UNITED STATES  
OFFICE OF PERSONNEL MANAGEMENT  
WASHINGTON, DC 20415-0001

OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

I am pleased to present this Federal Employees Health Benefits (FEHB) Program plan brochure for 2003. The brochure explains all the benefits this health plan offers to its enrollees. Since benefits can vary from year to year, you should review your plan's brochure every Open Season. Fundamentally, I believe that FEHB participants are wise enough to determine the care options best suited for themselves and their families.

In keeping with the President's health care agenda, we remain committed to providing FEHB members with affordable, quality health care choices. Our strategy to maintain quality and cost this year rested on four initiatives. First, I met with FEHB carriers and challenged them to contain costs, maintain quality, and keep the FEHB Program a model of consumer choice and on the cutting edge of employer-provided health benefits. I asked the plans for their best ideas to help hold down premiums and promote quality. And, I encouraged them to explore all reasonable options to constrain premium increases while maintaining a benefits program that is highly valued by our employees and retirees, as well as attractive to prospective Federal employees. Second, I met with our own FEHB negotiating team here at OPM and I challenged them to conduct tough negotiations on your behalf. Third, OPM initiated a comprehensive outside audit to review the potential costs of federal and state mandates over the past decade, so that this agency is better prepared to tell you, the Congress and others the true cost of mandated services. Fourth, we have maintained a respectful and full engagement with the OPM Inspector General (IG) and have supported all of his efforts to investigate fraud and waste within the FEHB and other programs. Positive relations with the IG are essential and I am proud of our strong relationship.

The FEHB Program is market-driven. The health care marketplace has experienced significant increases in health care cost trends in recent years. Despite its size, the FEHB Program is not immune to such market forces. We have worked with this plan and all the other plans in the Program to provide health plan choices that maintain competitive benefit packages and yet keep health care affordable.

Now, it is your turn. We believe if you review this health plan brochure and the FEHB Guide you will have what you need to make an informed decision on health care for you and your family. We suggest you also visit our web site at [www.opm.gov/insure](http://www.opm.gov/insure).

Sincerely,

A handwritten signature in black ink, appearing to read "Kay Cole James".

## Notice of the Office of Personnel Management's Privacy Practices

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

By law, the Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative),
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected,
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right** to use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the General Accounting Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government healthcare oversight activities (such as fraud and abuse investigations),
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right** to:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.
- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.
- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).
- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at [www.opm.gov/insure](http://www.opm.gov/insure) on the web. You may also call 202-606-0191 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints  
Office of Personnel Management  
P.O. Box 707  
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice will be effective April 14, 2003.

## Introduction

---

This brochure describes the benefits of Blue Shield of California Access+ under our contract (CS2639) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for administrative offices is:

Blue Shield of California  
Access+ HMO<sup>sm</sup>  
50 Beale Street  
San Francisco, CA 94105

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2003, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2003, and changes are summarized on page 8. Rates are shown at the end of this brochure.

---

## Plain Language

---

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member; "we" means Blue Shield of California.

We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.

Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail OPM at [fehbwcomments@opm.gov](mailto:fehbwcomments@opm.gov). You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation Division, 1900 E Street, NW Washington, DC 20415-3650.

## Stop Health Care Fraud!

---

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

**Protect Yourself From Fraud** - Here are some things you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 800-880-8086 and explain the situation.
  - If we do not resolve the issue:

**CALL -- THE HEALTH CARE FRAUD HOTLINE  
202-418-3300**

**OR WRITE TO:**

The United States Office of Personnel Management  
Office of the Inspector General Fraud Hotline  
1900 E Street, NW, Room 6400  
Washington, DC 20415

- Do not maintain as a family member on your policy:
  - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - your child over age 22 (unless he/she is disabled and incapable of self-support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed or with OPM if you are retired.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

## Section 1. Facts about this HMO plan

---

This plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from plan providers, you will not have to submit claim forms except for your annual eye exam. You only pay the copayments and coinsurance described in this brochure. When you receive emergency services from non-plan providers, you may have to submit claim forms.

**You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.**

### How we pay providers

We contract with physicians, medical groups, and hospitals to provide the benefits in this brochure. These plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

### Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about your health plan, its networks, providers, and facilities. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Corporate Form – Blue Shield of California is a not-for-profit corporation that was founded in 1939.
- Fiscal Solvency – Blue Shield of California meets or exceeds California Department of Managed Health Care standards for fiscal solvency, confidentiality of medical records and transfer of medical records.
- “Gag Clauses” – A “gag clause” is when a physician does not disclose all treatment options based on cost considerations. You have the right to have a clear understanding of the medical condition and any proposed appropriate necessary treatment alternatives, including available success/outcomes information, regardless of cost or benefit coverage, so you can make an informed decision before receiving treatment.
- Medical Records – Access+ members have the right, both under state law and Blue Shield of California policy, to review, summarize and copy their own medical records. Members can request and will receive amendments to their medical records as they are made.
- State Licensing – Access+ has been licensed by the State of California since 1978.

If you want more information about us, call us at 800-880-8086, or write to Blue Shield of California Access+, P.O. Box 7168, San Francisco, CA 94120-7168. You may also contact us by fax at 916-350-8780 or visit our website at <http://www.mylifepath.com>.

## Service Area

---

To enroll in this plan, you must live in or work in our service area. This is where our providers practice. Our service area is:

County Name	<u>Excluded</u> ZIP Codes
Alameda	None
Butte	None
Contra Costa	None
El Dorado	95613, 95619, 95623, 95633, 95636, 95643, 95651, 95656, 95667, 95684, 95709, 95720, 95721, 95726, 95735, and 96150 to 96158

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will normally pay only for emergency or urgent care. We will not pay for any other health care service, except those that are specifically listed on page 36 under the heading “Medical Care for Vacations, Business Travel and College Students.”

If you or a covered family member move outside the service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO like ours that has agreements with affiliates in other states. See page 36 for details about our HMO medical care available for vacations, business travel and college students coverage. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

## Section 2. How we change for 2003

---

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5, *Benefits*. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### Program-wide changes

- A Notice of the Office of Personnel Management's Privacy Practices is included.
- A section on the Children's Equity Act describes when an employee is required to maintain Self and Family coverage.
- Program information on TRICARE and CHAMPVA explains how annuitants or former spouses may suspend their FEHB Program enrollment.
- Program information on Medicare is revised.
- By law, the DoD/FEHB Demonstration project ends on December 31, 2002.

### Changes to this Plan

- Your share of the non-Postal premium will increase by 16.8% for Self Only or 16.8% for Self and Family.
- Audiometry examinations will be covered when performed by a physician or by an audiologist at the request of the physician. You pay \$10.00 per office visit.
- Treatment of damage to natural teeth caused solely by accidental injury is limited to medically necessary services until the services result in initial palliative stabilization of the member.
- The hospice care benefit has been changed. Care in the home is no longer limited to 100 visits per calendar year. Care in a hospice facility is no longer limited to 100 days of service and does not apply against the Extended Care day limits. Terminal illness is considered to be a medical condition resulting in a prognosis of life of one year or less, if the disease follows its natural course. Covered hospice services will be provided at no charge.
- Benefits will be provided for routine patient care for a member who has been accepted into an approved clinical trial for cancer and whose personal physician has obtained prior authorization from the plan. Certain conditions must be met. See page 21 for information concerning coverage including limitations and exclusions.

### Other changes

- We have changed our member services telephone number to 800-880-8086.
- We have discontinued publishing the Health Resource Directory and have replaced it with the Mayo Clinic Guide to Self-Care for new members.
- We have clarified that drugs prescribed for the treatment of dental conditions are not covered by this plan.
- We have clarified that routine circumcisions unrelated to illness or injury are covered when performed within 31 days of birth. Copay depends on setting where the procedure was performed.
- We have clarified that for preventive care adult screening in addition to routine Pap tests other FDA (Food and Drug Administration) approved cervical cancer screening tests are covered.
- We have clarified that in addition to covering surgically implanted breast implants following mastectomy we cover externally worn breast prostheses and surgical bras, including necessary replacements, following a mastectomy at no charge.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a plan provider, or fill a prescription at a plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800-880-8086.

### Where you get covered care

You get care from “plan providers” and “plan facilities.” You will only pay copayments and/or coinsurance, and you will not have to file claims, except for your annual eye examination.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. All plan providers are credentialed, according to national standards.

We list plan providers in the provider directory, which we update periodically. The list is also on our website, <http://www.mylifepath.com>.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website, <http://www.mylifepath.com>

### What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. You must complete a Primary Care Physician Selection Form.

- **Primary care**

Your primary care physician can be a general practitioner, family practitioner, internist, pediatrician, or an OB/GYN. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the plan, call us at 800-880-8086. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals.

The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral.

The exceptions to this are:

1. for true medical emergencies;
2. when another physician is on call for your physician;
3. when you self-refer to an Access+ participating specialist (not applicable to infertility, emergency and urgent care and allergy services; mental health and substance abuse Access+ specialist care must be provided by a U.S. Behavioral Health Plan (USBHPC) provider. See page 34 for details.); and
4. OB/GYN services provided by an obstetrician/gynecologist or family practitioner within the same IPA/Medical Group as your primary care physician.

In all other instances, referral to a specialist is done at the primary care physician's direction; if non-plan specialists or consultants are required, the primary care physician will arrange appropriate referrals.

Here are other things you should know about specialty care:

If you need to see a specialist frequently because of a chronic, complex or serious medical condition, your primary care physician will develop a treatment plan with you that allows an adequate number of direct access visits with that specialist. Your primary care physician will use our criteria when creating your treatment plan.

If you are seeing a specialist when you enroll in our plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. We will not pay for you to see a specialist who does not participate with our plan, unless your primary care physician refers you to a non-plan specialist for a second opinion.

If you are seeing a specialist and your specialist leaves the plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.

If you have a chronic or disabling condition and lose access to your specialist because we:

- terminate our contract with your specialist for other than cause;
- drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB plan; or
- reduce our service area and you enroll in another FEHB plan;

you may be able to continue seeing your specialist for up to 90 days or when clinically appropriate after you receive notice of the change. Contact us or, if we drop out of the program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days. Contact us to coordinate care for these types of cases.

• **Second Opinions**

If there is a question about your diagnosis or if additional information concerning your condition would be helpful in determining the most appropriate plan of treatment, your primary care physician will, upon request, refer you to another physician for a second medical opinion. If you are requesting a second opinion about care you received from your primary care physician, a physician within the same Medical Group\IPA as your primary care physician will provide the second opinion. If you are requesting a second opinion about care received from a specialist, any plan specialist of the same equivalent specialty may provide the second opinion. We must authorize all second opinion consultations.

- **Hospital care**

Your plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our plan begins, call our member service department immediately at 800-880-8086. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

You are discharged, not merely moved to an alternative care center;  
The day your benefits from your former plan run out; or  
The 92<sup>nd</sup> day after you become a member of this plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

**Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

**Services requiring our prior approval**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

Your primary care physician must obtain a preauthorization from us for; (1) selected drugs and drug dosages which require prior authorization for medical necessity, (2) growth hormone therapy (GHT) (3) organ transplants (4) bone marrow transplants and (5) cancer clinical trials.

See page 24 in Section 5(b) for the preauthorization process for organ and bone marrow transplants.

---

## Section 4. Your costs for covered services

---

### You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit.

- **Coinsurance**

Coinsurance is the percentage of our allowable fee that you must pay for your care.

Example: In our plan, you pay 50% of our allowance for infertility services or durable medical equipment.

### Your catastrophic protection out-of-pocket maximum for coinsurance and copayments

After your copayments and your percentage of allowable charges for medical and surgical services total \$1,000 per person or \$2,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

1. your prescription drugs
2. infertility services
3. the Access+ self-referral specialty visit copayments.

For mental health and substance abuse benefits you pay \$1,000 in copayments or coinsurance for a Self Only enrollment or \$2,000 for a Self and Family enrollment. After that you do not have to make any further payments the rest of the year for authorized treatment or services. However, you must continue to pay copayments for prescription drugs.

Be sure to keep accurate records of your copayments and coinsurances since you are responsible for informing us when you reach the maximum.

---

## Section 5. Benefits – OVERVIEW

(See page 8 for how our benefits changed this year and page 52 for a benefits summary.)

### What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

### What to do in case of emergency:

#### Emergencies within our service area

If you are in an emergency situation, please call your primary care physician. In extreme emergencies, if you are unable to contact your physician, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a plan member so they can notify us. You or a family member should notify us. It is your responsibility to ensure that we have been notified.

If you need to be hospitalized, we must be notified immediately following your admission, unless it was not reasonably possible to notify us within that time. If you are hospitalized in non-plan facilities and a plan physician believes care can be better provided in a plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-plan providers in a medical emergency only if delay in reaching a plan provider would result in death, disability or significant jeopardy to your condition. Any follow-up care recommended by non-plan providers must be approved by us or provided by plan providers.

We pay reasonable charges for emergency services to the extent the services would have been covered if received from plan providers. If the emergency results in admission to a hospital, any applicable copayment is waived.

## Mental health and substance abuse benefits *(continued)*

### Preauthorization

To be eligible to receive these benefits you must follow your treatment plan and all the following authorization processes:

To obtain an authorization, call 877-263-8827. You should continue to identify yourself as a Blue Shield member and use your Blue Shield identification card and identification numbers when contacting USBHPC or its participating providers.

*Your health care provider should contact USBHPC at 877-263-9870 to obtain information about joining the USBHPC network, obtaining an authorization for your treatment, or to speak with a member of USBHPC's clinical staff about issues related to this benefit or your care.*

If you would like a copy of a provider directory, you can contact the Blue Shield Member Services Department at 800-880-8086.

## Out-of-Network Benefit

### Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.

**There are important features you should know about your prescription drug benefit.** These include:

**Who can write your prescription?** A licensed physician, or other covered provider acting within the scope of their license.

**Where can you obtain your prescriptions?** You must fill the prescription at a retail plan pharmacy, or plan mail service pharmacy for a maintenance medication.

**Mail Service Drug Program.** Prescriptions are available by mail for up to a 90-day supply for maintenance drugs. Maintenance drugs are a drug commonly prescribed for six months or longer to treat a chronic condition and are administered continuously rather than intermittently.

Generic drugs will be dispensed in lieu of brand name drugs when substitution is permissible by the physician. Call Member Services at 800-880-8086 to receive a packet for ordering prescriptions through the mail.

**We use a formulary.** Prescription drug coverage is based on the use of the prescription drug formulary, a copy of which is available to you. Non-formulary drugs are always covered at the non-formulary copayment, unless excluded from the prescription drug benefit. Selected drugs and drug dosages, require prior authorization for medical necessity. You should not become directly involved with us for this pre-authorization process. Your physician is responsible for obtaining prior authorization and documenting medical necessity. If all necessary documentation is available from your physician, prior authorization approval or denial will be provided to your physician within two working days of the request.

Medications are selected for inclusion in Blue Shield's Outpatient Prescription Drug Formulary based on safety, efficacy, and FDA bio-equivalency data. The Blue Shield Pharmacy and Therapeutics Committee reviews new drugs and clinical data four times a year.

Members may call Blue Shield Member Services at 800-880-8086 to find out if a specific drug is included in the Formulary. New members receive a printed copy of the formulary with their welcome kits. Formulary information is also available on Blue Shield's website at <http://www.mylifepath.com>.

In lieu of brand name drugs, generic drugs will be dispensed when substitution is permissible by the physician. If you request a brand name drug when a generic drug is available, you pay the difference between the cost of the brand name drug and its equivalent generic drug, plus the appropriate copayment.

**Prescription Days Supply Covered:** Present your Access+ ID card at the participating pharmacy. A retail plan pharmacy may dispense up to a 30-day supply for the appropriate copayment. You will pay the appropriate copayment per prescription for out-of-state emergencies. Maintenance drugs are available for up to a 90-day supply at the appropriate copayment per prescription through the plan mail service pharmacy.

**Why use generic drugs?** Generic drugs offer a safe and economic way to meet your prescription drug needs. The generic name of a drug is its chemical name; the brand name is the name under which the manufacturer advertises and sells a drug. Under federal law, generic and brand name drugs must meet the same standards for safety, purity, strength, and effectiveness. A generic prescription costs you -- and us -- less than a brand name prescription.

Benefit Description	You pay
<b>Covered medications and supplies</b>	
<p>We cover the following medications and supplies prescribed by a plan physician and obtained from a retail plan pharmacy or through our mail service pharmacy:</p> <ul style="list-style-type: none"> <li>• Diabetic supplies limited to disposable insulin syringes, needles, pen delivery systems for the administration of insulin as determined by Blue Shield to be medically necessary and glucose testing tablets and strips</li> <li>• Smoking cessation medication requiring a prescription (limited to one 12-week course of treatment per calendar year)</li> <li>• Formulary and non-formulary drugs for sexual dysfunction or sexual inadequacies will be covered when the dysfunction is caused by medically documented organic disease. Prior plan approval is required and the maximum dosage dispensed will be limited by the protocols established by us. Certain drugs for these conditions are not available through the Mail Service option.</li> <li>• Formulary and non-formulary drugs and medicines that by federal law of the United States require a physician's prescription for their purchase, except as excluded below.</li> <li>• Insulin</li> <li>• Disposable needles and syringes for the administration of covered medications</li> <li>• Formulary and non-formulary oral contraceptive drugs and diaphragms.</li> </ul>	<p>\$5 per generic formulary retail plan pharmacy prescription</p> <p>\$10 per brand name formulary retail plan pharmacy prescription</p> <p>\$25 per non-formulary retail plan pharmacy prescription</p> <p>\$10 per generic formulary mail service prescription</p> <p>\$20 per brand name formulary mail service prescription</p> <p>\$50 per non-formulary mail service prescription</p>

## Section 5 (g). Special Features

Feature	Description
<b>High risk pregnancies</b>	We cover the prenatal diagnosis of genetic disorders of the fetus in high-risk pregnancy cases.
<b>Self-referral to Specialty services</b>	<p>Access+ allows you to arrange office visits with plan specialists in the same Medical Group or IPA as your primary care physician without a referral. A few physicians are not Access+ providers. You are advised to refer to the <i>Access+ 2003 Provider Directory for Federal Employees</i> to determine if your physician participates in the Access+ self-referral option. Members who use this convenient feature are subject to a \$30 copayment per specialty office visit. If the medical condition requires follow-up care to the same specialist, you are encouraged to request that the specialist receive prior authorization from your primary care physicians for additional visits at the regular office copayment of \$10 per visit.</p> <p><b>The Access+ specialist includes:</b></p> <ul style="list-style-type: none"> <li>• Examinations and consultations;</li> <li>• Conventional x-rays of the chest and abdomen;</li> <li>• X-rays of bones to diagnose suspected fractures;</li> <li>• Laboratory services;</li> <li>• Diagnostic or treatment procedures that would normally be provided with a referral; and</li> <li>• Vaccines and antibiotics.</li> </ul> <p><b>The Access+ specialist visit does not include:</b></p> <ul style="list-style-type: none"> <li>• Diagnostic imaging such as CAT Scans, MRI or bone density measurements;</li> <li>• Services that are not covered benefits or that are not medically necessary;</li> <li>• Services of a provider not in the Access+ or USBHPC network (see section 5(e));</li> <li>• Allergy testing;</li> <li>• Endoscopic procedures;</li> <li>• Injectables, chemotherapy or other infusion drugs (not listed above);</li> <li>• Infertility services;</li> <li>• Emergency services;</li> <li>• Urgent care services;</li> <li>• Inpatient services or facility charges;</li> <li>• Services for which the Medical Group or IPA routinely allows the Member to self-refer without authorization from the Personal Physician;</li> <li>• OB/GYN services by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as the Personal Physician; and</li> <li>• Internet based consultations.</li> </ul>

### Accidental injury benefit

The treatment of damage to natural teeth caused solely by an accidental injury is limited to medically necessary services until the services result in initial, palliative stabilization of the member as determined by the plan.

Note: Dental services provided after initial stabilization, prosthodontics, orthodontia and cosmetic services are not covered. The benefit does not include damage to the natural teeth that is not accidental, e.g. resulting from chewing or biting.

---

### Dental benefits

We have no other FEHB dental benefits. Please refer to page 36 for details about a comprehensive, non-FEHB optional Blue Shield Dental Plan.

---

---

## Section 5(i). Non-FEHB benefits available to Plan members

---

The benefits described on this page are neither offered nor guaranteed under the contract with FEHB, but are made available to all enrollees and family members who are members of this plan. The cost of the benefits described on this page is not included in the FEHB premium and any charges for these services do not count toward any FEHB deductibles or out-of-pocket maximums. These benefits are not subject to the FEHB disputed claims procedure.

### **Blue Shield of California Dental Options - Now You Have Choices**

Blue Shield has responded to your request of offering an optional dental plan with out of network benefits. New for this year is a PPO dental plan. We will continue to offer our dental HMO plan for those members who prefer this type of delivery. You must enroll in Access+ or Blue Cross Blue Shield Service Benefit Plan to join our dental plans.

When you select the Blue Shield Dental PPO, you can see any dentist whenever you need covered dental services. To access care at the lowest out of pocket expense under this plan you should use a participating dentist.

When you select the Blue Shield Dental HMO and have a dental center provide and coordinate all of your family's dental care, you get the advantages of no deductibles, virtually no claim forms, no waiting periods and no plan maximums.

Monthly or Quarterly Dental Coverage Rates:

	Dental PPO		Dental HMO	
	<u>Monthly</u>	<u>Quarterly</u>	<u>Monthly</u>	<u>Quarterly</u>
Individual (Adult)	\$34	\$102	\$18.50	\$55.50
Two-Party	\$65	\$195	\$35.50	\$106.50
Family	\$101	\$303	\$52	\$156

Call 888-271-4929 for a list of dentists, summary of benefits and an enrollment form.

### **Receive Discounts from Vision One Eyecare Program on Frames and Lenses**

Federal employees with Access+ coverage can enjoy savings of up to 60% on frames and lenses through our Vision One Eyecare Program at Cole Vision California locations. Cole Vision services are available in the optical departments of many Sears, Target, JCPenney stores, Pearle Vision locations and at offices of participating private practice doctors. There is no added premium for this money-saving feature. Simply present your Access+ identification card when you pay for your eyewear and the discounts are automatic. For a location near you visit [www.colemanagedvision.com](http://www.colemanagedvision.com) or call 800-424-1155.

For coverage of eye refractions see page 18.

### **Receive Discounts through the mylifepath<sup>sm</sup> American Specialty Health Networks Discount Program - Acupuncture, Chiropractic and Massage Therapy**

Access+ offers you participation in the mylifepath discount program, which entitles you to discounts up to 25% off certain health and wellness services. When you see a participating practitioner in the mylifepath American Specialty Health Networks discount program, you'll experience savings on acupuncture, chiropractic and massage therapy. You will be responsible for all charges remaining after the discounts are applied. For more details on all features, please call 888-999-9452 or visit our website at <http://www.mylifepath.com> for health information and news about value-added features.

### **Medical Care for Vacations, Business Travel and College Students**

You, and your eligible family members are covered for urgent and emergency care in all 50 states while you are on vacation or business travel. There are no additional premiums for this coverage. "Guest membership" is also available on a temporary basis for members and dependents who will be living away from home and who need a local primary care provider. You pay office copayments, which vary from state to state (\$5 to \$25) for guest visits and \$50 for urgent care visits. For additional information on these coverages, call 800-334-5487.

### **Blue Shield 65 Plus, A Medicare+Choice Prepaid Plan**

This Plan offers Medicare recipients the opportunity to enroll in the plan through Medicare. As indicated on page 41, annuitants and former spouses with FEHB coverage and Medicare Part B may elect to drop their FEHB coverage and enroll in a Medicare prepaid plan if one is available in their area. They may then later reenroll in the FEHB Program. Most federal annuitants have Medicare Part A. Those without Medicare Part A may join this Medicare prepaid plan but will have to pay for hospital coverage in certain instances in addition to the Part B premium. Before you join the plan, ask whether the plan covers hospital benefits and, if so, what you will have to pay. Contact your retirement system for information on dropping your FEHB enrollment and changing to a Medicare prepaid plan. Contact us at 888-713-0000 for information on the Medicare prepaid plan and the cost of that enrollment. Blue Shield 65 Plus is now available in Los Angeles and Orange counties and portions of Riverside and San Bernardino counties.

*Benefits on this page are not part of the FEHB Contract*

---

## Section 6. General exclusions -- things we don't cover

---

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your plan physician determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury or condition.**

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or mental health practice;
- Experimental or investigational services except for services for members who have been accepted into an approved clinical trial for cancer as provided under covered services (Section 5(a)).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program;
- Services, drugs, or supplies related to sexual dysfunction or sexual inadequacies (including penile prostheses) except as provided for medically documented treatment of organically based conditions; or
- Services performed by a close relative (the spouse, child, brother, sister, or parent of a member) or a person who ordinarily resides in the member's home.
- Services, drugs, or supplies you receive without charge while in active military service.

---

## Section 7. Filing a claim for covered services

---

When you see plan physicians, receive services at plan hospitals and facilities, or obtain your prescription drugs at plan pharmacies, you will not have to file claims except for your annual eye examination. Just present your identification card and pay your copayment or coinsurance.

You will also need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

### **Medical, hospital and drug benefits**

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 800-880-8086.

When you must file a claim -- such as for out-of-area care -- submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer -- such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

### **Submit your claims to:**

**Blue Shield of California  
Access+ Member Services  
P.O. Box 272550  
Chico, CA 95927**

### **Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

### **When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

## Section 8. The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
<b>1</b>	<p>You may appeal by either calling or writing the Member Services Department requesting Blue Shield of California to reconsider our initial decision. You must:</p> <ol style="list-style-type: none"><li>Write or call us within 6 months from the date of our decision;</li><li>Send your written request to us at: Blue Shield of California, Member Services Department, P.O. Box 272550, Chico, CA 95927. You may call our member service department at 800-880-8086 and request a Grievance Form. We will mail or fax the form to you.</li><li>Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li></ol>

Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

- 2** We have 30 days from the date we receive your request to:
- Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or
  - Write to you and maintain our denial -- go to step 4; or
  - Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.

- 3** You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

- 4** If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Health Benefits Contracts Division 2, 1900 E Street, NW, Washington, DC 20415-3620

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

*(continued on next page)*

Note:

- If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.
- You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.
- The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

## 5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in federal court by December 31 of the third year after the year in which you received the disputed services, drugs or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, federal law governs your lawsuit, benefits, and payment of benefits. The federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 800-880-8086 and we will expedite our review; or
- b) We denied your initial request for care or preauthorization/prior approval, then:
  - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
  - You may call OPM's Health Benefits Contracts Division 2 at 202-606-3818 between 8 a.m. and 5 p.m. Eastern Standard Time.

## Section 9. Coordinating benefits with other coverage

---

### When you have other health coverage

You must tell us if you or a covered family member have coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

The coordination of benefits provision does not apply to the Prescription Drug Benefit

#### • What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare+Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

#### • The Original Medicare Plan

The original Medicare plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your plan primary care physician.

We will not waive any of our copayments or coinsurances.

**(Primary payer chart begins on next page.)**

The following chart illustrates whether the Original Medicare or this plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When either you -- or your covered spouse -- are age 65 or over and ...</b>	<b>Then the primary payer is...</b>	
	<b>Original Medicare</b>	<b>This Plan</b>
1) Are an active employee with the federal government (including when you or a family member are eligible for Medicare solely because of a disability),		✓
2) Are an annuitant,	✓	
3) Are a re-employed annuitant with the federal government when a) The position is excluded from FEHB, or b) The position is not excluded from FEHB (Ask your employing office which of these applies to you).	✓	
		✓
4) Are a federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge),	✓	
5) Are enrolled in Part B only, regardless of your employment status,	✓ (for Part B services)	✓ (for other services)
6) Are a former federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty,	✓ (except for claims related to Workers' Compensation.)

- **Medicare managed care plan**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at [www.medicare.gov](http://www.medicare.gov). If you enroll in a Medicare managed care plan, the following options are available to you:

**This Plan and our Medicare managed care plan:** You may enroll in our Medicare managed care plan and also remain enrolled in our FEHB plan. In this case, we do not waive cost-sharing for your FEHB coverage.

**This plan and another plan's Medicare managed care plan:** You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan's network and/or service area (if you use our plan providers), but we will not waive any of our copayments or coinsurance.

**Suspended FEHB coverage to enroll in a Medicare managed care plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care plan's service area.

- **If you do not enroll in Medicare Part A or Part B**

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B and, if you can't get premium free Part A, we will not ask you to enroll in it.

## **TRICARE and CHAMPVA**

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your Tricare or CHAMPVA Health Benefits Advisor if you have questions about these programs.

**Suspended FEHB coverage to enroll in TRICARE or CHAMPVA:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

## **Workers' Compensation**

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar federal or state agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or a similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

## **Medicaid**

When you have this plan and Medicaid, we pay first.

**Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

## **When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, state, or federal government agency directly or indirectly pays for them

## **When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us at 530-666-2238 for our subrogation procedures.

## Section 10. Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services. See page 12.
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Experimental or investigational services</b>	Access+ covers drugs, devices that are medically indicated and biological products no longer considers to be investigational by the Food and Drug Administration. Coverage for other procedures are reviewed by and decided by the Blue Shield of California Medical Policy Committee. The primary criteria are that the proposed new procedures are safe and effective.
<b>Plan allowance</b>	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. These are negotiated lower provider rates and savings are passed on to you.
<b>Us/We</b>	Us and we refer to <i>Blue Shield of California Access+ or USBHPC</i> for mental health and substance abuse coverage.
<b>You</b>	You refers to the enrollee and each covered family member.

## Section 11. FEHB facts

---

### No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this plan solely because you had the condition before you enrolled.

### Where you can get information about enrolling in the FEHB Program

See [www.opm.gov/insure](http://www.opm.gov/insure). Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

### Types of coverage available for you and your family

Self-Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren for which your employing or retirement office authorizes coverage. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self-Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

## **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the Federal Employees Health Benefits (FEHB) Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option,
- if you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- if you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot make any changes after retirement. Contact your employing office for further information.

## **When benefits and premiums start**

The benefits in this brochure are effective on January 1. If you joined this plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

## When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

## When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

- **Spouse equity coverage**

If you are divorced from a federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to supply health coverage to you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's website, [www.opm.gov/insure](http://www.opm.gov/insure).

- **Temporary Continuation of Coverage (TCC)**

If you leave federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your federal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure). It explains what you have to do to enroll.

## **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will not notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

## **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law that offers limited federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB web site ([www.opm.gov/insure/health](http://www.opm.gov/insure/health)); refer to the “TCC and HIPAA” frequently asked question. These highlight HIPAA rules, such as the requirement that federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about federal and state agencies you can contact for more information.

## Long Term Care Insurance Is Still Available!

---

### Open Season for Long Term Care Insurance

- You can protect yourself against the high cost of long term care by applying for insurance in the Federal Long Term Care Insurance Program.
- Open Season to apply for long term care insurance through LTC Partners ends on December 31, 2002.
- If you're a Federal employee, you and your spouse need only answer a few questions about your health during Open Season.
- If you apply during the Open Season, your premiums are based on your age as of July 1, 2002. After Open Season, your premiums are based on your age at the time LTC Partners receives your application.

### FEHB Doesn't Cover It

- Neither FEHB plans nor Medicare cover the cost of long term care. Also called "custodial care", long term care helps you perform the activities of daily living such as bathing or dressing yourself. It can also provide help you may need due to a severe cognitive impairment such as Alzheimer's disease.

### You Can Also Apply Later, But...

- Employees and their spouses can still apply for coverage after the Federal Long Term Care Insurance Program Open Season ends, but they will have to answer more health-related questions.
- For annuitants and other qualified relatives, the number of health-related questions that you need to answer is the same during and after the Open Season.

### You Must Act to Receive an Application

- Unlike other benefit programs, YOU have to take action – you won't receive an application automatically. You must request one through the toll-free number or website listed below.
- Open Season ends December 31, 2002 – act NOW so you won't miss the abbreviated underwriting available to employees and their spouses, and the July 1 "age freeze"!

**Find Out More** – Contact LTC Partners by calling **1-800-LTC-FEDS (1-800-582-3337)** (TDD for the hearing impaired: **1-800-843-3557**) or visiting [www.ltcfeds.com](http://www.ltcfeds.com) to get more information and to request an application.

## Summary of Benefits for the Access+ 2003

Do not rely on this chart alone. All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.

If you want to enroll or change your enrollment in this plan, be sure to put the correct enrollment code from the cover on your enrollment form.

We only cover services provided or arranged by plan physicians, except in emergencies.

## 2003 Rate Information for Blue Shield of California Access+

**Non-Postal rates** apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

**Postal rates** apply to career U.S. Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and a special FEHB guide is published Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.
