCare HMO - 2000

Do not rely on this chart alone. All benefits are provided in full unless otherwise indicated subject to the limitations and exclusions set forth in the brochure. This chart merely summarizes certain important expenses covered by the Plan. If you wish to enroll or change your enrollment in this Plan, be sure to indicate the correct enrollment code on your enrollment form (codes appear on the cover of this brochure). **ALL SERVICES COVERED UNDER THIS PLAN, WITH THE EXCEPTION OF EMERGENCY CARE, ARE COVERED ONLY WHEN PROVIDED OR ARRANGED BY PLAN DOCTORS.**

	Benefits	Plan pays/provides	Page
Inpatient Care	Hospital	Comprehensive range of medical and surgical services without dollar or day limit. Includes in-hospital doctor care, room and board, general nursing care, private room and private nursing care if medically necessary, diagnostic tests, drugs and medical supplies, use of operating room, intensive care and complete maternity care. Vision care		One refraction annually. You pay a \$10 copay per visit. 22	22
Out of pocket maximum		Copayments are required for a few benefits; however, after your out-of-pocket Expenses reach a maximum of \$400 per Self Only or \$1,200 per Self and Family enrollment per calendar year, covered benefits will be provided at 100%. This copay maximum does not include charges for outpatient prescriptions or durable medical equipment. 6	6

2000 Rate Information for CommunityCare HMO

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to most career U.S. Postal Service employees. In 2000, two categories of contribution rates, referred to as Category A rates and Category B rates, will apply for certain career employees. If you are a career postal employee but not a member of a special postal employment class, refer to the category definitions in "The Guide to Federal Employees Health Benefits Plans for United States Postal Service Employees", RI 70-2, to determine which rate applies to you.

Postal rates do not apply to non-career postal employees, postal retirees, certain special postal employment classes or associate members of any postal employee organization. Such persons not subject to postal rates must refer to the applicable "Guide to Federal Employees Health Benefits Plans".
