

Telemarketing, Junk Fax, and E-mail Messaging Complaints - New Form 1088

The FCC has posted a new Form 1088 which should be used to file Telemarketing complaints, i.e., (1) junk faxes, (2) telemarketing (including Do-Not-Call violations), and (3) other issues, such as pre-recorded telephone messages, automatic telephone dialing systems, and unsolicited commercial e-mail messages to cell phones, pagers, and other wireless telecommunications devices.

For more information and access to the Forms, please go to http://www.fcc.gov/cgb/complaints_tcpa.html.
