Subject: Issuance of the Fiscal Year 2008 Statutory Checklists

The Fiscal Year 2008 Statutory Checklists has been issued as a mandatory reference for ADS 202. Each fiscal year, the Office of the General Counsel (GC) drafts statutory checklists that serve as a convenient legal reference when planning and implementing development programs. The Country Checklist includes the important provisions of general application from the Foreign Assistance Act of 1961 (FAA) and the FY 2008 Department of State, Foreign Operations, and Related Programs Appropriations Act (FY 2008 Act). The Activity Checklist has the activity-specific provisions of the FAA and the FY 2008 Act. The checklists do not have every country prohibition or restriction. The Regional Legal Advisors or GC attorneys assigned to a Bureau or Mission should be consulted to determine if there are additional country-specific or activity-specific prohibitions and "notwithstanding" authorities.

Point of contact: Any questions concerning this Notice may be directed to Betty Chung, GC/LP, (202) 712-4791.
