

## 11. Revenues, Expenses, and Investment

This section provides information on revenues, expenses and investment by major local telephone companies. The information included in this section is calculated from some of the summary information in ARMIS. The original data plus more detailed data can be found in the ARMIS reports, which are available for public access on the ARMIS internet site (<http://www.fcc.gov/ccb/armis/db/>).

The source of the data in this section is ARMIS 43-01 Annual Summary Report, prescribed for every local exchange carrier with operating revenues in 1997 in excess of \$112 million. The report is filed on a study area basis and includes data on revenues, expenses and investment to enable the Commission to monitor the carriers' operations.<sup>1</sup> For this section, information was derived from ARMIS 43-01 data for 1998. The information reported here differs from that reported in the June 1999 report in that it incorporates revisions made in the filings by the companies since they were originally filed on April 1, 1999.

Table 11.1 shows Revenues and Other Operating Items.

Table 11.2 shows Expenses and Taxes.

Table 11.3 shows Gross Investment.

Table 11.4 shows Total Investment Reserves--row 1890 of the ARMIS report.

Table 11.5 shows Net Income which is the difference between  
Table 11.1--Revenues and Other Operating Items and  
Table 11.2--Expenses and Taxes.

Table 11.6 shows Average Net Investment--row 1910 of the ARMIS report--which is the difference between

Table 11.3--Gross Investment and  
Table 11.4--Total Investment Reserves.

---

<sup>1</sup> 13 Tier 1 carriers furnished the data for 128 study areas used in this report. The data covers all 50 states (except Alaska), the District of Columbia, and the Commonwealth of Puerto Rico. Smaller carriers that, in the aggregate, serve about 7% of the nation's telephone lines do not file ARMIS data.

Tables 11.7 and 11.8 show the detail items that when aggregated constitute Table 11.1--Revenues and Other Operating Items.

Table 11.7 shows Total Operating Revenues--row 1090 of the ARMIS report.

Table 11.8 shows Other Operating Income or Loss--row 1290 of the ARMIS report.

Tables 11.9 through 11.12 show the detail items that when aggregated constitute Table 11.2--Expenses and Taxes.

Table 11.9 shows Total Operating Expenses--row 1190 of the ARMIS report.

Table 11.10 shows Total Non-operating Items--row 1390 of the ARMIS report.

Table 11.11 shows Federal Income Taxes--row 1590 of the ARMIS report.

Table 11.12 shows Total Other Taxes--row 1490 of the ARMIS report.

Tables 11.13 and 11.14 show the detail items that when aggregated constitute Table 11.3--Gross Investments.

Table 11.13 shows Total Plant Investment--row 1690 of the ARMIS report.

Table 11.14 shows Total Other Investments--row 1790 of the ARMIS report.

Each table in this section contains columns headed Subject to Separations, Intrastate, and Interstate.<sup>2</sup> The Subject to Separations column reflects the total amount that is subject to separations allocation between the state and interstate jurisdictions pursuant to Part 36 of the Commission's Rules. The Interstate and Intrastate columns reflect the amounts allocated to the interstate and state jurisdictions pursuant to those rules. In some instances, the Interstate column also reflects FCC prescribed adjustments made after the separations process. These adjustments are made only at the interstate level; consequently, the Intrastate and Interstate columns may not necessarily add up to the Subject to Separations column.

Each table also contains a column headed Percent Interstate. The data in this column is calculated by dividing the data in the Interstate column by the data in the Subject to Separations column.

---

<sup>2</sup> These are reported in columns (f), (g), and (h) in the ARMIS 43-01 reports. The numbers are in thousands of dollars.

Table 11.6--Average Net Investment--has one additional column headed Interstate Rate of Return. The data in this column is calculated by dividing the data in the Interstate column of Table 11.5--Net Income--by the data in the Interstate column of Table 11.6.

## Customer Response

Publication:           Monitoring Report  
                   December 1999

You can help us provide the best possible information to the public by completing this form and returning it to the Industry Analysis Division of the FCC's Common Carrier Bureau.

1. Please check the category that best describes you:

- press
- current telecommunications carrier
- potential telecommunications carrier
- business customer evaluating vendors/service options
- consultant, law firm, lobbyist
- other business customer
- academic/student
- residential customer
- FCC employee
- other federal government employee
- state or local government employee
- Other (please specify) \_\_\_\_\_

2. Please rate the report:   Excellent      Good      Satisfactory      Poor      No opinion

Data accuracy	( )	( )	( )	( )	( )
Data presentation	( )	( )	( )	( )	( )
Timeliness of data	( )	( )	( )	( )	( )
Completeness of data	( )	( )	( )	( )	( )
Text clarity	( )	( )	( )	( )	( )
Completeness of text	( )	( )	( )	( )	( )

3. Overall, how do you rate this report?

Excellent	Good	Satisfactory	Poor	No opinion
( )	( )	( )	( )	( )

4. How can this report be improved?
