Dear Don,

I believe the September 1975 meeting was the last formal meeting of the RMP Coordinators.

We were proud of our accomplishment and hoped that many of our worthy projects would be continued - many were - but more by their own momentum and not as a result of PL.93-641 - Our friend Dr Margulies encouraged "outside funding" (See pg 3).

This document lists the names of individuals who were actively involved in the transition activities as they relate to the five workshops of this meeting.

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Rikli'.
