Dear Don:

Thank you for your letter of April 1, inviting me to participate in the one-day meeting on "Regional Medical Programs: Legislation and Activities in the U.S. (1965-74)" on December 5, 1991. The delay in response has been occasioned by out-of-town commitments. I will be glad to do so. I wonder if you would also like to invite Dr. Robert Q. Marston, who was Associate Director of N. I. H. and Chief, Division of the Regional Medical Programs.

I shall await further particulars about this meeting as your plans develop. My best to you and Mary.

Sincerely,

Michael E. DeBakey, M. D.
