

Employees & Retirees of BNL

National Vision, Inc

Middle Island Walmart
is now offering you a
10% savings
on your eyewear and
contact lenses

National Vision, Inc. can help you to enjoy good vision health and save money on vision care needs. The program is easy to use. You pay National Vision, Inc. directly for all professional services and receive instant savings from the program's reduced fees.

This program is available to all Brookhaven National Laboratory (BNL) employees, retirees and their families. You do not need to sign up for this program. It is automatically available to you whether or not you have medical plan coverage through the Lab. Simply show your BNL ID or mention BNL at the store to obtain your discount.

National Vision, Inc. is provided through the Vision Center located inside Walmart, 750 Middle Country Road, Middle Island, NY 11953, 631.345.0065.
