Re: RMP Update

Attached is list of RMP invitees who have agreed to do TV interviews to date. Based on Diane Rehm's list of available dates and your calendar (in case you might wish to be available) we have contacted the following 5 of the 6 you indicated were your first preferences -- the other individual is Paul Rogers who has not yet responded. We asked that they put a hold on selective dates:

Vernon Wilson	7/24/91	2:30 pm
Roger Egeberg	7/30/91	2:30 pm
Merlin DuVal	will call back	
* Michael DeBakey	will call back w/date	
Robert Marston	no answer - will continue trying to reach	

We have received 16 replies to nearly 40 letters of invitation -- 2 have not accepted (Pellegrino and Engle).

OK We have tentatively reserved June 18 @ 2:30 for an in-house planning meeting w/John P/Storm Whaley/Bob M/DRM/Bill Leonard from Jim Main's office/ERS?
