

# It's their turn!

Pre-teens need vaccines too!

To be protected.  
To be healthy.

Pre-teens 11 and 12 years old need to receive vaccines to be protected against serious diseases including meningitis and whooping cough.

Schedule an appointment with your child's healthcare provider.

For more information, visit [www.cdc.gov/vaccines](http://www.cdc.gov/vaccines) or call 1-800-CDC-INFO.
