FOR IMMEDIATE RELEASE

### **Hyalite Road Temporarily Closed due to mudslide**

A mudslide slipped across National Forest System Road number 62, known as Hyalite Road early Sunday morning blocking the entire road and preventing access into hyalite canyon. Forest Service crews are removing the slide and assisting tourists out of the canyon. The road will remain closed until the slide area stabilizes. The actual date for opening the road will be based on current road conditions. Updates on the road condition will be posted on the Forest Service phone recording at (406) 522-2520 as they become available.
