

*Work Force
Diversity*

A portrait of Lynn A. Kszos, a woman with short, light-colored hair, smiling. She is wearing a dark top with purple accents on the sleeves. The background is a textured blue.

Lynn A. Kszos, Environmental Sciences

For her commitment to increasing awareness of the value of a diverse work force at ORNL and in the Environmental Sciences Division

Ted Fox, Engineering Science and Technology

For his constant advocacy of, and personal and financial support for, work force diversity within ORNL, thus serving as an extremely efficacious role model to his managers, staff, and others throughout the Laboratory

A professional headshot of Debbie McCoy, a woman with short, reddish-brown hair, wearing a dark purple collared shirt. She is positioned in the center of the frame against a textured blue background. The lighting is soft, highlighting her features.

**Debbie McCoy, Computing and Computational Sciences
Directorate**

*For her exemplary leadership and management of the Research Alliance for
Minorities Program dedicated to promoting diversity in the work force*
