

Environment,

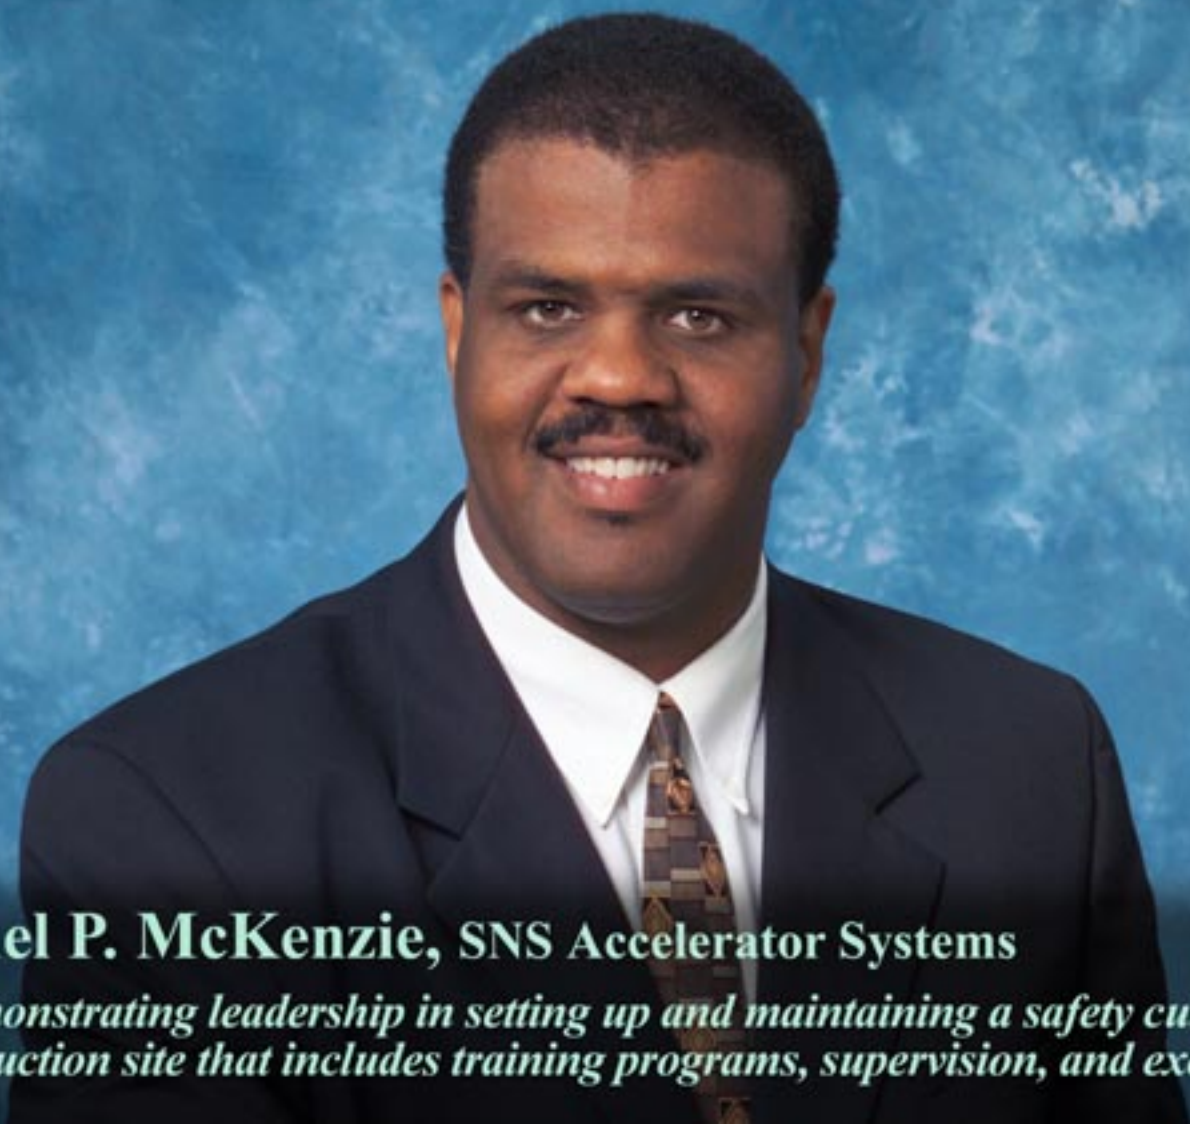

*Safety, Health,
and Quality*

David B. Poker, Condensed Matter Sciences

For outstanding accomplishments that have greatly benefited the Condensed Matter Sciences Division and ORNL Environmental, Safety, Health, and Quality programs

Samuel P. McKenzie, SNS Accelerator Systems

For demonstrating leadership in setting up and maintaining a safety culture on a construction site that includes training programs, supervision, and excellence

A professional headshot of Cathryn P. Wilson, a woman with shoulder-length, wavy, light brown hair, smiling warmly. She is wearing a brown and tan plaid blazer over a matching turtleneck sweater. The background is a textured, mottled blue.

Cathryn P. Wilson, Operational Safety Services

For outstanding safety and health technical support and for helping the Engineering Sciences and Technology Division accomplish the mission of world-class research in a safe and healthy environment
