Dear Heidi:

As you requested, I am forwarding a copy of the "B" Workshop reports and recommendations. I have also enclosed a draft of my understanding of the final, approved resolutions. Perhaps, with comparison with your notes accurate statements can be developed. I hope, at some reasonably early date, to have the typed transcript on the entire final plenary session.

In the hope that they may also be of use to you, I have enclosed the summary (written) reports of the A Workshops.

Yours truly,

Matt Spear  
Public Health Advisor
