SUBJECT: Staff Assignments to HRP Implementation Work Groups

Additional staff have been assigned to several of the work groups. They are as follows:

Agency Selection - Larry Pullen and Tom Simonds (DRMP); and J. Robert Ullom (BHSR). Mr. Simonds already is assisting in monitoring certain, related TA contract activities. Mr. Ullom will represent the EHSDS branch and program.

Area Designation - Robert Lindsay (DFU)

Section 1122/Regulatory Activities - Ben Neufeld (DCHP) and Mathew Spear (DRMP). Mr. Neufeld will continue to serve on the Review and Approval Functions Work Group also, providing a "bridge" between these two related groups. Mr. Spear it is recognized will be able to devote only minimal time to this activity over the next 6-8 weeks because of his central involvement with certain RMP-related arthritis activities.

These assignments have been discussed and cleared with Mr. Gardell, Dr. Graning, and Dr. Rorrie.
